PRESIDENT'S MESSAGE

With the beginning of a new year for the Sutter-Yuba Genealogical Society, we look forward to some interesting meetings and some informative issues of the "DIGEST."

The Genealogical Seminar held in Gridley proved to be very interesting and helpful to a great number of people.

Thanks to the foresight of our Program Chairman, Indra Nason, we have the names of quite a few interested person who may, eventually, become members of our Society.

Under the leadership of our Past President, Gene Mattocks, we have had a very good year. It is my earnest desire that this year's record of attainments will be equal to last years.

JACK DUNNING

FROM THE EDITOR'S CORNER

I don't know whether it was like a bolt out of the blue, or perhaps scraping the bottom of the barrel, but it must have been something similar that made me your new editor. It would have required a highly concentrated effort for the Society to have found anyone with less genealogical knowledge and know how than yours truly. I was merely asked if I would lend a helping hand. I agreed, little knowing that that helping hand was connected very strongly to a lot of other "helpings" that were not mentioned in the beginning.

Anyway, the deed is done, here we are, you are and I am. More or less a funny situation in which to find myself. It looks as though the only way out is to get to work and climb out, and with your help, that is just what I intend to do. So, hang onto your hats, it may be a rough ride.

There is much to be done in this business of giving you a legible, informing and at the same time interesting quarterly publication. The amount of reading and researching that must be done to accomplish this end is only slightly short of staggering. Never the less, it is a must. The worst of it is that I am very much in the dark when it comes to knowing to what extent the historical and the data lines have been explored and previously published. There is very little doubt that you will be reading some second editions, much like the re-runs on television.

In genealogy, nothing is new. It, like biblical "begats", goes on and on. We can only hope to update things and present happenings that were old when the world was almost new. Our hope is that this updating process may be presented through a different choice of words, and thus make the subject matter seem to be a bit different and maybe even interesting.

The aim of this publication will be not to stray from the paths of data and truth (not too far, at any rate) and at the same time hold the interest of the reader.

If you, in the course of your own research and "Digging", run across something which you would like to share with others who are like minded, and you would like to do so through the medium of these pages, we say WELCOME. Please get your material in as promptly as possible, and this department will carry on from there. With your help, it is possible that we might even get the "DIGGER" out on time, but please do not expect miracles this first time.

There is on hand, at the present time, a great deal of material on name indices, including one set each, for Yuba and Sutter Counties for the year 1879. Quite by chance, as my first act of "editing" I got started on the Yuba County list, which had been submitted by Jack Dunning. This listing, in its original form, ran to 60 pages (the long way), single column, single spaced material. This has been transcribed on to 32 stencils, still single spaced, but double columned. The index for Sutter County was compiled from the old records by Violet DeGroodt and doesn't run to as great a length as the one for Yuba County. It too, has been transcribed onto stencils, in the same manner as the one for Yuba County. Both of these indices will be run in the "DIGGER" starting this quarter. At the present time, both sets are in the hands of the reproduction department, manned by the students of the Yuba City High School. I made a slight goof there. Only the Yuba County index will be started in this issue.

Thanks for your patience in reading this far. The meatier parts are nearer to the end, so, once more, please have some more patience.

MORRIE, the Editor

LEO A. WADSWORTH, a long time outstanding citizen of Sutter County passed away on 10 March 1975. He was one of the charter members of the Sutter-Yuba Genealogical Society, having joined in March 1974. Shortly thereafter, he and Mrs. Wadsworth moved to Chico to be nearer their children, and as a result, were unable to regularly attend the Society meetings. Since the Wadsworths are an early Sutter County family, it is felt that Mr. Wadsworth's obituary would be of special interest to many of the Society members. It is with sincere sympathy to Mrs. Wadsworth and her family that we add the following to our publication.

LEO A. WADSWORTH

Funeral services are scheduled Friday for Leo A. Wadsworth, 82, who died Monday in Chico. A native of Sutter, he was a member of a pioneer Sutter County family, and was well known as an educator, both in Sutter and also further afield. He served as Principal of Sutter Union High School until 1937, and then as a Director of Chaffey College in Ontario. He retired in 1958, returning to Sutter and resuming an active part icipation in ranching and in community affairs.

He was a former President of the California Junior College Association; one of the founders of the Northern California Athletic Association; a member of the YMCA; a director of the Sutter Youth Association; a Boy Scout leader, a member of the Sutter Methodist Church and of the

Sutter Cross Association ; a member of the Sutter County Historical Society and also a member of the Sutter-Yuba Genealogical Society.

Survivors include his wife, Virginia, of Chico; a daughter, Virginia Wiseman, of Lafayette; two sons, Leo A. Jr., of Laguna Niguel and Ralph of Chico; a sister, Olive Lemenager, of Sutter; nine grandchildren and three great grandchildren.

Funeral services are scheduled at Ullrey Memorial Chapel, 2 P. M. Friday with Rev. Carl E. Walker of the United Methodist Church of Chico, and Rev. H. Earl Morris, Jr., of the United Methodist Church of Sutter officiating. Burial will be in Sutter Cemetery. Memorials to the Sutter Youth Association and the United Methodist Church of Sutter have been suggested by the family.
