ATCHISON COUNTY KANSAS MARRIAGES

The following pages contain the name and City, County or Town of persons from Missouri, or one from Missouri and the other from Kansas, usually Atchison Co. Kansas

These are the persons who secured a marriage license and in most cases were married by the Probate Judge. Therefore their names will not appear in any record of marriage in the state of Missouri

There is a Bride's Index for the convenience of anyone searching for a feminine name.

Compiled and indexed from a microfilm dating from 1875 to March 1906 by John and Enid Ostertag, October, 1987
