JR.-SR. BANQUET

On April 23, the Junior Class served the annual Junior-Senior Banquet for the Seniors. The theme of the banquet was Hawaiian Cruise. The gymnasium was decorated appropriately. After a delicious meal the Juniors presented a short program. The remainder of the evening was spent dancing.

Seniors Return From Sneak Trip

Early Friday morning April 23 at 5:00 a. m. 15 sleepy Seniors, four sponsors and a bus driver started out for Rockaway Beach on Lake Taneycomo in Missouri. We followed highway 50 up through Ottawa and then down to Harrisonville, Joe's old home town, where we stopped for our breakfast. By 8:00 we were back on the road again. About 11:30 we had a short break in Springfield. We left there by 11:45 and we were heading for the last stretch to Rockaway. At 12:15 we had reached our destination.

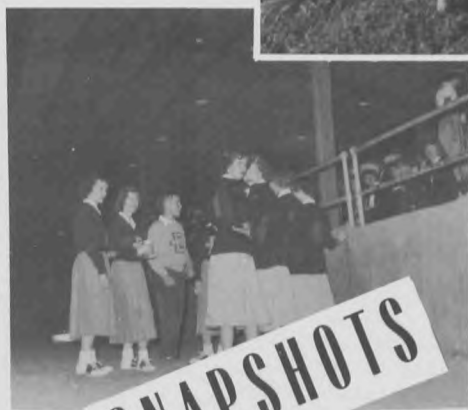

After we had our instructions, and our cabins were assigned, we unloaded the bus and went to unpack. Our cabins were real cute. They were painted red and white and the inside was neatly decorated. After we got settled we headed down town for dinner. The rest of the afternoon was spent doing what ever you choosed. That evening everyone went to town. Some went bowling, dancing, boat riding, and others just walked around.

At 8:00 Saturday morning we took out for a sight seeing trip to Uncle Matts cabin, Sammy Lanes cabin, and inspiration point where Harold Bell Wright wrote the book "Shepherd of The Hills". After this we went through Marvel Cave which was very interesting. In Branson we had a short break.

While we were at the dock the boys decided to go back to Rockaway in a speed boat, so we girls rode back by our ourselves. We were feeling pretty broken hearted because we didn't get to go, so Joe Rogers bought us a Dairy Queen. When we got back we had dinner and then a lot of us rented motor boats for the afternoon. Others went swimming and then some went shopping. Saturday night we cleaned up and got out of our dirty jeans and went to town, for a big evening. About 8:30 Sunday we took out for home. We really had a good laugh with Warren Grounds. Since he had got ten up early and packed, he walked down to the dock and sat down. Naturally he went to sleep, so the other boys went off and left him. We drove down past the dock while Mr Borgna ran down and told the owner to wake Warren and give him a big line about the bus leaving. Boy we sure laughed after it was all over. On our way back we stopped at Eureka Springs for a bite to eat and then we observed the hills. About 12:30 we stopped in Cassville for our dinner. Here we visited Roaring River and also the Fish Hatchery. Both were very interesting. By 1:00 we were back on the road. You should have heard all the hollering when we hit the Kansas line. Man, were we happy to see flat country. About 7:15 we pulled in to Waverly. This trip was enjoyed by all and it was a wonderful and educational experience.
