Madison, Greenwood County, Kansas

INTRODUCTION

The Greenwood County Historical Society, 120 W 4<sup>th</sup> Street, Eureka, Kansas 67045 has one reel of microfilm containing the images of this newspaper for this time period.

The paper was published by Harry V. Baxter on Thursday's in an 8-page, 6 columns per page, format, but some pages are missing, some are duplicates, and the printer failed to correct the dates on the heading of the first page sometimes, so if an item is not found as indicated, THINK, check carefully.

Each available page was SCANNED specifically for notices of BIRTHS, MARRIAGES, DEATHS, but other items felt like having some "substance" for local history and genealogical researchers were often included. Each item was hand copied, then typed into a computer program for alphabetizing and printing. Proof reading was NOT done, so if an item is not found as indicated, THINK, check column, page, issue before or after—it is there.
