INTRODUCTION

The Greenwood County Historical Society, 120 W 4th street, Eureka, Kansas 67045 has one reel of microfilm containing the images of this newspaper for this time period.

The paper was published by Harry V. Baxter on Thursday's in an 8-page-6 column per page format, but has additional pages occasionally. Some pages are missing or are not in order, some not numbered, and the printer failed to change dates on heading on page 1 occasionally.

Each page was SCANNED specifically for notices of BIRTHS, MARRIAGES, DEATHS, but other items appearing to have some "substance" for local historians and genealogists were sometimes included.

Each entry consists of four parts
