March 2, 1932 to August 1, 1935
Madison, Greenwood County, Kansas

INTRODUCTION

The Greenwood County Historical Society, 120 W 4th Street, Eureka, Kansas 67045 has one reel of microfilm containing the images of this newspaper for this time period.

The paper was published by Harry V. Baxter on Thursday usually in an 8-page, 6 column per format, but some pages are missing, some are duplicates, and there are additions or inserts. The date is usually on page one, some pages are numbered/dated, others are not. If an item is not found as indicated, THINK, check column, page, issue before or after entry—it is there.

Each available page was SCANNED specifically for notices of births, marriages, deaths, and items that are believed to be helpful to genealogy and history searchers. Most items are not indexed if they didn't meet this description. Most items are 'who is visiting who!.

Each indexed item was hand copied, then typed into a computer database program for alphabetizing and printing. Proof reading was not done, so there may be some errors. Each item should have topic, explanation/or more, page/column numbers, issue date.
