OF
LYON COUNTY, KANSAS**

Volume 1

October 25, 1885 to January 10, 1892

at the Lyon County Historical Society

Introduction

Early Birth Records of Lyon County, Kansas

This book is intended to be a research aid for those tracing their Lyon County, Kansas ancestry. The information in this book was obtained from Volume I Vital Records Book which was maintained in Lyon County, Kansas prior to the state wide retention of these records. The Kansas Department of Health and Environment, Office of Vital Statistics, Landon State Office Building, 900 SW Jackson, Rm. 151, Topeka, KS 66612-2221, has birth and death records since July 1, 1911, marriages since May 1, 1913 and divorces since July 1, 1951. To verify current fees, call 785-296-1400.

Due to the difficulty of interpreting handwriting and spelling in old records, it is impossible to do a book of this kind without errors. The records were extracted as written, including misspelled words. For this reason, it is suggested that the record be reviewed.

The birth records are alphabetized by the last name of the father, if recorded. Due to the many discrepancies in spelling of names in the individual records, an index that contains the name of the child, mother's name and mother's maiden name is in the back. Quite often, it appears that names are spelled phonetically, so a search of names by phonetic spelling is suggested. In the remarks section is the page number where this record is located in Lyon County Vital Records Volume 1. It is not suggested that these are the only births that took place in Lyon County, especially in the early years. Another source of birth records would be the indices to early newspapers compiled by Bob Hodge. There are newspaper accounts of births occurring in Lyon County that are not recorded in the vital records.

A copy of the page from the Vital Records Book that contains a specific record is available from the Lyon County Historical Society, 118 E. 6th, Ave., Emporia, KS 66801 or from the Flint Hills Genealogical Society, PO Box 555, Emporia, KS 66801-0555. Contact Flint Hills Genealogical Society for any research needs, copies of this book, or a list of other publications available.

Thank you to Greg Jordan, Director, Lyon County Historical Society for his accommodations and support of this project.
