## INTRODUCTION

"A Mobile Society" is a term often applied to the present generation, but the same term could have been applied to past generations, also. Certainly, those who left their homelands to come to America and those who made several moves westward were mobile. Because of the desire for change and for betterment in the past, family members were separated and ties were broken. It is no wonder, then, that much family history was lost.

Recently, many people have become interested in searching for the bits of information that can be pieced together to make a complete family history. To do this, these researchers have learned to consult whatever sources they can find. Often this means that a researcher is aided by the work others have done.

To repay some of the help they have received, the members of the Reno County Genealogical Society of Reno County, Kansas have tramped through cemeteries and have copied cemetery records for the benefit of other researchers. In particular, the co-chairmen of this project Arthur Graves and Everett Wells have contributed hundreds of hours of work. Without their genuine concern, diligent labor, and careful supervision, this record of Reno County cemeteries could not have been accomplished.

Although these records have been checked and rechecked, there are, undoubtedly, some omissions and errors. Omissions were unavoidable on those early graves that were distinguished by wooden markers, because these have rotted away or have been lost. Also, some of the early graves were never marked. If there were no cemetery records made, or if the records were destroyed, the information is lost forever. On the whole, however, this compilation is as accurate as it was humanly possible to make.

## DEFINITION OF TERMS

In describing cemeteries, two words are used whose meanings need to be clarified: "old" and "active". While an "old" cemetery in the eastern part of the United States might have graves with dates in the 1700s, "old" has a different meaning in central Kansas. Since people started settling in Reno County during the 1870s, a cemetery with burial dates in the 1870s or 1880s would be considered old. The second word "active" is used to describe a cemetery that is used regularly at the present time. When the word is modified to "semi-active", it means that the cemetery is used infrequently.

Some cemeteries recorded time on interment rather than the time of death. Interment was usually two or three days after death.

## SYSTEM OF NUMBERING

The cemetery researchers gave each township in Reno County a number for easy identification. Then they gave each cemetery within that township a number. Thus the number which appears before the dash is identification for the township. For example, the Partridge Cemetery description is preceded by the number "5-1". The number "5" stands for the Center Township, and the "1" after the dash shows which of the three cemeteries in Center Township it is. Therefore, the two numbers which precede this description may be used to locate the cemetery on the Reno County map in this book.

## LEGAL DESCRIPTION OF LAND

In 1785, the United States Congress adopted a rectangular system for measuring, describing, and locating land. This method supplanted the imprecise descriptions used in the early colonies. Locating various cemeteries would be easier if one understands this system.

The system uses a unit of measurement called the "township" which is a square of six miles on a side. Every six miles there is an imaginary boundary east and west of a principal meridian that is called a "range". Similarly, every six miles there is an imaginary boundary north and south of a designated baseline that is called a "township". Meridians and baselines have been adopted for large areas which set the patterns. The meridian for Reno County is a line running north and south through Wichita, Kansas. The baseline is the Fortieth Parallel, which is the Kansas-Nebraska line.

The "township" unit for this system is divided into thirty-six square miles, and each square mile is called a "section". Each section is divided into four quarters. Each range, township, and section is numbered for identification. Thus a cemetery may be identified as the southwest corner of the southwest quarter of section 7, township 19 (north and south), range 6 (east and west). The shortened form would be: SW Corner SW $\frac{1}{4}$  Sec. 7-19-6. Reno County is comprised of ranges 4 through 10 and townships 22 through 26.

## DESCRIPTIONS OF CEMETERIES

### 1-1 LONE STAR CEMETERY

Lone Star Cemetery is located  $1\frac{1}{2}$  miles east, 2 miles north, and  $\frac{1}{2}$  mile east of Pretty Prairie in Albion Township. The legal description is SE corner of SW $\frac{1}{4}$  Sec. 4-26-6. Originally, a tract of two acres was deeded to the Lone Star Cemetery Association by Edwin F. Brener on 3 December 1901. This is the best groomed and most beautiful cemetery in Reno County. Its maintenance has been endowed by the Collingwood families. It is currently an active cemetery with about 738 graves; the oldest recorded burial is that of John Powell, 22 May 1878.

### 1-2 PRETTY PRAIRIE MENNONITE CEMETERY

Pretty Prairie Mennonite Cemetery is located on a hill  $2\frac{1}{2}$  miles east of Pretty Prairie in Albion Township. The first portion of land was deeded to the church by Peter Kaufman on 7 May 1885. It has been enlarged twice; once on 7 May 1888 and again on 19 February 1924. The cemetery lies on one side of a large beautiful church. The legal description is SE corner of SW $\frac{1}{4}$  Sec. 15-26-6.

### 1-3 FAIRVIEW CEMETERY

The Fairview Cemetery is an inactive unkept, small cemetery in which only five marked graves can be found. No one knows of any record of the burials, but there is an historical account of how the cemetery started. In the early days, there was a school on this land. A family traveling in a covered wagon stopped at the school and asked for help, because their small daughter had died. The school teacher dismissed school, sent for a minister and had a funeral in the school for the child. Then the mourners buried her in a corner of the school yard.

The oldest marked grave is that of Asa B. Tarant. No one knows whether this is the grave of the above mentioned child. It is possible that her grave was not marked.

W.S. Clark deeded  $1\frac{1}{2}$  acres for burial purposes in 1884. The cemetery is located 1 mile south of the east road of Pretty Prairie in Albion Township. The legal description is SE corner of SE $\frac{1}{4}$  of Sec. 19-26-6.

### 2-1 ARLINGTON CEMETERY

Arlington Cemetery is located on a hill approximately 1 mile northeast of Arlington in Arlington Township. The legal description is SW corner of NE $\frac{1}{4}$  Sec. 2-25-8. An historical account relates that the first person in the area to die was buried 2 August 1881, on his father's farm. Later this piece of land became Arlington Cemetery. Unfortunately, a number of people were buried for which no records were made. According to the caretaker, there are a number of unmarked graves on the north and the west sides of the cemetery tract.

### 3-1 LERADO CEMETERY

Lerado is an old but active cemetery. Its name came from the town of Lerado in Bell Township. The town was started in this location because the people thought it would be close to the path of the first railroad in the area. Unfortunately, the railroad did not come near Lerado, and the young town did not continue to develop. The cemetery is  $\frac{1}{2}$  mile north of where the town of Lerado was. Its legal description is NW corner of SW $\frac{1}{4}$  of Sec. 14-26-9. It can be located by driving 5 miles south and 2 miles east of Langdon, Kansas. The original tract was given to the cemetery board by John Brady 2 October 1885. Additional land was acquired 26 May 1889. Memorial Sunday at this cemetery is "old friends" day. People from adjoining states come to decorate graves and to see old friends. Often, two or three picnics can be seen in the grove of trees. This is a large cemetery of about 924 recorded graves and a few very old unmarked ones.

### 4-1 SAINT AGNES CATHOLIC CEMETERY

Saint Agnes Catholic Cemetery is very old. Although it is no longer considered an active burial place, a few graves have been placed here in recent years. The cemetery is located  $2\frac{1}{2}$  miles south and  $\frac{1}{2}$  mile west of Castleton in Castleton Township. The legal description is SE corner of NE $\frac{1}{4}$  Sec. 33-25-6. County records show that this plot was deeded by John V. Kennedy to Timothy Sweet, Trustee. There is a large unused area in front of the cemetery which might indicate that there was a church at one time.

### 5-1 PARTRIDGE CEMETERY

Partridge Cemetery, Center Township, (originally Reno Center Cemetery) was used for a burial ground soon after the First Church of Reno Center was organized in December 1873. The first deed to the Trustees was made 26 July 1879. A tract of two acres in the NW corner of SW $\frac{1}{4}$  Sec. 15-24-7 was given by Rev. Samuel Dilley for use as a public cemetery. Local people believe that many graves from nearby private or family burial lots were moved to this new cemetery.

On November 12, 1921 Claude W. Puckett and Edna (Dilley) Puckett gave approximately two acres for North Annex to Reno Cemetery Association, and in 1975 land for the East Annex was purchased from the

William S. Williams family and Robert Puckett. The cemetery now consists of approximately six acres and is platted into about 680 lots. The cemetery is located one half mile south of Partridge.

Center Township assumed the maintenance and management in 1923 and taxes are levied for this purpose. It is a well kept cemetery enclosed by a chain link fence.

A history and listing of burials as well as ownership of lots was published in 1963 by Marson H. French. Lillian (Crotts) French of Rural Route Partridge and Mrs. William Peterson (Malinda Crotts).

#### 5-2 AMISH CEMETERY

E.E. Borntrager deeded a one acre tract to the Amish Church Society of Center Township for a cemetery on 23 January 1900. The legal description is SE corner SW $\frac{1}{4}$  Sec. 2-24-7. This cemetery can be found on the north side of Highway 50, 2 miles northeast of Partridge. This attractive cemetery is very neatly arranged in rows. All graves are marked with identical round-topped, white, flat stones. Sometime in the past, the bodies of sixteen children were moved to this cemetery from a settlement in Ford County near Bucklin, Kansas.

#### 5-3 ASBURY METHODIST CEMETERY

Asbury Methodist Cemetery was located 2 miles east of Partridge in Center Township, NW $\frac{1}{4}$  Sec. 12-24-7. However, the church does not exist at the present time. On May 27 1884, the Trustees of the church paid Watkins Davis \$80.00 for 4 acres of land that were to be used for a church building and a cemetery. The number of graves that were in the cemetery is not known.

In 1889, a lot was purchased in Partridge and the church was moved. It is believed that some of the graves were moved to the Reno Center Cemetery (Partridge Cemetery). The trustees of Asbury M.E. Church gave a quit claim deed to R.A.L. Davis for the 4 acres on 21 February 1903. Thus, at the present time, there is no physical evidence of a cemetery on this site.

#### 6-1 HUTCHINSON EASTSIDE CEMETERY

Hutchinson Eastside Cemetery is the oldest Hutchinson cemetery. It is located south of Avenue "D" between Cleveland and Severance Streets. It was established in 1883; however, there are several grave markers with the death dates of 1880. Since the first recorded burials were in 1882, it is believed that the earlier graves were moved from another location. For example, there was a small cemetery in the northwest part of Hutchinson near Monroe Street and between Sixteenth and Seventeenth Avenues. Because some people feared that the cemetery was polluting their drinking water, the graves were moved. It is probable that most of the graves were relocated in Eastside Cemetery. Unfortunately, some of the early records of Eastside Cemetery were burned. Thus there is no record of more than 1,000 unmarked graves. The Eastside Cemetery had gone through a period of neglect before the city of Hutchinson took over its maintenance. It is now a carefully maintained cemetery of about 13,000 graves. The legal description is NE $\frac{1}{4}$  of SW $\frac{1}{4}$  - Sec. 18-23-5, Clay Township.

#### 6-2 FAIRLAWN CEMETERY

Fairlawn is a large, beautiful cemetery located in the southeast part of Hutchinson, bounded by Avenue "G" on the south, Carey Boulevard on the north, and Halstead Street on the east. The legal description is SE Corner SE $\frac{1}{4}$  Sec. 17-23-5 in Clay Township. This cemetery was started in December 1918 by Emerson Carey, a prominent business man. In 1931, the cemetery was transferred to the Carey Foundation and was incorporated. In 1974 it was sold to a private company. Since that time, it has been owned and operated by local persons. In the cemetery, there are many large stones marking the graves of formerly well-known Hutchinson residents.

#### 6-3 REFORMATORY CEMETERY

Reformatory Cemetery is a small plot of land located on the state owned property of the Kansas Industrial Reformatory at the southeast corner of Lorraine Street and Avenue "G". The legal description is SE corner of SE $\frac{1}{4}$  Sec. 18-23-5 in Clay Township. There are several white stone crosses marking the graves of the former inmates whose bodies were never claimed by relatives. These crosses have no names on them. Also, there are several unmarked graves in this small burial place. Since no cemetery records were kept, the names could not be obtained by the researchers. This plot is no longer used for burials. Now, the inmates who die and are not claimed are buried in nearby Eastside Cemetery.

#### 7-1 PEACE BETHEL CEMETERY

Peace Bethel Cemetery is located 13 miles west of the Arkansas River Bridge on old Highway #50 (West Fourth Avenue) in Enterprise Township. The legal description is SW corner SW $\frac{1}{4}$  Sec 8-23-8. The land was purchased from George Newman by the trustees of the Bethel Cemetery Association for \$18.00 on 30 August 1880. It is a small country cemetery maintained by the township. There are 20 marked graves, and it is believed there are several unmarked ones. A person with historical knowledge of the area stated that at one time there was a church at this location. Later, it was abandoned, and the church building was moved south to a town called Pekin. However, the town and the church are no longer in existence.

## 7-2 FAIRVIEW METHODIST CEMETERY

Fairview Methodist Cemetery is located SW Corner SW $\frac{1}{4}$  of Sec. 12-23-8 in Enterprise Township. One can find this plot, which is on the church yard, 8 miles west of the Arkansas River Bridge on old Highway #50 (West Fourth Avenue). At the present time the church and cemetery are active. On 2 January 1879, 100 years ago, the citizens of the area met to select a place for a church and a cemetery. At that time, lots sold for \$1.00 each. This small cemetery has 128 marked graves; however, it is known that there are several unmarked graves.

## 8-1 WILDMEAD CEMETERY

Wildmead is a large and old cemetery located 1 mile west of the city of Nickerson in Grant Township. The legal description is N Side NE $\frac{1}{4}$  Sec. 9-22-7. Unfortunately, a few years ago the cemetery records were destroyed by fire. However, there are about 1,519 marked graves, the oldest of which have been there since the 1880s. The cemetery has been well maintained by the city of Nickerson.

## 8-2 MITCHELL CEMETERY

Mitchell Cemetery is located on a one acre tract that was deeded to the trustees of Southwest Methodist Church by J.O. and Anna Schyler in 1896. Sarah Schuler, J.O. Schuler's mother, was the first person to be buried in the new cemetery. The location of the church and burial ground is 4 miles west of Hutchinson in Grant Township, in NW Corner of NW $\frac{1}{4}$  Sec. 27-22-6. This active cemetery is the resting place of many of the settlers of this area.

## 9-1 GLENDALE CEMETERY

Glendale is a little known cemetery, because it is not on any main road. One can go to it by turning east off the Turon-Sylvia road, 6 miles north of Turon, going 1 mile, then continuing north  $\frac{1}{2}$  mile. Also, it can be found by going 3 miles south of Sylvia, turning and going east 1 mile, then going  $\frac{1}{2}$  mile north. It is in the NW Corner SW $\frac{1}{4}$  Sec. 2-25-10 in Grove Township. This tract of 3 acres of land was given to the trustees of the Baptist Church for a burial ground 27 January 1892. It is a well kept, but little-used cemetery of 39 graves. The oldest grave is that of Harry Thomas, 1885, who was either moved to the cemetery or was buried before the church acquired the land.

## 9-2 MOUNT ZION BAPTIST CEMETERY

Mount Zion Baptist location is on the SE corner of SE $\frac{1}{4}$  Sec. 8-25-10 in Grove Township. The land was sold by John Aiton to the trustees of Mount Zion Baptist Church on 1 August 1893. Thus there is some evidence that a church and possibly a cemetery were at this location. At the present time, however, no one could be found who remembers either a church or a cemetery. The abandoned site is covered with grass, tall weeds, and untrimmed trees.

## 10-1 SAINT PAUL LUTHERAN CEMETERY

Saint Paul Lutheran Cemetery is located behind the St. Paul Lutheran Church 1 mile west of Haven in Haven Township. It is on the NW Corner of NE $\frac{1}{4}$  Sec. 7-25-4. The land was deeded by Charles A. Smith to the trustees of the St. Paul Lutheran Church 15 December 1881, for the purpose of establishing a church and a cemetery. In time, the old church was replaced with a new one. It is a large, well-kept active cemetery, in which there are about 358 recorded graves. Some of the oldest grave stones show dates in the 1880s.

## 10-2 HAVEN PRIEST CEMETERY

Haven Priest Cemetery is located 2 miles south and 1 $\frac{1}{2}$  miles east of Haven in Haven Township. The legal description is NW Corner NE $\frac{1}{4}$  Sec. 22-25-4. William Priest deeded land to the Priest Cemetery Association for burial purposes on 11 July 1888, although there were several graves on the land before that date. The earliest person buried was Emmie Priest in 1880. At present, there are about 329 graves in this cemetery.

## 11-1 PEACE CREEK CEMETERY

Although Peace Creek Church was located in the SW Corner of Sec. 8-23-10, apparently there was no land available for a cemetery. Thus the cemetery was located away from the church, 1 mile west and  $\frac{1}{2}$  mile north of the church site. The legal description is NE Corner of SE $\frac{1}{4}$  Sec. 12-23-11 in Stafford County. Peace Creek is a semi-active cemetery that has about 604 graves. The oldest grave stone carries the date of 1877.

## 11-2 HAYES TOWNSHIP CEMETERY

Hayes Township Cemetery is in the NE Corner of SW $\frac{1}{4}$  Sec. 15-23-10 in Hayes Township. It can be found by going 6 miles north and  $\frac{1}{2}$  mile west of Sylvia, Kansas. The road leading to the center of the section where the cemetery is located is part of the land deeded to the Church of Christ by Fred Youst on an unknown date. The church, like Peace Creek Cemetery (11-1), is remote from the cemetery, be-

cause the donor of the land for the church did not include enough for a cemetery. The burial plot contains about 202 graves.

11-3

This church located in the SE Corner of SW $\frac{1}{4}$  Sec. 14-23-10 did not have a connected cemetery. Natives of the area say that the person who gave land for the church did not want to give land for a cemetery, so someone else donated land for a cemetery in Sec. 15--one mile west. The cemetery (11-2) is maintained by Hayes Township and is called Hayes Township Cemetery.

#### 11-4 UNITED BRETHERN CEMETERY

An old map of Reno County indicated that there was a church and possibly a cemetery in the NW corner of NW $\frac{1}{4}$  Sec. 25-23-10 in Hayes Township. In fact, Thomas Kidde transferred a plot of land to the Fairview Chapel on 29 October 1892. At the present time, however, there is no evidence of a church or cemetery ever having been at this location. Local residents believe that there was a church, but not a cemetery.

#### 12-1 LUTHERAN CEMETERY

The Lutheran Cemetery is located on the SW Corner of SE $\frac{1}{4}$  Sec. 17-23-9 in Huntsville Township. Land was deeded to the Evangelical Lutheran St. Paul Church in March of 1902. This small cemetery of 26 graves was used by people of German descent. It is neatly trimmed and orderly with all the markers in good condition. One can find this cemetery by going 18 miles west of the Arkansas River Bridge on old Highway #50 (West Fourth Avenue) to the Huntsville Corner. From that corner, one should go 1 mile south and then  $\frac{1}{2}$  mile west.

#### 12-2 HUNTSVILLE CEMETERY

Huntsville Cemetery is sometimes called Pleasant View. It is located 16 miles west of the Arkansas River Bridge on old Highway #50 (West Fourth Avenue), then 1 mile north. It is in Huntsville Township SW Corner of SW $\frac{1}{4}$  Sec. 2-23-9. There are about 281 graves in this cemetery; the oldest grave is dated 1883.

12-3

Another old cemetery was indicated on an old Reno County map in NW corner of NE $\frac{1}{4}$  Sec. 4-23-9 in Huntsville Township, but a survey of this location does not show either a church or a cemetery and local residents could furnish no information. The map shows a St. Paul Lutheran Church was here; however, no land transactions were found. It could be possible that a church was located here at one time, while the cemetery was placed some distance from the church (see cemetery 12-1).

#### 13-1 MAPLE HILL-LANGDON CEMETERY

Maple Hill-Langdon Cemetery is located 1 mile east of Langdon, Kansas, in Langdon Township on the NE Corner of NE $\frac{1}{4}$  Sec. 28-25-9. It contains about 430 graves. A local resident said that at one time it was across the road and north of the present site. However, the researchers could learn of no reason for its having been moved.

#### 13-2 BAINUM CEMETERY

Bainum Cemetery is one of the few family plots in the county. Local residents said that the ten people buried here were related to each other and to the Bainum family. In 1883, Oscar Bainum was the first person to be buried. The cemetery is located in SE Corner of NE $\frac{1}{4}$  Sec. 14-25-9. This is 3 miles east and  $1\frac{1}{2}$  miles north of Langdon in Langdon Township.

#### 13-3 LANGDON CEMETERY (Old)

Old Langdon Cemetery was used by the community before Maple Hill Cemetery (13-1) was opened. It can be seen by going 4 miles east and  $2\frac{1}{2}$  north of Langdon in Langdon Township in the SE Corner of NE $\frac{1}{4}$  Sec. 12-25-9. The land was set aside for burial purposes by Julius Elliott on 18 December 1878. There are only about 35 marked graves in this little cemetery.

#### 14-1 PLEASANT HILL-DARLOW CEMETERY

Pleasant Hill-Darlow Cemetery is one of the oldest cemeteries in Reno County. The first plot of land was acquired by the German Baptist Church on 19 January 1887. The second plot was deeded by Enoch Eby on 13 August 1892. In 1917, the cemetery was expanded further by land transferred from the Rexroad estate to the Church of the Brethern. This active cemetery, in Lincoln Township, has about 393 graves. The legal description is NW Corner NW $\frac{1}{4}$  Sec. 34-24-6.

#### 14-2 LINCOLN TOWNSHIP CEMETERY

Old maps of Reno County indicate a cemetery was once located in NE Corner of SE $\frac{1}{4}$  Sec. 32-24-6 in

Lincoln Township. A survey of the area does not indicate a cemetery there at the present time. Nevertheless, a deed record of 3 November 1876 shows that John McCoy deeded a parcel of land 97 yards square to the trustees of the Lincoln Cemetery Association. A resident of the area, whose father owned the land at one time, said there had been a cemetery with 12 or more graves on it. When it was destroyed is not known, but it has been plowed over. There is no known record of the graves that were once on this plot.

#### 14-3 PLAINVIEW AMISH CEMETERY

The Plainview Amish burial plot is a part of the Plainview Amish Church ground. It is a relatively new cemetery with 13 graves; the oldest grave was placed there in 1962. Its location is 4 miles east of Partridge on the Partridge-Crupper Road in the SE  $\frac{1}{4}$  Sec. 7-24-6 of Lincoln Township.

#### 15-1 LITTLE RIVER TOWNSHIP CEMETERY

Little River Township purchased approximately 2 acres of land from Sarah Harvey for a cemetery. Although most of the people of the area belonged to the Mennonite Church, there were a few who did not belong and who did not wish to be buried in the Mennonite Cemetery. Hence, Little River Township used the land they had purchased to establish a cemetery open to anyone. Today it is not a large cemetery, but it is still active. It is located in the NE Corner of SE  $\frac{1}{4}$  of Sec. 14-22-4, which is 3 miles east and  $\frac{1}{2}$  mile south of Buhler.

#### 15-2 BUHLER EAST CEMETERY

Buhler East Cemetery, sometimes called Old Ebenezer Cemetery, is in the SW Corner of SE  $\frac{1}{4}$  of Sec. 12-22-4 of Little River Township. It consists of approximately 4 acres  $3\frac{1}{2}$  miles east of Buhler. Originally, 2 acres was purchased in 1887 by the Alta Mennonite Church. However, in 1906 the Ebenezer Mennonite Church acquired the 2 acre plot and purchased an additional 2 acres. It is not known whether there was ever a church at this site. At the present time it is used to augment the Buhler Municipal Cemetery.

#### 15-3 BUHLER MUNICIPAL CEMETERY

Buhler Municipal Cemetery, in Little River Township, was purchased and plotted in 1919. It consists of 4 acres in NW Corner of NW  $\frac{1}{4}$  of Sec. 16-22-4 at the northwest edge of the city of Buhler. This attractive cemetery has many cedar trees and large upright stones. However, there is very little space that can be purchased in this well-filled burial plot.

#### 15-4 THIESSEN CEMETERY (Old)

Thiessen Cemetery, in Little River Township, was a small family burial plot believed to have been started in 1893. At the present time it holds only 5 graves, two of which were moved from other locations on the Thiessen farm. Sometime ago the farm was sold and the burial plot was to be destroyed. However, members of the family purchased the small burial plot in 1977 and had a fence placed around it. It is in NE  $\frac{1}{4}$  of Sec. 17-22-4 at the edge of Buhler.

#### 16-1 SEGO CEMETERY

Sego is one of the many old cemeteries in Reno County. It is located in SW Corner of SE  $\frac{1}{4}$  Sec. 11-26-8, in Loda Township. One can drive to it by going 7 miles south from Highway #61 at Arlington on Highway #14, then going  $1\frac{1}{2}$  miles east. Or one can go 7 miles west of Pretty Prairie, 1 mile north, and then  $\frac{1}{2}$  mile west. This plot of land was transferred to Sego Cemetery Board on 23 July 1883; another section was added 8 August 1891. There are about 432 marked graves, and no doubt there are several unmarked ones. The researchers were unable to find anyone who could give the historical background of this cemetery.

#### 16-2 PLEASANT HILL CEMETERY

Pleasant Hill is a small old cemetery in the SW corner of SE  $\frac{1}{4}$  Sec. 6-26-8 in Loda Township. It can be found by going  $2\frac{1}{2}$  miles west from Highway #14 at a point 2 miles north of the Pretty Prairie-Lerado Road. Originally, land was transferred from J.W. Banks to the trustees of Pleasant Hill Cemetery on 2 March 1886. Another acre of land was acquired from William Cole on 7 Mar 1893 for a church building. Eventually the church was closed and the building moved. Many of the graves were moved to Lerado Cemetery (3-1). There has not been a burial at Pleasant Hill in the twentieth century. There was a new grave stone placed on the grave of the infant son of Wallace and Nancy Cole in May 1978, but the infant had died 12 February 1889. There are 5 graves stones with legible names and 3 with names so weathered they could not be read. At one time, Mr. McKinney, a neighbor who cares for the cemetery, installed 27 wooden crosses that he painted white where he thought there were unmarked graves.

#### 17-1 UNITED BRETHERN CHURCH CEMETERY

An old map of Reno County indicated a church, and possibly a cemetery, located in Medford Township at one time. The location was NE Corner of NW  $\frac{1}{4}$  Sec. 32-22-8. A visit to this site did not reveal

either a church or a cemetery. There was no local resident who knew about either. However, Reno County land records did show that land was transferred to the trustees of United Brethern Church on 22 June 1883.

18-0

This is the number assigned to Medora Township by the researchers, but this is one of two townships in Reno County that has no cemeteries.

#### 19-1 TURON CEMETERY

Turon Cemetery came into existence with Thomas Sabin's giving land to the Turon Cemetery on 4 July 1910. However, some of the earliest graves are dated 1904. More than 1,044 graves are in this burial plot. It is 1 mile west and  $\frac{1}{2}$  mile south of Turon in NW Corner of SW $\frac{1}{4}$  Sec. 8-26-10 in Miami Township.

#### 20-1 PLEASANT HILL CEMETERY

Pleasant Hill Cemetery is located on the edge of Cheney Lake in Minnescah Township which is in the south-east corner of Reno County. Its legal description is SW Corner NW $\frac{1}{4}$  Sec. 27-26-5. The land was purchased from Lorenze Birch by trustees of Pleasant Hill Cemetery Association on 9 March 1895. This well kept cemetery contains about 147 graves

21-0

This number was assigned to North Hayes Township in the northwest corner of the county; however, there are no cemeteries in this township.

#### 22-1 PLEVNA CEMETERY

Plevna Cemetery is located  $\frac{1}{2}$  mile west of Plevna in the NE corner of NW $\frac{1}{4}$  Sec. 16-24-9 in Plevna Township. The 1902 Historical Atlas of Plevna noted that 1 acre of land was donated to the St. Paul Lutheran Church in 1903 by a Mr. Spaniel, who was not a member of the church. According to Reno County land records, an additional 2 acres was purchased from J.L. Snyder on 18 December 1906. Although the church was closed and moved away, the cemetery, with its some 215 graves, has been well maintained.

#### 22-2 HAZEN CEMETERY

Hazen Cemetery is located 3 miles west and  $\frac{1}{2}$  mile south of Plevna in Plevna Township. It is in the SW Corner of NW $\frac{1}{4}$  Sec. 18-24-9. The cemetery holds about 182 graves, the oldest of which is dated 1872. Although it is maintained by Plevna Township, it is seldom used.

#### 23-1 MEMORIAL PARK CEMETERY

Memorial Park is probably the newest cemetery in Reno County, since it was opened by a private company called Cemeteries of America on 11 October 1927. It is a beautiful, well-groomed resting place for some 6,821 graves. This cemetery can be viewed by going west on old Highway #50 (West Fourth Avenue)  $1\frac{1}{2}$  miles west of the Arkansas River Bridge on what is known locally as 'Rayl's Hill'. The legal description is NW Corner of NE $\frac{1}{4}$  Sec. 18-23-6 of Reno Township.

#### 24-1 SCHOOLEY CEMETERY

Schooley Cemetery is located 5 miles north and  $1\frac{1}{2}$  miles east of Kingman, Kansas on the north side of the Kingman County-Reno County line in Roscoe Township. The cemetery is in the SE $\frac{1}{4}$  Sec. 33-26 7. Charles L. Schooley, who homesteaded this quarter section of land, gave 1 acre of land for burials after the death of a small boy. The boy was Richard Brown, four years old, who died from a rattle snake bite in 1880. By 1885, two other of the Brown's children were buried in this plot. As the years passed, this small cemetery, which held 8 graves, became obscure and little used.

In 1964, two sisters, Malinda (Crotts) Peterson and Lillian (Crotts) French, charter members of the Reno County Genealogical Society, found the grave of their grandmother in this almost forgotten cemetery. In August of 1964 members of the families who had relatives buried in this cemetery, including the Brown Family, met and discussed plans for renovating the cemetery. Mrs. French and Mrs. Peterson were able to secure a Warranty Deed from the surviving member of the original Schooley Family, W. Thomas Schooley, in 1964, who deeded the tract of land for the cemetery to Roscoe Township. The Brown Family seeded the ground and the Crotts sisters had a chain-link fence placed around the tract, placing a bronze plaque on the fence identifying it as the "Schooley Cemetery".

#### 25-1 SALEM CEMETERY

There are about 149 graves in Salem Cemetery in the SW Corner of SW $\frac{1}{4}$  Sec. 19-22-7 in Salt Creek Township. One can find it by going 3 miles west and 2 miles south of Nickerson, Kansas. This obscure small cemetery is surrounded by cedar trees behind the parsonage of the Salem Church. This church is on the west side of the road west of the parsonage.

#### 26-1 SAINT JOSEPH CATHOLIC CEMETERY

The small community of St. Joe contains a school, a large Catholic church, and the Saint Joseph Cemetery. St. Joseph's church has been a land mark in the southeast corner of Reno County for many years. The cemetery is not visible from the road, since it was placed at the back of the church property. It is quite old; some of the grave stones have dates more than 100 years old. Many of the names show the people were of German descent. Although about 380 graves have been recorded, the cemetery has room for many more. It is located on the NE corner NW $\frac{1}{4}$  Sec. 35-26-4 in Sumner Township. One can find it by going 10 miles south and 2 $\frac{1}{2}$  miles east of Haven, Kansas.

#### 26-2

A small cemetery is located in the SW Corner of NW $\frac{1}{4}$  Sec. 14-26-4. One can find it on the east side of the road 2 $\frac{1}{2}$  miles north of St. Joe in Sumner Township. This unused, unkept cemetery with 4 marked graves is over-grown with grass taller than some of the grave markers. No one in this area seems to know the name of the cemetery, nor how long it has been there. One resident told of a farmer who attempted to stack hay on the plot, but the neighbors objected. As a result, the hay was removed and the fence replaced.

#### 26-3

An old county map showed a church and possibly a cemetery were located in Sumner Township on the south side of Sec. 34-25-4, 5 miles south and 1 $\frac{1}{2}$  miles east of Haven, on the parallel road. There is no evidence of either a church or a cemetery there now. The researchers could not find anyone who remembered them. Possibly there was a church, many years ago, that did not survive, but very few cemeteries are lost completely as churches are.

#### 26-4

In the NE Corner of SE $\frac{1}{4}$  Sec. 32-25-4, in Sumner Township, there is a plot of ground surrounded by a row of cedar trees which would seem to indicate a cemetery was here at one time. Now, there is a dense covering of tall weeds, but the researchers, after an intensive search, did not locate any grave markers. Some residents said that long ago there were graves that were removed to other cemeteries.

#### 27-1 SYLVIA CEMETERY

The Sylvia Cemetery is 1 mile east of Sylvia in the SW Corner of SE $\frac{1}{4}$  Sec. 14-24-10. In August 1890, William A. Rice deeded 4 acres to the Sylvia I.O.O.F. Lodge for burial purposes. This large cemetery in Sylvia Township contains about 665 marked graves.

#### 27-2 UNITED BRETHERN

An old Reno County Atlas indicated that there was a church and possibly a cemetery located on the SE Corner of SW $\frac{1}{4}$  Sec 36-24-10 of Sylvia Township. No evidence of either a church or a cemetery could be found at this location. Local citizens could give no information. Further, a search of the county land records did not show any property at this location ever having been in the name of a church.

#### 28-1

This cemetery consists of a tract 12 square rods, located in the SE Corner of the SW $\frac{1}{4}$  of SW $\frac{1}{4}$  in Sec. 10-25-7 in Troy Township. It is generally known by residents of the area that the cemetery was fenced and bordered with trees, and at one time there were burials. At present, there is no evidence of a cemetery.

#### 28-2 BAKER CEMETERY

Baker Cemetery is a tract of two acres that was given for a burial plot by Fredrick W. Baker to Samuel Slack and trustees on 16 April 1878. It was located in SW Corner of SE $\frac{1}{4}$  Sec. 22-25-7 in Troy Township. Unfortunately, this cemetery has had no care for several years. There is evidence of nineteen graves, but most of the stones have fallen down or have been carried away.

#### 29-1 VALLEY CEMETERY

The property deed for Valley Cemetery was transferred to the Valley Cemetery Association on 18 April 1888, from John Reed. The location is unique in as much as it is located in the center of the section, NW Corner of SE $\frac{1}{4}$  Sec. 22-24-4 of Valley Township. A local citizen told the researchers the reason for this strange location. The body of an old trapper was found along the Arkansas River. Those who found him asked a landowner if they could bury the trapper on the owner's land. The owner gave his consent with the condition that they bury the trapper in the corner, so that the owner would not have to plow around the grave. Thus the location was determined, and later other bodies were buried there. Eventually, the plot was set aside for a formal cemetery. Now there are about 197 graves in Valley Cemetery.

### 30-1 STERLING MENNONITE CEMETERY

The Sterling Mennonite Cemetery was laid out 23 October 1892 by Isaac Zimmerman in the name of the Defenceless Church. The cemetery is located 9 miles west and 4 miles south of Nickerson in Walnut Township. The legal description is SE Corner SE $\frac{1}{4}$  Sec. 36-26-9. This cemetery, with about 327 graves, is active and well tended.

### 30-2 PEACE VALLEY CEMETERY

In April 1886, land was bought from Robert Avery by the Peace Valley Cemetery Association to be used for the cemetery called Peace Valley. Now there are about 185 marked graves; the oldest grave is dated 29 January 1887. Peace Valley Cemetery is located in the northwestern part of Reno County in Walnut Township; SW Corner of NW $\frac{1}{4}$  Sec. 11-22-9.

### 31-1 ABBYVILLE CEMETERY

Abbyville Cemetery is a well-groomed active cemetery  $\frac{1}{2}$  mile north of Abbyville in Westminster Township. Its legal description is NE Corner of SE $\frac{1}{4}$  Sec. 9-24-8. Ephram Bridgeman transferred this tract of land to the Abbyville Cemetery Association on 24 June 1901. At the present time, there are about 261 graves in this cemetery.

### 31-2 WESTMINISTER CEMETERY (Old)

(Old) Westminster is an inactive cemetery that has been neglected for several years. Most of the stones are lying on the ground. One large upright stone is probably the reason the plot has not been plowed. This cemetery is located 3 miles north and  $\frac{1}{2}$  mile east of Arlington, or 2 miles south and  $1\frac{1}{2}$  miles east of Abbyville. The legal description is NE corner of NW $\frac{1}{4}$  Sec. 26-24-8 of Westminster Township. A neighbor has noticed that almost every Memorial Day, a family comes to decorate one of the graves. The researchers found only 5 graves; however, there could be others.

### 32-1 FAIRVIEW-ELMER CEMETERY

Fairview-Elmer Cemetery was originally a small plot of land on the homestead of Warren F. White. His son George H. White, seven years old, was the first person to be buried there in 1873. In 1880, Warren White, fifty years old, was buried there also. After this date there were trustees for the growing cemetery who surveyed and plotted the land. The record book noted that lots were selling for \$3.00 each in 1883. Sarah White, Warren White's widow, deeded the plot to the Fairview Cemetery Association in 1888. The cemetery is in the SW Corner of NW $\frac{1}{4}$  Sec. 17-24-5 in Yoder Township. It is one mile east and  $\frac{1}{2}$  mile south of the very small community of Elmer.

### 32-2 YODER AMISH CEMETERY

Yoder Amish is a small cemetery  $1\frac{1}{2}$  miles east of Yoder in Yoder Township. The legal description is SW Corner of SE $\frac{1}{4}$  Sec. 23-24-5. It is a neat, small cemetery with about 320 graves. All the markers are identical small, white, round-topped stones placed in orderly rows.

### 32-3 LAUREL CEMETERY

Laurel Cemetery is 1 mile south and 1 mile east of Yoder in Yoder Township. Although this is near an Amish community, it is not an Amish cemetery. It is probably, however, that some Amish people have been buried there. The legal description is SE Corner of SW $\frac{1}{4}$  Sec. 26-24-5. Despite the fact that there is a stone bearing the date September 1875 for a Ulysses Hamilton, infant, the official date for the beginning of the cemetery is 1890. This active cemetery has about 778 graves.

### 32-4 YODER MENNONITE CEMETERY

The Mennonite Church and Cemetery are located 1 mile north of the town of Yoder in the NW Corner of NW $\frac{1}{4}$  Sec. 22-24-5. It is a comparatively new cemetery since it was started on 4 December 1920. Probably it was planned at the same time as the church. Its graves contain the people of Mennonite faith in this area.
