"A" TEAM

The "A" team had a successful 12-9 season. Injuries were key factors in the defeats as Richard Raney was lost early on a knee operation and Bryan Stensaas late in the season with a broken hand. Joyce Jackson's hustle and rebounding and Larry Fogelberg's sharpshooting led to many of the victories. Jack Graham led in rebounds. The Swedes tied for 5th in the league and won Consolation in the League Tourney. Richard returned the week of district and valuably assisted the team to the District Championship. Advancing to Regional play at Blue Valley they were defeated by Durham in the first round.

The "B" team won the Pike Trail League Championship and had a 10-6 record.
