HOW TO READ YOUR DIRECTORY

Farmers' names are listed alphabetically by last name, followed by first name or initial, post office address, route number and name of township -- then comes the section number and "O" or "R" for owner or renter.

Following is an example of the method used:

- They know that their investment will pay dividends by continuing the spirit of good will, confidence, and co-operation between the business man and the farmer.

- The SPONSORS of this book — the ADVERTISERS — can supply your requirements with the best in quality, price and service. The fact that they stand behind their product with their signature is proof of their integrity. . . . When buying mention your "FARM DIRECTORY" to them.
