POTPOURRI

CLINTON CO. OHIO NEWSPAPERS, Death and Obituary Abstracts 1838-1867, Compiled by Larry D. Mart, 621 Fairfield Dr., Lima, Ohio 45805, 1973, 68 pages. Material abstracted from Democrat and Herald, Clinton Republican, Herald of Freedom and Clinton Republican newspapers. Book is well indexed, which is valuable, paper cover, plastic spiral bound, available from compiler for \$5.00 postpaid. For those who have people from this location this is a little gem.

A Partial History of Certain MASTIN-RATHBUN-DYE Families, compiled by Victor E. Mastin, 4107 Forest Ave., Des Moines, Ia. 50311, 98 pages, paper cover, metal Acco fastener. No index, well documented. A Unique feature of this book is that it is so made that you can add or subtract Family Group Sheets which make up about half the contents of the book. It uses regular Everton Family Group Sheets. Available from compiler at \$6.00 per copy or \$5 each if more than one to the same address. These people were from Montgomery Co., Ks. mainly, but some were in other parts of Kansas as well.

Ohio Land Grants, prepared for the schools of Ohio by Jos. T. Ferguson, Auditor of the State. A short history of Ohio's beginnings as a State. An invaluable portion covers the openings of Ohio land grants, when, where, names and who was eligible to obtain them. Available free from Auditor of State of Ohio.

How to Trace Your Ancestors in Norway, a pamphlet helpful to those doing research in Norway. All the above are now available in Rankin Library.

According to Tri-State Trader "Genealogy Today" is a defunct firm but is still selling the magazine, books etc. out of Arlington, Va. The authority is Consumer Protection Commission in Arlington. Seems they still advertise, cash all checks and forget to send any merchandise. So beware.

Mrs. Ruth Hush, Box 1077, Forsythe, Mo. 65653 called to say that she is editing a publication devoted to ROBERTSON-ROBERSON-ROBBISON families, \$15 for 10 issues and access to thousands of index cards and records. She also said that the Columbia, Mo. Library has a marvelous historical and genealogy section and have helpful people.

With the holiday season the work on the census has somehow sort of taken a backseat. But it is almost done copied from the micro-film. Now the problem is how the reproduction is going to be done is the burning question of the hour.
