The meetings of the Heritage Genealogical Society are held the fourth Friday of each month except December at 7:30 PM in the meeting room of the W. A. Rankin Memorial Library, 502 Indiana, Neodesha, Kans.

A single membership fee of \$4.00 is charged for one year, which entitles one to receive four quarterlies, access to all exchange quarterlies, attendance at meetings, and free queries. Two members of the same family may join and receive one quarterly for \$6.00. Membership by mail is \$5.00 per year. The membership year runs from June 1 through May 31.

The Heritage Genealogical Society Quarterly is published in July, October, January, and April. The publication is free to members or sells for \$1.50 per copy. All material submitted for publication must be received by HGS, P. O. Box 73, Neodesha, Kans. 66757, one month prior to next publication date.

Neither the editor nor the Society accepts responsibility for the correctness of the material supplied by contributors.

The year's quarterlies are indexed in the last issue of the year by surname only, and then only those names which are not already listed alphabetically in the article in which they are contained.

POTPOURRI

There is a lot of good coming from our Bicentennial year. Many people are stimulated to "think" historically. This leads on to interest in family customs, background and legends. We need this to strengthen our family ties which are weakening due to our loved ones moving to other regions to seek employment in large industries.

Have you noticed how the arts and crafts festivals are growing each year? Interest in pioneer crafts comes from historical curiosity. It stimulates creativity and leads to research. How rewarding to see children of all ages working side by side with the older generations to put these crafts festivals together. They are delving into ancestry and finding more about the experiences of those who have gone before us.

Share these finds with us. Write up your family histories, their experiences in building up this new country of ours. It's a great country and it was the people who made it so. Let us add these to our quarterly.

When a cousin asked us to send the diary of my husband's grandfather which was written from 1890 to 1904 we hesitated due to some past experience of losing valuable family history. We finally sent it, and yesterday we were rewarded with typed copies for ourselves and our two sons, all in plastic covers. She was so appreciative of the opportunity to have access to this material and we felt the thanks was due her for the wonderful job she had done in preparing it so nicely that it will be better preserved.

We have completed our Betty Crocker Coupon Project and received a check for \$60.00 which we applied towards the purchase of Egle's Notes and Queries, which is invaluable to researchers looking for ancestors in Pennsylvania. Thanks to all who helped with this project.

Great news! The Heritage Genealogical Society's sponsor, the W. A. Rankin Memorial Library, announces its Bicentennial Project fund for microfilming the Neodesha Register from Nov. 1883 to 1974 inclusive has gone over the top. There is enough money left to pay for the next few years, or at least one reel. Those who have donated to this know how important it is to genealogy to preserve happenings of past years. Do come to the library and read some of these old newspapers on the microfilm reader and see how interesting it is. You might find an ancestor!

Do you read Willard Heiss's "Genealogy" which is published monthly? (By the Indiana Historical Society.) There is so much information in it. I was particularly interested in Kentucky. Their Historical Society has a wealth of material and equally important is the Kentucky Archives, Dept. of Library and Archives, Div. of Archives and Records, 851 E. Main St., Frankfort, Ky., which now houses county records that have been retired or transferred from various court houses. (April, 1975 issue.)
