The meetings of the Heritage Genealogical Society are held the fourth Friday of each month except December at 7:30 PM in the W. A. Rankin Memorial Library, 502 Indiana, Neodesha, Kans.

A single membership fee of \$4.00 is charged for one year, which entitles one to receive four quarterlies, access to all exchange quarterlies, attendance at meetings, and free queries. Two members of the same family may join and receive one quarterly for \$6.00. Membership by mail is \$5.00 per year, which runs from June 1 through May 31.

The Heritage Genealogical Society Quarterly is published in July, October, January, and April. The publication is free to members or sells for \$1.50 per copy. All material submitted for publication must be received by HGS, P. C. Box 73, Neodesha, Kans. 66757, one month prior to next publication date.

Neither the editor nor the Society accepts responsibility for the correctness of the material supplied by contributors.

The year's quarterlies are indexed in the last issue of the year by surname only, and then only those names which are not already listed alphabetically in the article in which they are contained.

POTPOURRI
APRIL, 1976

Have you been with us when we have a work night at the regular monthly meeting time? It's lots of fun, and we do get a lot of work done in spite of the talking, kidding, and gossiping as we scurry around and around the table assembling the quarterly, or cut out obituaries, and the 22-44-66-88-Year Ago columns from the weekly paper to paste in notebooks. It is hard not to take time to read about those times. Come join us--we do need you!

It has been called to my attention that available material of interest to genealogists should be mentioned in this column from time-to-time.

"Notes and Queries" by Egle, which was purchased with the Betty Crocker coupon money has a number of volumes and is of value to those seeking ancestors in Pennsylvania. The "Index for Old Kentucky Surveys and Grants", which was prepared by the Kentucky Historical Society, contains names of many Virginians and Kentuckians, and gives the original book and page number, and the grantee and grant date. "Index to the 1820 Federal Census of Kentucky," and "Index to the 1840 Federal Census of Indiana" are new additions in our library.

Material we have on hand and mentioned before include the index to the 1880 Wilson Co., Kansas census (also the microfilm of the census from which the index was made), names of people indexed in the Wilson County Register of Deeds office if death date is given in deeds, a list of pioneer families in Wilson County, the City Directories listed in the back of each quarterly, microfilms of the Neodesha Register (mostly a weekly paper) from 1883 to 1974, inclusive, some newspaper clippings giving obituaries, and the wonderful book "Wilson County, Kansas Marriages 1864-1900". This book gives additional information than that being run in the quarterly of the marriages. More names of parents are shown.

If your ancestors were truly Scotch-Irish, you are almost assured they have a Presbyterian connection. Presbyterians are a tightly organized congregation. The congregations form Presbyteries, Presbyteries make up the Synods, and the whole head up to a General Assembly. The first General Assembly was held in America in 1789. There would not be much genealogical information available through affiliation with this religion, probably. Lists of members might be kept indefinitely in some churches. Early minutes might be fruitful.

STAR CEMETERY
NEAR NEODESHA, WILSON COUNTY, KANSAS
(Turn East from Highway 75 on First Road
South of Buffville Corner)

Copies from a book in the possession of Carl Johnson, Thayer, Kansas, by Marilyn Barrett, of Winona, Kansas. As with any records of this nature copied by different people there is a chance of error which we would regret, of course. We are just grateful to have a chance to publish this material without the necessity of personally researching the cemetery. These cover only the oldest graves according to my understanding. Some lots are shown as merely purchased and evidently never used.

The abbreviations used are as follows: Pur. means that individual purchased the lot, b. stands for birth date, d. is death date, and bur. means buried.
