WRITE YOUR LIFE STORY IN SEVEN DAYS!

(This article was copied from the periodical of the Smithsonian Institute.)

No one can write your personal history as well as you can. Every life is important and different. A written story will bring satisfaction to yourself and pleasure to your descendants.

Following are 7 topics to remind you of facts that may be included in your sketch. Write one each day and in one week your life story will be complete (to date anyway!) See how easy it is!

1. YOUR NAME IN FULL. Was it "made up" or did you inherit it? If that middle initial stands for some weird name, don't fight it, record it!

- a. BIRTHDATE: Day, month, year, house or hospital; town, county, state or country.
- b. FATHER'S NAME: His date and place of birth, and name of his father, maiden name of his mother.
- c. MOTHER'S NAME: Her maiden name, date and place of birth, name of her father, maiden name of her mother.

2. RELIGIOUS AFFILIATION:

- a. Where were you christened or blessed? Baptized? Married?
- b. Did your ancestors come to this country for religious freedom?
- c. Has religion influenced your life? Recount any interesting or faith promoting experiences.

3. CHILDHOOD MEMORIES:

- a. Record adventures, accidents, thoughts, amusing incidents. How did you earn your first money? What was your childhood ambition? Did you take oboe lessons or learn to tap dance?

4. HOME LIFE:

- a. Did you have "chores"? What are the names and birthdates of your brothers and sisters? How many homes have you lived in? Where? Were you ever punished? Recount a happy memory. What did your parents tell you about your ancestors?

5. SCHOOLING:

- a. Describe the schools you attended, awards you received. Were you on the track team or a participant in school plays? Did you have a job to help pay your way? What books and teachers impressed or influenced you?

6. EARLY ADULTHOOD:

- a. Do you remember your first date?
- b. Tell about your courtship days. Your children will enjoy this almost as much as you did!
- c. Were you married during war, peace, depression?
- d. What were some of your favorite sports, movies, amusements, heroes, hobbies?

7. YOUR OWN FAMILY:

- a. Tell about your children. This subject is good for several pages.
- b. Make a general health record, including sicknesses, accidents and hereditary tendencies.
- c. Recall amusing incidents connected with raising a family.
- d. Have you unfulfilled ambitions?

The meetings of the Heritage Genealogical Society are held the fourth Friday of each month except December at 7:30 PM in the W. A. Rankin Memorial Library, 502 Indiana, Neodesha, Kans.

A single membership fee of \$4.00 is charged for one year, which entitles one to receive four quarterlies, access to all exchange quarterlies, attendance at meetings, and free queries. Two members of the same family may join and receive one quarterly for \$6.00. Membership by mail is \$5.00 per year, which runs from June 1 through May 31.

The Heritage Genealogical Society Quarterly is published in July, October, January, and April. The publication is free to members or sells for \$1.50 per copy. All material submitted for publication must be received by HGS, P. O. Box 73, Neodesha, Kans. 66757 one month prior to next publication date.

Neither the editor nor the Society accepts responsibility for the correctness of the material supplied by contributors.

The Year's quarterlies are indexed in the last issue of the year by surname only, and then only those names which are not already listed alphabetically in the article in which they are contained. They may appear more than once on the pages listed. Check all possible spellings.

PAY DUES IN JUNE!

POTPOURRI

APRIL, 1977

Our December meeting was a covered dish supper to honor Claire and Frank Ramsey. They have sold their home and purchased a travel trailer, and will spend many happy days traveling and studying records for family research. Of course, this will include a trip to Salt Lake City. Claire says she is going into the library there and never coming out. How we envy them! And, oh how they will be missed. They were the ones who launched our society on its way and spent hours at the library getting our material organized, and putting the quarterlies together.

Please think of the few of us left to do the work and come to our aid. Just one or two hours a week would be a great help. If you can type that is great, if not, there are many other tasks which take time, such as keeping our obituary notebooks up to date, filing, helping with queries, contributing articles or genealogical material to be placed in the quarterlies. Contact Flossie for she knows best where we need help. Also we need those who can go to Fredonia to copy records from the Courthouse. We have done much but there is much more to be done. We want to help everyone as we would like to be helped.

Many who have Indian ancestors are at a loss as to what to do if they seek information. Now there is a Metis Genealogical Society, the first of its kind to furnish mutual aid and assistance in genealogical research regarding the North American Indian. "Metis" is a French word derived from the Latin *Missere*, "Literally to mix". Originally, the word was applied to only those persons of French and Indian ancestry, but later was used loosely to refer to all persons of mixed Caucasian and Indian blood, in the place of the phrase "half breeds". For more information read Willard Heiss' "Genealogy" for Jan. 1977, which we have in our library or write the Eastern Washington Gen. Soc., P. O. Box 1826, Spokane, Wa. 99210, or Metis Genealogical Interest Group, c/o Mrs. Harold Melion, S. 1433 Maple St., Spokane, Wa. 99203.

The members were asked to summarize the year's activities of their families at the January meeting, and to continue to do this on a yearly basis to add interest to their family histories.

"Write Your Life Story in Seven Days" was the heading for a sheet handed to each of those present at the February meeting. It gave an outline to follow in writing the story. Members were urged to write during the meeting, as our intentions are always good, but manana is always better with the result it never gets done. Encourage the older members of your families to do this also, because all too often we hear "If I had just listened when Grandma wanted to tell about her life". Now is the time--tomorrow might be too late!

IDENTIFY YOUR FAMILY PICTURES!

Another frustrated genealogist--she fell heir to the family pictures and there wasn't a name, date, or place on any of them. DO IT NOW!

Check your family Bible for places, as well as names and dates. Relationships are also important.

Summarize your year's activities each year to add interest to your family history.

Have the older members of your family write the story of their individual lives to add to your family history also. It will be interesting to see how each generation lived.
