ACKNOWLEDGEMENTS

A special thank you to the Wyandotte County Court House for allowing me to copy these records.

Joan Kusek

The following records were extracted from the Index to Wyandotte Co., KS Final Naturalizations, 1859 through 1947. The original records are located at the Wyandotte Co., KS Courthouse, 708 North 7th, Kansas City, KS 66101.

This book contains records of individuals who were naturalized or turned down for naturalization.

Please note, that every effort has been made to eliminate spelling errors. However, with any record of this kind we must realize that some of our ancestors couldn't speak fluent english. The clerks would often have to spell the names as they sounded. Also, many of our ancestors would later change the spelling of their name. Keep this in mind when using these records.
