

Deakin's Survey 1788			
Record of the Settlers entitled to preemption's on the reserved land westward of Fort Cumberland in Washington County containing the numbers and valuation of their lot as determined by the Commissioners arguably to an act of the General Assembly passed November, 1788. Act also directs that a preference should be Given to those settlers to purchase 636 lots by them respectively settled , to be discharged in three equal annual payments in the years 1789, 1890 and 1791: in default of any payment the land should be liable to proclamation by any citizen of Maryland.
