FOREST-LLEWELLYN CEMETERY

RICH IN KIRKSVILLE HISTORY (By Mrs. Elizabeth Laughlin)

Forest-Llewellyn Cemetery lies between Osteopathy and Centennial Streets, Missouri and Washington Streets to the North of KCOM. It is a lovely sight of rolling hills with many large oak trees.

According to Violette's History of Adair County, the cemetery was begun with the burying of a traveler who died while visiting in Kirksville. On August 31, 1846, Jesse Kirk, the man for whom Kirksville was named, was buried near the grave of the traveler and thus this area became a public burying ground. In 1878, Judge Slingerland laid off an addition to this cemetery and in 1878, Judge Jacob Sands laid off another addition.

Over the years, the Beeman, Sherwood, Oakland, Llewellyn, Bestman and Eggert additions have added to what is presently known as Forest Cemetery South of the Harrison Street entrance and Llewellyn Cemetery to the North. The original old city cemetery is on the South and West of the Baird Vault.

In 1906, a Forest Cemetery Association was formed and incorporated for the purpose "To care for, keep and maintain Forest Cemetery and any other adjacent cemeteries designated by the group, to beautify, decorate and fence, to secure safe and passable streets and any other act looking toward the proper maintenance of said Cemetery."

Persons involved in this incorporation were Robert Clark, J. M. Kennedy, Mrs. D. C. Pierce, Mary M. Pickler, Mrs. Charles V. Miller, Mrs. Russell McKeehan, Mrs. Clara Baxter, J. F. Eckert, Carrie Kennedy, Anna R. Still, Minnie Fowler, Harry Purl, J. W. Martin and Mrs. Ada Fout.

According to an article in the Daily Express on May 10, 1943, "up until 1906 the street leading to Forest Cemetery was in such a condition that in wet weather it was impossible to take horse-drawn vehicles farther than the Wabash Railway."

With the object of paving streets leading to the cemetery and through the cemetery, the Cemetery Improvement Association was formed. The following women were volunteer members of the first group: Miss Emma Kent, Mrs. Hallie Millen Porter, Mrs. George Laughlin, Mrs. Charles Still, Mrs. Jack Fowler, Mrs. Charles V. Miller, Mrs. J. M. Kennedy, Mrs. C. J. Baxter, Mrs. Mary Pickler, Mrs. W. G. Fout, Mrs. Russell McKeehan, Mrs. N. E. Matlick and Mrs. Robert Clark.

At that time, the cemeteries West of town were a mass of tangled weeds and tumbled tombstones. Through the efforts of these women, \$1,000 was raised and practically every man and woman in Kirksville cooperated with them.

They gave a dinner and the men put on a Mother Hubbard ballgame. With the money they made a \$1,000 down payment on \$3,000 worth of paved streets. Later, walks and drives were improved. The women continually kept at it by solicitation and serious money raisin' entertainments until they had saved the money to pay for all of the improvements. Their attention was then turned to the care and beautification of the cemetery. Tombstones were straightened and the weeds were cut, grass seed was planted and kept mowed. Flower beds were placed in different parts and a permanent caretaker was employed.

During this money making campaign, the women held a crossroads fair on the public square and a farmers day. Contributions were mailed from many people who had moved away, who expressed their appreciation in this way.

Much work was done through the years, such as setting out shrubs and flowers, widening the driveway and putting in the turn-around drive through Forest Cemetery. Other ladies responsible for this work besides those previously mentioned included Mrs. Philip Fowler, Mrs. Claude Bailey, Mrs. C. D. Becker, Mrs. Mae DeWitt Hamilton and Mrs. Karl Miller. Philip Fowler and George England assisted with the incorporation.

In the early 1940's much work was done to bring the plats up to date, noting changes in lot ownership or removal of bodies to other cemeteries. Miss Gladys Tull, Miss Dola Caldwell, Horace Mills and Roy Anderson served on the board and as officers along with Mrs. Becker, Mrs. Matlick and Mrs. Fowler. War bonds were sold as part of a plan to provide permanent care in the future.

During later years, Elizabeth Esterline, Mary Jane Denslow, Randolph Davis, Dorothy Powell, Mrs. Homer Propst, C. D. Bailey, Dr. Clifford Henry, Col. Rieger, Mrs. Frank Funk, Mrs. S. W. Arnold, Mrs. Florence Buckingham, Carol Eggert, Fred Luman, Manville Corathers, W. P. Bondurant, Don Castle and the Rev. Ralph M. G. Smith served as officers and board members of the Cemetery Association.

In 1947, Dr. William Schickhardt of Kansas City, provided funds to place the gates at the Harrison Street entrance to the cemetery as a memorial to his wife, Allie Hecker Schickhardt, and his mother and father.

At that time, the City Council vacated the part of Harrison Street inside of the cemetery at the request of the Cemetery Association.

In 1956, a new plat of the cemetery was made. In 1957, new water lines were installed in the cemetery.

In 1962, the Cemetery Association asked the city to assume responsibility for the cemetery due to the continuing problem of vandalism and the increased difficulty of getting adequate maintenance done.

In April of 1974, a reorganization of the Cemetery Association was made. Elizabeth Laughlin became President; Florence Buckingham, Vice President; Emma Lou Shain, Secretary; Frances Jones, Treasurer and Mr. and Mrs. Ralph Chaney, Board Members.

During 1974, the Phi Lambda Chi Fraternity was hired to remove dead trees and do raking and general cleaning up of the cemetery. Obtaining a regular, dependable custodian proved very difficult, but the cemetery looked better than it had the last few years.

In February of 1975, the Association met and decided to appeal to the City Council of Kirksville to assume responsibility for the cemetery. In order to do this it was necessary to establish ownership since the cemeteries had grown haphazardly over the years and deeds were not always recorded.

An abstractor was hired and legal counsel to file a quiet title suit so that the legal bounds and ownership could once and for all be established. This action was taken and on April 7, Judge Normile established that the City of Kirksville does legally own all of the lands now called Forest-Llewellyn Cemetery.

The ordinance provides that \$20,000 now held by the Cemetery Association will be given to the City of Kirksville as an Endowment Fund. According to state statutes, this money must be invested and cannot be itself used. Interest from this fund, approximately \$1,200 per year, will be used to help defray the cost of maintenance at the cemetery.

The Cemetery Board does further agree to pay to have the stones at the cemetery put back up and straightened and to provide a walking and a riding mower for use at the cemetery.

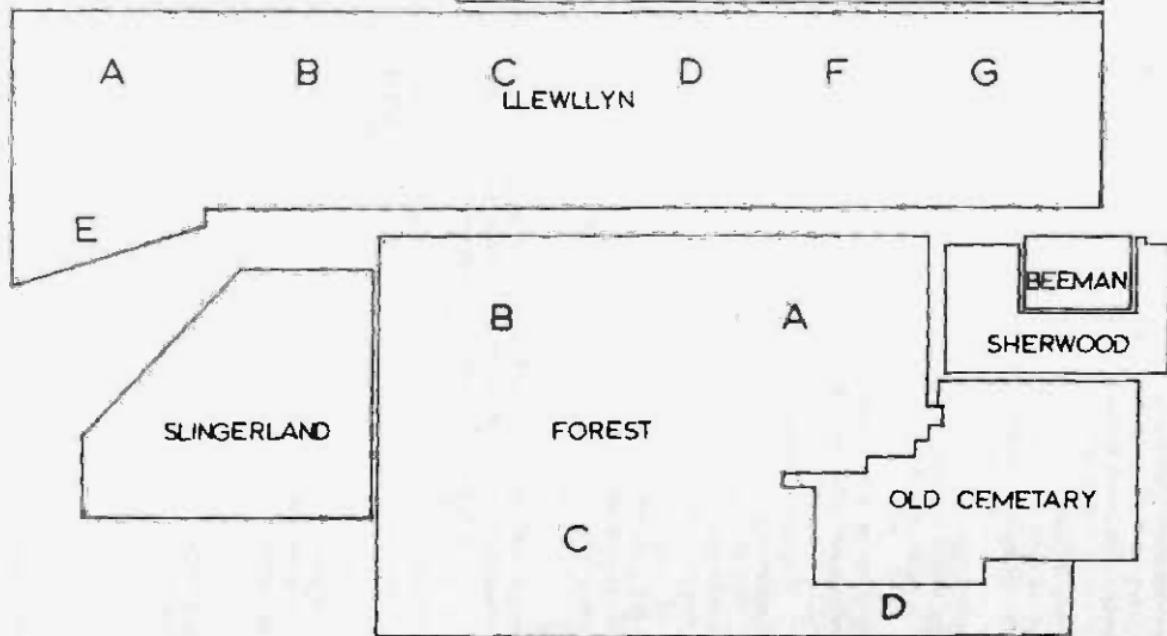

There are at least 800 lots available for sale in the cemetery, mostly in the Eggert addition near Missouri Street. Money from the sale of these lots will also go into the Endowment Fund.

It is believed by the members of the board that many persons who have relatives buried in this cemetery will want to contribute to the Endowment Fund to insure the adequate care of this cemetery in the future and so that it will not be a burden to the city taxpayers.

Early college presidents and teachers rest there and Civil War soldiers share a grave there. For many others, soldiers and war nurses it is a final resting place. Early doctors, including A. T. Still, whose choice of Kirksville for the development of the osteopathic concept made our city known around the world. Early lawyers, judges, legislators, bankers, merchants, lie there too.
