These records were copied from the original marriage book in the Recorder's Office at Carthage, Mo. The records are old and faded and the spelling and handwriting is poor. We have tried to copy the names and dates as they appeared. We do recommend that you check the various ways your surname could be spelled.

In our book, the marriages are listed in the order in which they appear in the original record. The page numbers in our index refer to the original marriage book page numbers. In the upper right hand corner of each sheet, we show the original record page numbers listed on that sheet. We hope this will enable you to quickly find the index page numbers.

Sometimes marriages were recorded several years after they were performed. The date span on our cover is merely to give you some idea of what may be found in this volume.

A key to the name (number) of the minister or justice performing the ceremony follows the marriage records. These names are in alphabetical order and are not included in the index.

N O T I C E !

All information of genealogical interest has been abstracted from the original Marriage Books at the Jasper County, Missouri Courthouse at Carthage, Missouri.

The date span on our covers may show an overlap of years, as some marriages were recorded several months or even years after they were performed. For some unknown reason, Volume E contains 55 marriages performed during 1880 and 1881. Our Volume E date span reads "1873 - 1881" but does not contain ALL of the marriages performed in Jasper County, Mo. between these dates. For clarification of dates recorded in each Marriage Book, we submit the following information:

<u>Marriage Book</u>	<u>Number of Marriages</u>	<u>Earliest Date</u>	<u>Latest Date</u>	<u>Our of Order/or Miscellaneous Recorded Dates</u>
Vol. A	621	11 Feb 1841	20 May 1856	
Vol. B	355	22 Dec 1855	17 Sep 1861	
No marriages recorded 1861 to 1865 due to Civil War.				
Vol. C	647	27 Jun 1865	22 Dec 1870	1 for 1851; 2-1861 1 for 1862
Vol. D	642	23 Sep 1870	1 Jan 1874	
Vol. E	616	4 Jul 1873	16 Jun 1881	1 for 1868; 55 for 1880-81
Vol. F	1197	15 Nov 1874	9 Feb 1879	

IN THE FRONT of some of our Volumes we have included two sheets which list 21 marriages performed between 1876 and 1912. These were found written in an old book and may never have been recorded, or perhaps were recorded in later years.

JASPER COUNTY, MO. MARRIAGES

Taken from a small old book, the pages of which are brittle and the handwriting is faded. These marriages were written and signed by the Justices of the Peace listed below. All of the Justices apparently were from Jackson Township. These marriages may have been recorded in later years.

A number will be given for the Justice of the Peace who performed each ceremony:
