HOW TO READ YOUR DIRECTORY

Farmers' names are listed alphabetically by last name, followed by first name or initial, post office address, route number and name of township -- then comes the section number and "O" or "R" for owner or renter.

Following is an example of the method used:
Thomas Lynn Mil. 2 R.O. 21 O
(Last Name) (First Name) (P.O. Address) (Route No.) (Township) (Section No.) (O or R)
