Zebedee was survived by his widow, Cynthia, and several children; a brother: W. K. Spearman and a sister: Cornelia B. Spearman. He had been a charter member of the Brumley G.A.R. Post #425 since its organization in 1887 and was honored by his many Civil War comrades at his death. News Article/Obituary: Miller County Autogram-Sentinel, March 27, 1975

Tracy G. Luttrell, Jan. 30, 1963-March 14, 1975

Thursday morning, March 13, fire struck the home of Mr. and Mrs. Okie Luttrell living on the north edge of Ulman. The family had been away until about midnight when they returned and completed some late chores. They retired about 1:00 a.m. Thursday morning and at 2:00 they discovered the house completely enveloped in flames. At this time no one can be sure what happened. Several ideas have been advanced but the fact of the matter is no one knows just how the fire started. But it did consume rapidly.

Two daughters, Debbie age 17 and Dixie, age 16, were sleeping in the south bedrooms. It is stated the son, Tracy age 12, was sleeping in a sleeping bag on the living room floor. Mr. and Mrs. Okie Luttrell were sleeping in the north bedroom. Mrs. Luttrell seemed to be the first to become aware that the house was burning. Already she was badly burned. Her husband and son appeared to be overcome with smoke and heat inhalation. It is said she dragged them through double glass doors to the outside. In the meantime the two girls were awakened by the conflagration. One of them attempting to open the bedroom door into the living room sustained bad burns on her hands. The mother rushed around to the window outside of the girls' rooms and with their help broke out the glass through which the girls escaped further injuries.

Mrs. Luttrell so badly burned and bleeding from the burns finally staggered barefoot through the snow and darkness to the home of Mr. and Mrs. Herbert Nixdorf a quarter mile south down the road. Immediately telephone calls were put through for help and ambulances called.

Some people who were at the wake of Rev. Mark Sooter at the Mt. Zion Church beheld the flames and smoke and thought it might be their homes, who rushed to discover what was happening. They immediately began to round up quilts and blankets to protect the burned and night-clothes-clad people. While awaiting help they sat on a curb around their drive-way and when daylight dawned, the places where they sat was splattered with blood. They had suffered terribly.

As quickly as the three Miller Co. ambulances could arrive, the family members were rushed to hospitals. The two girls were treated at a Jefferson City hospital and released. The parents and the 12 year old boy were taken to the University Medical Center in Columbia.

Tracy succumbed to his burns the next morning, Friday, and his body was transferred to the Stevinson Funeral Home in Iberia. Funeral services for Tracy were held Monday afternoon, March 17, at 2:00 at the Ulman Baptist Church with burial in the Hawkins Cemetery at Brumley.

As we get ready to go to press with this issue, we understand Mrs. Luttrell is much improved but the condition of her husband remains critical. A benefit show to raise money in behalf of the Luttrell family's needs, will be held this Friday night at the Iberia High School. There will be two hours of old-time country and modern country songs and sounds.

David Lee Vineyard, 64, well known Miller County Political figure and farmer, was killed instantly around 6:30 p.m. Saturday when a frightened heifer stampeded and ran over him. He and his son, Alfred, were rounding up the cattle on his 140-acre farm which he owned at the edge of the city of Iberia, when the accident occurred.

Mr. Vineyard was a Republican candidate for Miller County treasurer in the Aug. 7 primary. He had previously served as county collector in Maries County from 1926 until 1934, and county treasurer in Miller County from 1952 until 1954. He also served as a representative for the MFA Feed Co., a job which required traveling around 40,000 miles a year, and added to his many friends.

He was born April 11, 1898, in rural Maries County, the son of David and Jane Vineyard. His early schooling was in Maries County, and he was a graduate of the Dixon High School and later took a correspondence course in law.

On June 24, 1930, he was married to Clara **Russell** who survives. They were the parents of two children, Alfred, who is employed at the GM Chevrolet plant in St. Louis, and Helen, who is a cyto-technologist and head of the laboratory at the Jewish hospital in St. Louis.

Mr. Vineyard was preceded in death by his parents, one sister, Mary, and four brothers, Joe, Bill, John, and one brother in infancy. He had lived in Iberia since 1940 when he moved his family from Vienna to their present home.

Besides his immediate family, Mr. Vineyard is survived by six brothers, Tom of Keokuk, Iowa, Steve, George, Jess, and Henry, all of Dixon, and Albert of Festus; and one sister, Mrs. Margaret Vineyard of Dixon.

Funeral services for Mr. Vineyard were held at 2 p.m. Tuesday at the Iberia Church of the Nazarene where he had long been active in his membership. The Rev. James Trimble officiated. Interment was in Freedom Cemetery near Dixon under the direction of the Scrivner-Stevinson Funeral Home of Iberia.

Ronnie Luttrell, 17-year-old resident of the Brumley community, drowned Sunday (August 19, 1963) while swimming in the Glaize arm of the Lake of the Ozarks. The accident occurred about 2 to 2:30 p.m., some 50 yards below the big swinging bridge southwest of Brumley, the State Highway Patrol said.

The youth had gone in swimming with his brother, Terry and some other boys, the Patrol said. Several feet from shore, he started going down. Others at the scene made vain attempts to rescue the youth.

The body was recovered an estimated one and a half to two hours later by Conservation Agent, Paul Plank of Eldon and State Trooper Ralph Rider of Camdenton. Plank was in Lake Ozark when State Trooper Louis Rohls, who investigated the drowning, stopped him and asked him to accompany him to the scene to assist in recovery operations. The body was recovered in an estimated 10 to 12 feet of water while he and Rider were dragging with grappling hooks, Plank said. Ronnie reportedly could swim, Rohls said.

The youth, son of Mrs. Zelfhia Luttrell of Rte. 1, Brumley, and the late Hamen Luttrell, had lived in the Brumley community all of his life. His father passed away March 29, 1958. Ronnie was employed with a fish hatchery at Brumley.

A 58-year-old Tuscumbia farmer was killed Sunday (Oct. 6, 1963) in a tractor accident as he worked on his farm west of Tuscumbia. The body of **Aubrey W. Vaughan** was found about 2 p.m. Monday after he failed to report for work that morning at the Pryor Novelty Co. in Tuscumbia where he was a machine operator.

Dr. L. Stanley Humphreys, Miller County coroner, said Vaughan's chest was crushed by the tractor. He estimated the accident occurred about noon Sunday. It was believed that Vaughan was gathering firewood Sunday morning. An empty wagon—which did not overturn—was hooked onto the tractor. The tractor apparently overturned on a sharp incline.

Fred Pryor, an owner of the Pryor Company, and two employees—Morris Patterson and Russell Burks—started searching for Vaughan after he failed to report Monday. They were joined in the search by Bill Anson and Ralph Wilkerson.

The men found Vaughn's body about 200 feet from the overturned tractor. Vaughan had apparently walked or crawled from the tractor and had crossed a low fence, apparently trying to reach the home of Anson, a neighbor. Vaughan's wife, Mrs. Artie Vaughan, is employed at Lake Ozark through the week and had not been at the farm since Sunday morning, it was reported.

A native of the Tuscumbia area, Mr. Vaughan was born March 11, 1905, to Wilson M. and Deska Lee Dobson Vaughan. He married the former Artie **Shackleford**. He had been employed with Pryors 17 years.

The car was driven by Miss Peggy Ann Smith, 15, of Burlington, the Patrol said. Raymond Albert Monson, 17, of Mount Pleasant, Iowa, the passenger, was owner of the car, the Patrol reported.

Obituary:

Mrs. Dorcas C. (Shelton) Ferguson was born in McMinn County, Tenn., June 11, 1884, came to Missouri with her parents when only eight years old. Was married to John Ferguson

June 4, 1862, died at her home in Iberia January 18, 1920 at the age of 75 years, 7 months and 8 days. To this union were born fourteen children, twelve of whom are living, two having died in infancy and preceded her to the Glory Land.

She united with the Methodist Episcopal Church thirty years ago, during which time she lived a consecrated Christian life, and when death came it was only a good-by to her aged companion, children and earthly friends and a happy awakening into a life of a new and a more perfect day, with the Saints who have gone on before.

Her long, continued sickness did not destroy the charm of a kind indulgent disposition, nor old age diminish her unselfish solicitude of her friends and loved ones. "God touched her with His finger, and she slept," the poet wrote. So may we say of this life--"God touched her with His finger, and she slept," but not until a beautiful life was lived, a noble example of patience, fidelity to truth and faith were given. Not until visions of a heavenly life in Christ Jesus had cheered and illuminated the valley of the shadow, and not that she sleeps, memory tunes up the harp of life, and smiting the strings, finds that its virtues melt into music. So it ever is, when a life is nobly and divinely lived.

Rev. A.O. Laney conducted the funeral services at the M.E. Church Tuesday morning in an impressive manner, in the presence of a large gathering of sorrowing relatives and friends after which the remains were taken to the family burying ground near Madden church where it was peacefully laid to rest. Brief services were also conducted at the grave by Rev. Laney.

Obituary/News Article, Springfield News-Leader, August 1, 1996

Though **Mattie Mace** never weighed more than 100 pounds, those who knew her say her heart and zest for life were big enough to fill a room. And when Mace died Thursday, friends and loved ones wondered who would fill the gap. They also marveled at how a woman her age--she turned 107 June 27--could act 80; no, make that 70.

"She loved life. She loved everything about it. She loved to go. She loved to talk," said daughter Helen **Hasentine**, 76. "She always wanted that good time." Good times filled her years, friends say. As one put it, "She loved everybody, especially the men."

Mace voted in every presidential election since women gained the right to vote in 1919. This year, watching politicians on television, she piped in when she didn't like what they said. Friend Melva Irby said her granddaughter, Cassidy Dickinson was 3 when she befriended Mace nine years ago while walking at Battlefield Mall. She said, "Grandma, can I take her to Show-and-Tell?" Irby says of when Cassidy was in third grade, "She went twice, and all the children thought Mattie belonged to them."

Haseltine said her mother always liked to make people laugh. "She would joke with people and say 'I think I'll go to a dance next week.'"

The following article appeared in the Springfield News-Leader, June 26, 1996

SPRINGFIELD WOMAN CELEBRATES 107 YEARS

In more than 100 years on Earth, **Mattie Mace** has seen a lot of firsts. In 1919, she saw women gain the right to vote with the passage of the 19th Amendment. She voted in every presidential election after that. On August 15, 1919, she was the first airplane in her hometown of Iberia. It was also the day her youngest daughter was born.

And in Christmas 1922 or '23 her family was the first in Iberia to have a set of Christmas tree lights. So pardon the centenarian if turning 107 Thursday was no big deal. Asked how it felt, Mace said: "Pretty good. It could be a lot worse."

To family and friends, it was reason to throw a party at the Springfield Residential Center where Mace has lived for two weeks. "She's always been first in line to have a good time," said her daughter Helen **Haseltine** of Springfield. Surrounded by about 65 family members, friends and other center residents, Mace ate birthday cake and shared the key to her longevity.

"Well, I became a Christian when I was 8 years old," she said. "And I've been a Christian all my life." Genes may have something to do with it, too. Mace's father lived to be 101, and two great-uncles also lived to be well over 100. Mace, the youngest of 14 children, was born in 1889 in Iberia to John and Dorcas **Ferguson**. Her father was a veteran of the Civil War and served in the Battle of Wilson's Creek.

A picture of Mace's father and mother rested Thursday on a table near the punch and a half-chocolate, half-vanilla sheet cake. Also there: photos of Mace at 16 and Mace with her three daughters. One daughter died more than a year ago.

On another table draped in pink paper tablecloths was a card that proved the difficulty of finding birthday greetings for a person Mace's age. It read: "On your 100th Birthday with Congratulations and Best Wishes for your Happiness." Next to the last zero was a handwritten plus sign and the number 7.

Family members marveled at Mace's attitude toward life. "She's got the best spirit of anybody I know--even younger people," said Linda Adams, who is married to Mace's grandson Tom Adams. "I wish I had part of it."

"She has a great family," Tom Adams said. "She's lived for her family."

Mace agreed, for when asked what the most special moment in her life was, she had only this to say: "My babies. When my first baby was in my arms. I love my children."

News Article: Miller County Autogram-Sentinel, July 1, 1971

A verdict of homicide and suicide was returned by a Miller County coroner's jury Wednesday afternoon following an inquest into the deaths of a Brumley couple last Thursday night, July 1.

The six-member jury found that **Harold D. Whittle**, 45, shot his wife, **Ruby**, 38, with a 16 gauge shotgun, then took his own life with a .22 caliber rifle. The jury returned the verdict at 3:30 p.m., 30 minutes after testimony by four witnesses had been completed. The inquest was called by Douglas Griswold, Miller County coroner, with James A. Grantham, prosecuting attorney, questioning the witnesses.

Members of the coroner's jury were George Faulconer, Mrs. Juanita Taylor, Mrs. Elsie Howren, Logan Barnard, Ray Campbell, and the Rev. J. F. Beebe, all of Eldon.

The fatal shootings occurred on the lawn of the Whittles' home on the west side of Rte. C in Brumley, near the schoolhouse, shortly before 10 p.m. last Thursday.

Testifying at the inquest were the Whittles' 17-year-old son, Donny, who had been at home watching television throughout the evening of the fatal shootings; Gary **DeVore**, Mrs. Whittle's brother who lives in a mobile home next to the Whittle home in Brumley; State Trooper Larry Lee, first officer at the scene, and Deputy Sheriff Gerald Whittle, who arrived there about 10:25 p.m.

Donny testified that he and his father had been home together about 6 p.m. on July 1 when his father said he was going to town for some cigarettes. His mother came in later he said, and his father returned about 8:30 p.m.

His mother, he said, later left to go next door to her brother's about 9:45 p.m. About 10 minutes after her departure, the son testified, he heard "a loud boom." When he ran into the yard, Donny said, his father told him to call the State Highway Patrol.

He ran to his uncle's home to get him to assist, he said, then heard a second boom. He identified the shotgun and rifle offered in evidence as those owned by the family and customarily kept in a rack in the home.

The youth testified he was unaware that his father had followed his mother from the house until he heard the noise and ran into the yard.

DeVore testified he was getting ready for bed when he heard the first loud blast. "I thought it was a firecracker," he said, and thought nothing about it until he heard Donny holler "he shot her." As he was putting on his clothes, DeVore said he heard the second shot.

They got a blanket and covered the bodies after calling the Patrol which in turn called the sheriff's office and the operator called an ambulance.

Trooper Lee, who was three-quarters of a mile west of Brumley on Hwy. 42 when he received the call on Thursday night, told of finding the two guns, a spent shotgun shell, an unfired shotgun shell, and a spent .22 shell at the scene. He also said a partly empty can of beer was found near a tree about 8 to 12 feet from the bodies.

Deputy Sheriff Whittle identified pictures taken at the scene and a diagram indicating location of the bodies, found near three trees in the corner of the yard, and the guns as found by Trooper Lee. The shotgun was about 16 feet from the front door of the home, and the rifle by Mr. Whittle's right side, partly hidden by the blanket.

Authorities had expressed the opinion, not at the inquest, that Harold Whittle, after firing the shotgun once, was unable to get the second shell to work in it, and had then got the .22 rifle with which he shot himself.

In response to questioning from a jury member, the deputy sheriff told of seeing Mr. and Mrs. Whittle at Tuscumbia Thursday. Mr. Whittle's suit for divorce had been filed on Thursday, and the deputy said he went out to the car to serve divorce papers on Mrs. Whittle.

At the scene Thursday night, he said, the door to a nearby pickup truck was open and he saw two unopened cans in a plastic six pack beer container on the floorboard, and another partly empty can in the back.

Swearing in of the coroner's jury and witnesses and testimony took about 50 minutes Wednesday afternoon. Twenty-two persons attended the inquest in the circuit courtroom at Tuscumbia.

Obituary/News Article: Miller County Autogram-Sentinel, December 1952

A tragic accident occurred on Highway 42, about two miles northeast of Iberia near the Earl Humphrey farm shortly after dark Sunday when two motorcycles and a car collided. As the result of the accident, **Ray Deardeuff**, 19, son of Mr. and Mrs. Yeager Deardeuff of the Madden community, lost his life and Carl Machon, 19, son of Mrs. Redus Machon, of near Iberia, was taken to a Waynesville hospital and Monday was transferred to a St. Louis hospital. He was reported as suffering from a skull fracture and cuts. Both young men were riding motorcycles.

The occupants of the car, Mr. and Mrs. Allen Shelton and their granddaughter Sue Clark, received cuts and bruises. The Shelton's daughter, Mrs. Bill Clark escaped injury. They were on their way to the Okley Kinder home in Iberia to attend church at the Brays Advent Christian Church.

The Shelton car was traveling north and the young motorcycle riders were coming toward Iberia when the accident occurred. It is said that Machon's cycle collided with the car first, hitting it near the left front fender which caused the auto to veer to the left and the other cycle collided with the car on the opposite side at the back of the front fender. The car was damaged almost beyond repair and the motorcycles were demolished.

Earl Humphrey, who was at home at the time of the accident, was the first person to come to the assistance of those involved in the accident. Young Deardeuff died at the scene of the accident. Machon was still unconscious at the time he arrived at the hospital.

First aid treatment was given the others who were injured and they are reported to be recovering satisfactorily. A report was received here late Tuesday afternoon that Machon was improving. An inquest was scheduled to be held this Wednesday morning in Iberia.

Funeral services for young Deardeuff will be held Thursday afternoon at the Iberia Church of the Nazarene at two O'clock with Rev. A. O. Shearrer, pastor of the church officiating. Interment will be made in the Bethany Cemetery under the direction of the Hedges Funeral Home of Iberia.

Ray is survived by his parents, four brothers, Bernie who is at South Hampton, Mass., serving in the Navy, Ralph and Gene, both of Alton, Ill., and Billy Deardeuff who is serving in the Marine Corps at Camp Lejeune, N.C.; and two sisters, Mrs. Marie **Albi** of Edwardsville, Ill., and Mrs. Louise **Hammond** of Norfolk, Virginia.

Obituary/News Article, Miller County Autogram-Sentinel, October 4, 1956

A tragic two-car accident, that claimed the lives of two Iberia men, occurred about midnight last Saturday on highway 42 near the west edge of the city limits of Iberia. **Bobby Avery Shelton**, 21, son of Mr. and Mrs. Robert Shelton, died instantly, and **Lowell Karr**, 22 son of Mr. and Mrs. Thurston Karr, died about 1:30 Sunday morning, only a short time after reaching the hospital. The third Iberian, Buddy Riemensnider, escaped the accident with bruises and other minor injuries.

The impact of the two cars was so terrific that it awakened occupants of a house nearby who at first thought either lightning had struck the home causing the windows to rattle, or a plane had crashed in a nearby field.

Shelton was traveling west (away from Iberia) in a 1951 Chevrolet and Karr was driving his 1950 Buick and was accompanied by Riemensnider when the two cars met head-on, directly

in front of the Hunter Ferguson and Raymond Catron homes. The Karr automobile stopped at the edge of the highway and was still facing east while the Shelton car slid a few feet down the highway into the ditch and turned around toward the east. Neither car overturned.

The accident occurred on the crest of a hill. Riemensnider is quoted as saying that all he remembers is seeing two headlights coming toward them. The left front fender of the car driven by Karr was torn off and deeply wedged to the front of Shelton's car. Neither car caught fire.

Riemensnider, who had been thrown into the back seat, was assisted from the car by help that had rushed to the scene. Shelton was pronounced dead, and efforts were made to release Karr from the wreckage where he was pinned by the motor and steering wheel. A wrecker was called, and it was about an hour before Karr could be placed in an ambulance and rushed to the hospital where he died a few minutes after arrival.

The impacts pushed the motors of both cars deep toward the front seats and each steering wheel was pushed almost parallel with the windshields. Both cars were demolished. By 3:30 Sunday morning the highway had been cleared and traffic was resumed.

Shelton attended four years of high school in Iberia, and Karr was an Iberia high school graduate. The former had been employed by the Slone Locker Plant in Tuscumbia, and the latter had been working in Richland. Karr had been scheduled to enter the Army during this month.

Death Notice: Miller County Autogram-Sentinel, November 1944

This community was shocked last Saturday night when the sad news came that **Mrs. Loran Adams** had passed away. Mrs. Adams, the former Miss **Grethel Casey**, gave birth to a daughter about ten months ago and since that time her health condition grew from bad to worse. About two months ago she submitted to a major operation at the Burge Hospital in Springfield, Mo. Since she did not recover satisfactorily from this operation, she was taken to Barnes Hospital in St. Louis two weeks ago last Monday for observation and treatment. Apparently seeming to have improved, she was brought back and was at the home of her parents, Mr. and Mrs. Ray Casey west of Iberia, when she suffered the fatal attack Saturday night. She is said to have been feeling as well as usual up to within a short time of the attack when she took to vomiting. Her condition immediately became alarming and Dr. Gould and the Adams & Casey ambulance service were called from Iberia to rush her to St. Mary's Hospital in Jefferson City. She died enroute to the hospital before reaching Tuscumbia.

The body, which lay in state here at the Adams & Casey funeral parlors, was viewed by hundreds of sympathizing relatives and friends. Funeral services will be held at the Public High School auditorium here this Wednesday afternoon, at 2:00 O'clock, conducted principally by Dr. G. Byron Smith, president of Iberia Junior College. Interment will be in the Iberia cemetery.

Mrs. Adams leaves to mourn her untimely death her husband and two small children; her parents, Mr. and Mrs. Ray Casey; a brother, Glenn, in the military service somewhere in the European war theatre; a sister, Mrs. Byron Duncan of Cole Camp, Mo., and a host of other relatives and true and devoted friends. Complete obituary will appear next week.

Mrs. **Mary Flaughter**, widow of James Flaughter, and a resident of Tuscumbia and community all her life, passed away at her home here at 8:15 O'clock Monday night following only a few days' illness. Mrs. Flaughter became ill last Friday night and by Saturday afternoon her illness was so acute that she did not recognize anyone. Her illness was thought to have been intestinal flu.

She was born in Miller County April 14, 1865, and had she lived until next April would have been 80 years of age.

At about the age of 23 she was united in marriage to James Flaughter and to this union seven children were born, two of whom Mrs. Manley **Renfrow**, who died in 1936, and Everett, who died in infancy, preceded her in death. Her husband passed away July 28, 1930.

Surviving Mrs. Flaughter are five children, Mrs. Rector **Wilson** of the Wilson School community, Willie Flaughter of Kansas City, Kansas, Mrs. Alva **Rook** of Iberia, Elmer and Charlie Flaughter of Tuscumbia; 26 grandchildren and 20 great-grandchildren; many other relatives and a great host of friends.

In early girlhood Mrs. Flaughter united with the Mt. Zion Church and during the last several years had been a faithful attendant at the Assembly of God Church at Tuscumbia. Mrs. Flaughter was very sincere in her Christian belief and was a regular attendant at church services. She rarely missed a service at the Assembly of God Church and even at her advanced age walked the distance from her home to the church in order to attend.

In spite of her advanced years Mrs. Flaughter had enjoyed very good health and was very active in mind and body. She was a familiar figure at Tuscumbia and will be missed by her loved ones and friends. She was a good wife, mother and neighbor. She was a lover of flowers and made a collection of seeds from the flower beds of neighbors to plant in flower beds at her own

home. The beautiful floral wreath presented by her neighbors attested to the esteem in which "Aunt Mary" was held.

Funeral services were held at the Tuscumbia Assembly of God Church Wednesday afternoon of this week at 2 O'clock. Interment was in the Tuscumbia Cemetery under direction of Kays Funeral Home of Eldon.

Obituary: Miller County Autogram, Thursday, Oct. 14, 1926

Bertha V. Moneymaker was born June 28, 1903 near Brumley, and died at the Bethesda Hospital at Kirkwood September 22, 1926, being at the time of her death 23 years, 2 months and 24 days old. She was the youngest daughter of W. G. and Martha **Cochran**.

On February 6, 1919, she was united in marriage to John H. Moneymaker and to this union were born three sweet little children, two girls and one boy. The youngest, a girl, preceded her mother to the Spirit World just one month ago.

About nine years ago Bertha united with the Church of Christ at Mt. Union under the preaching of Elder G.S. Flaughter and remained a member of that body until death overtook her.

On Wednesday, September 23, the remains were shipped back to Crocker and from there the body was taken to the home of her father where she was born and reared. There the body was kept until the 24th when it was conveyed to the Mt. Union church where funeral services were conducted by Eld. V. M. Smith amidst a host of friends and loved ones who gathered to witness the last sad rites. Brother Smith spoke many words of comfort to the bereaved ones using as a foundation for his remarks, the beautiful words of our Savior, recorded in the Gospel of St. John 14:1-3 "Let not your heart be troubled; ye believe in God, believe in me also. For in my Father's house are many mansions, if it were not so I would have told you. I will come again and receive you unto myself, that where I am there ye may be also," after which all that was mortal of our dear one was conveyed to the cemetery nearby and there amid sobs and sighs of sorrowing ones laid to rest beside the little infant daughter to await the call of her blessed Master when all the sleeping nations of the dead shall come forth.

In her death the husband lost a loving companion, the children an affectionate mother, the father and mother a devoted daughter. But we weep not as those who have no hope. Many times during her illness she would express a desire to get out of her sufferings and go to her reard.

She leaves to mourn her death, a devoted husband, two children, father and mother, three brothers and five sisters, besides a host of other relatives and friends. And now in humble submission to Him that doeth all things well, we bow our heads and say dear wife, dear mother, dear daughter, dear sister, farewell until the great day when Christ will come with the sound of a great trumpet and with all the holy angels to gather up his jewels, at which time, if we live true to God, we can be united again where sickness sorrow, pain and death are felt and feared no more. A precious one from us is gone,

A voice we loved is still;
A place is vacant in our home
which never can be filled.

-----A Loving father - Eld. R. F. Moneymaker

Almon Thornsberry, 62 years old, prominent farmer and stockman of the Deans Creek community, south of Brumley, passed away at the Lebanon hospital last Saturday morning of burns which he suffered earlier in the day when his home and contents were completely destroyed by raging flames.

The tragedy occurred early on Saturday morning when Mr. Thornsberry arose before daylight, as was his usual custom, and went to the kitchen to build the morning's fire. He poured kerosene from a container on tender he had arranged for the fire when it is thought smouldering coals ignited the kerosene with a resulting explosion which strewed the kerosene over Mr. Thornsberry and the entire room. Mrs. Thornsberry had not arisen when the tragedy occurred, but upon hearing the explosion she rushed to the room. Failing to find her husband there she rushed outside and

traced the course of his flight by bits of burning clothing which had fallen from his body until she reached his prostrate and writhing body at the spring, said to be about a quarter of a mile from their home. As soon as possible Mr. Thornsberry was taken to the Lebanon hospital where what aid that could be given was rendered. He remained conscious throughout the ordeal, until his death, which occurred soon after he reached the hospital. He was able to tell most that happened in the fatal accident.

Mr. Thornsberry was born near Ulman, the son of the late Mr. and Mrs. Lee Thornsberry, and was 62 years of age at the time of his death.

Obituary: Miller County Autogram, December 30, 1937

On February 14, 1877, sixty years, nine months and twenty-seven days ago, **William H. Wall** was born at Iberia, Mo., a descendent of an old Virginia family. Mr. Wall was one of twelve children, all of whom grew to manhood and womanhood.

In 1897, Mr. Wall took his bride, Miss Stella **Lawson**, to old Curry Chapel where they were united in marriage and established the foundations of a home that grew to include within its boundaries of love, a son, Clyde E. Wall, now of Pueblo, Colorado; two daughters, Mrs. Goldia **Urquhart**, Alhambra, California (*second daughter, Ora Mae, not listed?*); and another son, Ray Wall of Pueblo, Colorado. The family moved to Colorado Springs in 1921 and counted this community as home through all the intervening years.

In February of 1927, Mr. Wall and his family united in the Christian fellowship of the Trinity Methodist Church for back in young boyhood he had given himself to Christ.

Through his business contacts and otherwise, Mr. Wall made a great host of friends in this community, for he himself had given his friendship to others.

All through his active life he had enjoyed good health. Until his last lingering illness, sickness and suffering had passed him by. On last Thursday morning just before dawn, The Great Physician opened his eyes to a new day and a new dawn in a land where pain and suffering has no domination.

There are left to cherish the memory of his kindly influence his beloved wife and children, the grandchildren, Gwendolyn and Vivian, daughters of Clyde and Malinda Wall; Alfred, son of Mrs. Ora Mae **Ebling**; and Barbara, daughter of Mrs. Goldie Urquhart.

The neighbors and friends and those of our Christian Fellowship will miss him and pray that he may now have rest and peace—the gifts of God's love.

Memorial services were held from the Swan Funeral Home, December 10th, 1937, Reverend Nelson Wurgler, pastor of the Trinity Methodist Church officiating. Interment was in the beautiful Evergreen Cemetery, Colorado Springs, Colorado.

News Article, Miller County Autogram Sentinel, July 9, 1992

Lake of the Ozarks Major Case Squad members were called together early Monday following the fatal shooting of a rural Eldon man at his home at about 2 a.m. Monday. Since that time, more than 100 leads have been investigated by officers, Miller County Sheriff Alan Strope said.

Dead is **Larry J. Parkhurst**, 43, of Rte. 4, Eldon. He and his family lived at the end of Route M near where County Road 17-10 M-20 crosses Saline Creek.

Strope said Parkhurst died of a single gunshot wound to the head and upper body. The gunman was outside the residence and fired at Parkhurst through a window, the sheriff said. "We believe there was just one shot," the sheriff said. A 12-gauge shotgun is believed to have been used.

Miller County Coroner Doug Griswold said Parkhurst died instantly. Nine pellets were removed from his body, including those that pierced his right temple, Griswold said.

Preliminary autopsy results were given to Strope verbally on Tuesday afternoon. Dr. Jay Dix of Columbia, a forensic pathologist, performed the autopsy.

"The family was there," Strope said. He said they were sleeping but that Parkhurst was awake and in another part of the house when the shooting occurred. None of them were injured.

Parkhurst and his wife Brenda have three sons. An older son, Sonny James Parkhurst, and his wife and child, also live at the home. They were awakened by the shot and found Parkhurst on the floor in the living area of the house. The gun blast came through a living room window but the kitchen, where Parkhurst fell, is visible from that window, investigators said.

On Tuesday Missouri Water Patrol officers searched the Osage River for a weapon but found nothing.

Gunpowder residue tests have been done on the hands of a number of people, Strope said. Widespread reports that a 13-year-old boy was a suspect are not true, the sheriff said. However, the youth was tested for gunpowder residue, Strope said.

Strope said many rumors have surrounded the investigation and the number of them may have clouded it. Those rumors were treated as leads and it took officers time to investigate them, Strope said.

One of the rumors was that Parkhurst was to testify in a federal trial this week. Federal agencies have told the sheriff that was not true. Federal agencies have been involved to some extent with the probe, the sheriff went on to say.

"We haven't narrowed it down a whole lot," the sheriff said Tuesday afternoon, obviously tired and frustrated. "We're still plodding along."

Many of the major case squad officers were sent back to their home jurisdictions Tuesday as much of the leg work in the case was completed after they worked late into the night on Monday.

In the fall of 1988 Parkhurst and his parents, James and Betty Parkhurst of Eldon, were charged in Miller County with cultivating marijuana on a farm in Miller and Morgan counties. That case has never gone to trial, however, even though it remained open. A "les pendens" was attached to the farm with the intent of seizing the farm if criminal charges were proved.

At the time of his death, Parkhurst was a member of a country band.

Fire Station No. 2 at Grand Avenue and 10th Street was used as a command center for the major case squad because none of the law enforcement agencies in the county have offices large enough to handle the extra officers.

Major case squad members include Miller, Morgan and Camden county sheriff departments and police departments at Eldon, Lake Ozark, Osage Beach, Camdenton, Versailles, Iberia, Stover and Laurie. Missouri State Highway Patrol officers also assisted and the patrol provided lab services for the investigation.

Death Notice: Miller County Autogram-Sentinel, November 1944

This community was shocked last Saturday night when the sad news came that **Mrs. Loran Adams** had passed away. Mrs. Adams, the former Miss **Grethel Casey**, gave birth to a daughter about ten months ago and since that time her health condition grew from bad to worse. About two months ago she submitted to a major operation at the Burge Hospital in Springfield, Mo. Since she did not recover satisfactorily from this operation, she was taken to Barnes Hospital in St. Louis two weeks ago last Monday for observation and treatment. Apparently seeming to have improved, she was brought back and was at the home of her parents, Mr. and Mrs. Ray Casey west of Iberia, when she suffered the fatal attack Saturday night. She is said to have been feeling as well as usual up to within a short time of the attack when she took to vomiting. Her condition immediately became alarming and Dr. Gould and the Adams & Casey ambulance service were called from Iberia to rush her to St. Mary's Hospital in Jefferson City. She died enroute to the hospital before reaching Tuscumbia.

The body, which lay in state here at the Adams & Casey funeral parlors, was viewed by hundreds of sympathizing relatives and friends. Funeral services will be held at the Public High School auditorium here this Wednesday afternoon, at 2:00 O'clock, conducted principally by Dr. G. Byron Smith, president of Iberia Junior College. Interment will be in the Iberia cemetery.

Mrs. Adams leaves to mourn her untimely death her husband and two small children; her parents, Mr. and Mrs. Ray Casey; a brother, Glenn, in the military service somewhere in the European war theatre; a sister, Mrs. Byron Duncan of Cole Camp, Mo., and a host of other relatives and true and devoted friends. Complete obituary will appear next week.

Her childhood days were sweet and happy, her kindness and friendship were enjoyed by all her young companions and schoolmates, and this can be attributed to her with her many friends in later life.

She was married to one she dearly loved, Loran Adams, on March 4, 1933, and to them were born two children, Leon age nine years and their baby, Ann, age eight months.

She leaves to cherish her dear memory, her husband and the two children, father and mother; one sister, Mrs. Glee **Duncan**, of Cole Camp; one brother, Glenn Casey, who is now serving his country with the armed forces somewhere in Italy, and many relatives and friends who loved her as their own.

Her religious faith was with the Baptist denomination, in which her membership has been with the Iberia church.

The body lay in state at the funeral home from Sunday, Nov. 5th, to Wednesday, Nov. 8, where several hundred of her friends came to pay their last respects. Funeral services were held at the high school auditorium Wednesday afternoon, November 8th, with Prof. G. Byron Smith and Rev. Merle Bandy officiating. Obituary: Iberia Sentinel, April 3, 1914, written by her son, William M. Sooter

Mrs. H.V. Sooter whose maiden name was **Sarah Ann Smith** was born about the year 1835 and was about 79 years old when she died. She was married to H.V. **Sooter** at 18 years of age. To their union 5 boys and 3 girls were born, three sons being called to the spirit world while young. At the age of 34 mother gave her heart to the master being converted under the preaching of Rev. F.M. Stickney and was received in the M.E. Church. About 25 years ago she transferred her membership to the Christian Church. In all those forty odd years she lived a Christ like life and as she was dying told us she was going home.

Mother lived in about 6 miles of where she died almost 50 years, Iberia being her P.O. address all the time. She took sick March 12, and passed away Mar. 19, and was laid to rest by the side of her husband March 20. She was carefully attended by Dr. W.A. VonGrep and faithfully nursed by children and neighbors, and after doing all we could for her and she lived to a good old age, we are satisfied for the Lords will and not ours to be done and we patiently await the reunion with mother.

Her friends were those who knew her and she leaves to mourn her a large circle of friends, many grandchildren and several great-grandchildren, and three sons-in-law and two daughters-in-law, two sons, Rev. Chas. M. Sooter, Rev. Wm. M. Sooter, three daughters, Mrs. G. W. **Shelton**, Mrs. J. M. **Renfrow** and Mrs. J. C. **Hensley**.

The community will miss Mother's friendship, the church her fellowship and we her children will miss her counsel [sic] and her presence in our home, but may we so live as to meet her in the Spirit Land is my Prayer.

Obituary: Miller County Autogram Sentinel, January 25, 1940

Beautiful and impressive funeral services were held here from the Methodist Church Sunday afternoon at 2:30 O'clock, for "Squire" **John Ferguson**, who died at the home of his daughter, Mrs. G.M. Martin about nine O'clock Saturday (January 20, 1940) morning, after more than a week's critical illness. His mind was rational to the end and his passing came peacefully.

President G. Byron Smith of Iberia Junior College, one of Mr. Ferguson's truest and most intimate friends, delivered the funeral discourse eulogizing his life's work among us and paying a beautiful tribute to his memory. It was Mr. Ferguson's request that Dr. Smith perform this last sad rites at his death, and Dr. Smith had so been requested by Mr. Ferguson long before his death. Dr. Smith gladly accepted the petition and spoke of his long life, of his integrity, and the unusual respect and affection of the community toward him. Attention was called to the wonderful century through which he had lived. He had seen and taken part in the winning of the West and had lived through the period of the development of this nation into what is perhaps the greatest nation of the earth. Dr. Smith said that in his lifetime greater changes had come to the human race than in any like period in the history of the world. The development of the railroads, the invention of the telephone and telegraph, the automobile and the airplane, moving pictures, paved roads, radios, and improved printing inventions had profoundly changed the habits and thinking of the civilized world. He had lived through four wars and had taken part in one. He had been the witness of all these things, and through all this century had been a humble follower of the lowly Jesus. His death had been like the falling of a sturdy oak, and it was unthinkable that such a life should not in its fruition bring forth an immortality which should be everlasting. Some of Mr. Ferguson's most favorite old time hymns were sung by a male quartet, composed by Rev. Merle Bandy, C.L. Casey, Loran Adams and Ted Gray, and a beautiful and impressive prayer was delivered by Dr. Henry Walker, pastor of the Congregational Church.

The floral offering was beautiful, presented by the following: Mr. and Mrs. R.M. Fendorf, Mr. and Mrs. R.F. Porter, the Joseph Crismon family, Adams and Casey families, Royal Neighbors, County officials, Masons, Iberia Postal employees, American Legion, Eastern Star, Legion Auxiliary, M.E. Church, and R.L.C.A. Auxiliary.

John Ferguson was born in Dumfries, Scotland, December 25, 1838; died in Iberia at the home of his daughter, Mr. G.M. **Martin**, (with whom he had lived approximately fourteen years) January 20, 1940, being 101 years and 25 days old at the time of his death.

He came to the States at the age of 14 with his mother and two sisters, his father having died at sea on their way over here and was buried in the ocean.

He was married to Dorcas C. **Shelton** June 4, 1862 and to this union fourteen children were born, five having preceded him in death; two boys, Joseph and James died in infancy; and three other sons, William T., George and Ed, having passed away during the past eight years. The surviving members of the family are Charley Ferguson and Mrs. Lizzie **Williams** of Crocker, Missouri; Fred of Hawkeye, Missouri; Jack of Clinton, Missouri; Mrs. Belle **Arnold** of St. Louis, Missouri; Mrs. W. T. **Mace** of Springfield, Missouri and Harry Frank and Mrs. G.M. Martin all of Iberia. Besides the immediate members of the family, he leaves to mourn his passing a large number of grandchildren, great grandchildren, as well as a host of other relatives and close friends.

Mr. Ferguson was one of Miller County's pioneer citizens, having for many years been active in the civic, public, political and religious affairs of his home community and county as well. He was active service in the Union Army in Co. M. 3rd MO Vols. during the Civil War; served as state commander of the Grand Army of the Republic at one time; and for many years was commander of Miles Carroll Post, G.A.R. here in Iberia, of which he was the last surviving member. He was a member of the Iberia Masonic Lodge for approximately 60 years, also a member of the local Eastern Star Lodge. For over 45 years he served as justice of the peace of Richwoods Township, with office in Iberia. He was also a long-time member of the Iberia Methodist church and remained strong in the faith until the end. For many years, he was a member of its official board, serving in this capacity at the time of the erection of the present church edifice 36 years ago.

Obituary: Unknown Publication, July 1925

The death angel visited our home and took from our midst a loving father, Mr. **W. R. (William Right) Shelton**, better known as "Dad" who passed peacefully away at the home of his youngest son, Roy Shelton, Saturday night, July 18, at 10 o'clock. Mr. Shelton was born in Miller County, Mo., April 5, 1852, and died July 18, 1925, making his age at time of death 73 years, 3 months, 13 days.

He was married in his early manhood to Miss Nancy **Sanders**, three children resulting from this union. They are Mrs. M. L. **Todd**, of Ellis Prairie, Mo., Mrs. Edna **Bolgard**, of East St. Louis, Illinois, and Mrs. Cora **Lachroyx**, of Dupo, Illinois; he was later married to Miss Julia A. **Wall** in June, 1882. Eight children were born to this union; of these, one daughter preceded her father to a better world, and the seven living are William Bill Shelton of Mtn. View, Mo., Fred Shelton, of Houston, Mo., Virgil Shelton, Solo, Mo., Med Shelton, Houston, Mo., Mrs. Frank **Rolies**, of Raymondville, Mo., George Shelton, of Houston, Mo., and Roy Shelton of Bado, Mo. So there are left to mourn their loss, a wife and ten children, some 39 grandchildren and a host of other relatives and friends.

All the children were at his bedside until the last except Mrs. Edna Bolgard and Mrs. Cora Lachroyx, who had come home to see their father only a week before his death, and as he seemed better they returned to their homes, expecting to see him again in the near future, but next night after they left he was taken worse and died a week from that night.

Mr. Shelton united with Houston Baptist church several years ago, although he did not live up to his duty in church, but he said in his last days he was ready, willing and not afraid to die. Only two days before he died he had the children to gather around his bed and sing and pray. He was conscious until the very last. He recognized all the children and would call each by name. When he would look up and see the weeping children standing over him he would only smile a sweet peaceful smile, which, although he was too weak to express his feelings, showed he was in peace. He has not been able for the last few years to attend church, but our Bible tells

us to "Knock and it shall be opened unto you," and father had been praying a long while and we believe it is not all in going to church to become a christian.

He has been in very poor health for the last five or six years, suffering from both cancer of the bowels and Bright's disease. He has been very patient in his long sickness and suffering. He said when he became serious, "If I could only see all the children and have them with me again, I would be ready to go," and he hoped when he went he would just fall asleep, and this was the case.

Father has been a hardworking man, a blacksmith by trade, ever since he was a boy.

Oh, how hard it is to give him up,
No human tongue can tell,
But it is God, our Father's will,
Who doeth all things well

Obituary: Unknown Publication, January 1926

Again the death angel visited our home and took from us a loving mother, thus leaving us without either father or mother, father being called only last July. Miss **Julia A. Wall** was born in Miller County, Mo., January 6, 1852; died January 24, 1926, at 9:10 Sunday evening, making her age at time of death 74 years 18 days.

She was married to Mr. W. R. **Shelton** in June 1882. Eight Children were born to this union, one daughter preceding her father and mother to the great beyond. She leaves to mourn their loss seven children, three step-daughters, four sisters, three brothers and some thirty-six grandchildren and a host of relatives and friends. All her children and stepchildren were with her through her short sickness except one step-daughter. When she was asked only a few hours before she died if she was ready to go and she said in her weak voice, "Oh, yes, I am ready to die."

Mother's life has been a good example for her children to follow. She always taught them to do right and she would say, "Above all things, be honest." Although it is most heartrending to give her up, we should be thankful we have had a good mother to instruct us through life.

Funeral services were conducted by Rev. William Hale at Oak Dale Church house Tuesday, January 26, and the remains of our loving mother were laid to rest in the Oak Dale Cemetery by the side of her loving companion and our father.

"Oh, our mother, whom we all adore,
Who hath trod the straight and narrow lane,
Hath left us for that happy shore
And gave Heaven its great gain.

Written by her daughters-in-law,
MRS. ROY SHELTON
MRS. GEORGE SHELTON

She belonged to Center Point church and was always a faithful member as long as her health permitted. She left assurance she was ready to meet her Blessed Savior [Saviour]. MRS. MARTHA HORN-MRS. TOM HORN IS DEAD

Martha Ellen Horn died Monday, September 12, 1932, aged 66 years. She was the widow of Thomas Horn, who preceded her in death several years ago. An only daughter, Annie, also died several years ago, so she was left to fight the battle of life alone.

She was a good Christian woman, one of the meek ones of earth, but with a heart of gold. Tossed about by the storms of life she has [at] last entered a haven of rest and now has a home not built with hands. No big crowd, no pomp or display, but we feel that the Angels welcomed her into Heaven just as joyfully as one who had the homage of the world. The funeral was held at the M. E. church at Huron, Rev. J.I. Tate officiating. The body was laid to rest in the Payne Cemetery by her husband and daughter, where she (is) at home at last, where she can rest and God does all things for the best. --A Friend.
