

BIRTH & DEATH

RECORDS

CEN

These Miller County, Mo. Birth and Death Records were copied by the late  
Ilene Simms Yarnell of Versailles, typed and published by Gaylord Strange, R #  
2, Box 328, Eldon, Mo. 65026

Some of these names were very hard to read so I hope you will take this  
in consideration when you find some name mis-spelled, and if you wish to ver-  
ify any of this information you will find the original records in the Cou-  
nty Clerk's Office in Tuscumbia, Mo.

Gaylord Strange  
R # @ Box 328  
Eldon, Mo. 65026

Information given in this order; name and sex of child; order of birth to this mother; name, age, and place of birth, and place of birth of father, nationality if not American, maiden name, age, and place of birth, and order of birth to this mother, and place of birth of mother. When Satae is not given the state of birth of parent is Missouri.

This transcript is from the Register of live births of Miller County, the book is in the office of the County Clerk. The still births are recorded in a separate book, and are shown at the end of Live Births in this transcript.

Although it was required that all births be registered with the County Clerk, between the years of 1883 and 1890, not all parents or medical attendants complied with it; therefore there may have been some births in Miller County during these years that are not shown here.
