PANKEY CEMETERY  
SECTION 24 TOWNSHIP 39 NORTH RANGE 12 WEST  
MILLER COUNTY, MISSOURI

From Iberia, go northeast on Highway 42 to Route TT. Go east on TT to the end of the blacktop. Turn right and go south on a gravel road .4 of a mile. You will see old "High Knob", a vacated creamery where a man named Lee ran a creamery for 15 years. Another .2 of a mile is a church at a fork in the road. Keep going south from the church .8 mile. On the west side you will see a road--on the left side, at a red mailbox you will see a gate. Go through the gate, down a hill to a well kept, fenced, cemetery. We were graciously escorted to this cemetery by Bobby Carmack on February 23, 1980.

In October of 1971, Carl G. Kelsay of Rocky Mount, Missouri; Stephens M. Barnhouse (now serving in the United States Army); and August F. Barnhouse of Eldon, Missouri, completed the inventory of the headstones in one Miller County cemetery. In spite of cold-cramped fingers and chattering teeth, we three pledged to each other that we would inventory, alphabetize, index, specifically locate, and print inventories of every tombstone in every known cemetery that we could find in Miller County, Missouri.

We are now in our second year of this self-appointed task. During the one thousand plus man-hours we have expended on this task, we have been rained on, snowed on, sleeted on, and hailed on. We have been extremely cold and extremely hot during this, our labor of love. We have enjoyed working in well-kept cemeteries--and we have kept a wary eye out for copperheads in poorly kept ones.

There are a total of seven townships in Miller County. We have thus divided the 137 cemeteries (and over 400 pages of information) into seven books--each book containing one township. The combined seven books contain a listing of over 14,000 headstones. Only 64 cemeteries were already located for us on maps. With the help of many individuals, we have located an additional 73.

In each individual cemetery, surnames are alphabetized. The cemeteries in each township are placed in alphabetic order. The surnames are indexed for easy reference to specific cemeteries. We made every effort to determine the true name of each cemetery. Where diligent effort was to no avail, we named cemeteries by the name attached to the first burial therein or to the predominant families buried therein. Every effort was made to insure the accuracy of the names and dates copied from the headstones. Wire brushes and chalk were used, and return trips to cemeteries to re-check information was not uncommon. We herewith apologize for any mistakes made.

Some cemeteries had already been inventoried by Ilene Sims Yarnell of Versailles, Missouri and by Gwendolyn Gunn Shoemaker of Eldon, Missouri. These were copied and printed with notation made on individual cemeteries.

Carl G. Kelsay was a compiler and alphabetizer. August Barnhouse was compiler, typist and printer. During the long task, a warm and beautiful friendship has flowered.

As each of the seven townships are completed, a copy of that township's cemeteries and headstones is being presented to the Missouri State Historical Society for both use and preservation. The Society has its reference library at Lowry at Hitt Streets, Columbia, Mo.

This is our gift to the present--and to the future. We rejoice at its completion.

There are several rough field stones with no inscriptions. An accurate accounting of these was impossible. This cemetery is fenced. We noted one large rock slab about four by six feet, thought to be a gravesite.

From Highway 17 in Iberia, turn onto Highway 42 and proceed north thru Iberia. Go 1/2 block past the Post Office and turn right (easterly) off of Highway 42. The city road is blacktopped and is .5 mile long. The road is then gravelled. Go 1.5 mile on this graveled road. On the right side of the road is a two-story white house and accross the road is a metal-clad barn. Turn left and go across a cattle guard, past the barn and down a winding hill. Go past another barn and through another gate into an open field. A trail road leads off to your right. The cemetery is at the end of this trail. The cemetery is fenced. With the exception of a small area at the north-east end of this cemetery, the cemetery is heavily overgrown making an inventory extremely difficult.

Inventoried this 20 October 1972 by Carl G. Kelsay of Rocky Mount, Mo., and August F. Barnhouse of Eldon, Missouri.

From Iberia, take Highway 42 towards Vienna. About 4 miles from Iberia and north of highway 42 lies the town of Brays. Take the first left hand road just past Route BB. About .1 of a mile the road turns to the right and parallels the highway. You will see an abandoned schoolhouse on your left. Cross the cattleguard and follow the gravel road that leads to and past the schoolhouse. This road dead-ends at the cemetery which was fenced and well-kept.

Inventoried 22 April 1972 by Carl Kelsay of Rocky Mount, Missouri, and August F. Barnhouse of Eldon, Missouri. Some 26 rough field stones were noted and one blank stone on the outside of the cemetery.

Miller County, Missouri

About 2.4 miles west and north of Iberia, a graveled road leads to the Fairview Christian Church. Just to the east of the church a road leads northerly terminating at Tavern Creek. Take this road and proceed 1.3 miles. A road leads to the west (or left side of the road) and leads to this well fenced and well kept cemetery. Stately cedar trees are easily seen from the main graveled road.

This cemetery was inventoried on 4 March 1972 by Carl Kelsay of Rocky Mount, Missouri, Stephens M. Barnhouse and August F. Barnhouse of Eldon, Missouri.

LANE CEMETERY

Section 3, Township 39 North, Range 13 West

Richwoods Township

Miller County, Missouri

This cemetery is located just off a gravel road near Wilson Cave. Just after crossing Brushy Fork Creek on a low water bridge, and traveling south one-quarter mile, these few remaining stones are found in a field east of the road. The stones are mostly broken, down on the ground. The compiler was told that at one time there were many stones in this cemetery.

Nancy Lane's gravesite is covered with roughly squared stones.

Inventoried 13 February 1972 by Carl Kelsay, Rocky Mount, Missouri; Stephens M. Barnhouse and August F. Barnhouse of Eldon, Missouri.

## LAWSON CEMETERY

Section 1, Township 39 North, Range 12 West

Richwoods Township

Miller County, Missouri

Take Highway 42 from Iberia towards Vienna. At the Miller County-Marion County line, take the road leading south (right). Go about .2 mile and again turn right. Go about .2 of a mile to this well kept, fenced cemetery.

While Carl Kelsay and August F. Barnhouse were inventorying this cemetery on 22 April 1972, a cemetery association meeting was being held. The secretary of this association is Bertha Brown, Route 3, Box 116, Dixon, Missouri. I salute these many people for their task and for caring for this cemetery.

Richwoods Township

Miller County, Missouri

From Iberia, go northeast on Highway 42 to Route BB. On Route BB, go southeasterly about 6 miles to the second county road to the left (north). Go north on the county road about 1.6 miles. This single stone is on the left hand (west) side of the road, just opposite a road leading to a home and a mailbox on the east side of the road. The stone is in heavy bruch, but can be seen from the road, just a few feet from the road. Local people indicated that at one time there were some three or four stones.

SMITH CEMETERY

Section 17, Township 38 North, Range 13 West  
Richwoods Township

Miller County, Missouri

From Iberia, go southwesterly on Route EE about 7 miles to the fifth county road on the left (south) side of Route EE. About .1 mile to the south of Route EE on that county road and on the right(south) side of the county road lies the cemetery. It is easily seen from the road. Several stones are down and on the ground. The cemetery is not fenced and is overgrown. There are 14 rough field stones noted.

A concerted effort was made to determine the name of the above cemetery to no avail. The compilers call this the Smith Cemetery because of the earliest burial as evidenced by the tombstone.

Inventoried 1 April 1972 by Carl Kelsay of Rocky Mount, Missouri, and August F. Barnhouse of Eldon, Missouri.

SPEARMAN CEMETERY

Section 33, Township 39 North Range 13 West

Miller County, Missouri

This cemetery is not listed on the general highway map of Miller County. It is located on the James McKinnon property (an absentee owner). It can be reached by traveling west from Iberia, Missouri, on Highway 42, to an old rural school, then turning south on Route E, to the F. T. Atwell house, thence to the James McKinnon farm.

The cemetery is not in view from the road, being located at the far end of a corn field. The cemetery is old, well fenced, but overgrown with native grass and weeds. Some graves were marked only with native rocks. This cemetery was inventoried by Ilene Sims Yarnell, 509 North Tweedie Avenue, Versailles, Missouri, on November 11, 1962
