## NODAWAY COUNTY GENEALOGICAL SOCIETY

December 1986

**NOTICE!** From December through March our monthly Genealogical Society meetings will be held at 7:00 P.M. at the American Bank building on South 71 Highway, Maryville. There are no steps to negotiate when the weather gets bad. We hope this will help our winter attendance.

We were pleased with the interest shown in our booth at the Business and Professional Women's Hobby Show. Our display included a Family Tree quilt, old photos, a new family history and old diaries. "Thank you", to all who brought items to display, and to those who gave of their time the day of the show.

\* \* \* \* \*

Our Annual Fall Workshop was conducted by Joseph Hall and Bob Arbon of Everton Publishers. Mr. Hall edits the "Question and Answer" column in "The Genealogical Helper". The topics included: Before Vital Records, Computer & Genealogy, Southern U.S. Genealogical Sources, Family Histories, British Records, Genealogical Ads. Time was also scheduled for us to use the computer materials, which included "Roots Cellar", and browse through the books for sale. That was a very popular room. It was a day well spent and we were happy to welcome fellow genealogists who came from some distance to join us.

We will have to hang up extra large Christmas stockings this year to hold the VCR's and Computers that we would like Santa to bring us. What a wonderful thing for future generations to have the pictures and voices of their ancestors along with these family records we are compiling. Do record family holiday traditions, anecdotes, favorite foods, gifts and names of those attending family gatherings. To encourage other family members to continue in the search for ancestors, consider giving attractive family trees to display, journals or diaries to be filled, and albums to hold all those loose photos. (While families are together, remember to get out those old pictures with no names on the back).

Have you recorded all the births, deaths, and marriages that have occurred this year, and updated your family group sheets? There is much information to be gathered when families are together for the Holidays.

Taken from--Buffalo Chips, Fort Kearney Gen. Soc. via Eastern NE  
Gen. Soc.--Sept 1986:

BEFORE 1800 there were no 'FAMILY' names in Ostfriesland, Germany, only SURNAMEN. The last name changed each generation. People in Ostfriesland used the PATRONYMIC system in naming their children. The children were named after their father's FIRST NAME with an 'S' added to denote that it was a surname (last name). In 1815, the state of Ostfriesland joined the state of Hanover, Germany and it decreed that no one could use the PATRIARCH's system of surnames anymore. The oldest LIVING Patriarch's name became the FAMILY name to be carried on to the next generation.

DID YOU KNOW? "that 'bushwhackers', during the first year of the Civil War, came into the streets of Maryville and destroyed the only paper in existence in the county--destroying the machinery and files and throwing its type into the street. There was no further attempt at editing a paper until about 1866, after the war was ended; hence there can be no knowledge gained from such sources commonly employed in compiling a roster of men."

ALLISON FAMILY REUNION--Aug. 1926

In 1878, Mr. and Mrs. James Allison settled on a farm south of Bedford about 12 miles, just over the line in Missouri and there reared their family of several children.

Last Sunday noon, June 27th, 80 of the 115 living descendents of the Allisons held a reunion at the Bedford Picnic Grounds in honor of Mrs. James Allison of Bedford, James Cleave of Georgetown, Canada and Mrs. Susan Barbaree of Paris, Canada.

Well filled baskets were brought in by the various families and one long banquet board was formed of the several tables provided at the picnic grounds. There was plenty of room, plenty to eat and everyone had a most enjoyable meal and spent a very pleasant afternoon in visiting. It had been about five years since a similar union of the Allison families had been held.

Those present Sunday in addition to those named above were:

Mr. & Mrs. George Allison and daughter, Margaret, of Hopkins, Mo.

Mrs. Milford Allison and daughter, Mabel of Sheridan, Mo.

Mrs. John Allison of New Market, Ia.

Mr. & Mrs. J.E. Clary and daughter, Bertha, of Bedford, Mo.

Mr. & Mrs. Joe Dowell and son, Grant, and daughter, Beatrice, of Bedford, Ia.

Mr. & Mrs. Milo Allison of Hopkins, Mo.

Mr. & Mrs. Ed Allison and family of Hopkins, Mo.

Mr. & Mrs. Harry Lambley and daughter, of Kent, Ia.

Mr. & Mrs. George Allison and family of Sheridan, Mo.

Mr. & Mrs. Albert Allison and daughter of Grain City, Mo.

Mr. & Mrs. Frank Allison and daughter of Grant City, Mo.

Mr. W.E. Warren and family of Sheridan, Mo.

Mr. & Mrs. Clifford Allison and family of New Market, Ia.

Mr. & Mrs. Lawrence Allison of New Market, Ia.

THE MISSOURI STATE ARCHIVES are the only central depository for records from each of Missouri's 114 counties, including marriages, divorces, wills, deeds and naturalizations. They were microfilmed by the Mormon Church and given to the state. State and federal documents, such as penitentiary records, land grants and census reports, also help make up the 1.5 million documents on file.

In addition to helping visitors with research, archives staff respond to simple requests for information by mail. More extensive research must be done personally. The archives are open weekdays from 8 a.m. to 5 p.m. and Thursdays until 9 p.m. Saturday hours are 8:30 a.m. to 3:30 p.m. Records of births and deaths since 1910 are located at the Bureau of Vital Statistics. Military records of Missourians are in the Office of the Adjutant General.
