ACKNOWLEDGMENTS

Bethany Cemetery was partially copied by Mrs. Homer (Sarah) Sterne and completed by William L. Brown, Jr. & Rosemary Brown in August 1988.

Buffalo Cemetery (Jordan-Buffalo) was copied by William J. and Mollie Price in October 1983. The inscriptions in the older part of the cemetery had been partially copied by the John Sappington Chapter, DAR, of Afton, Mo. in 1975. Those members who copied at that time included Mrs. Isabel S. Giulvezan, Miss Fern Menard, Miss Shirley Pease and Mrs. Margaret D. Cooper.

Fairview Cemetery (Grassy Creek) was first copied by Opal Ware McCollum of Vandalia, Mo. on October 20, 1974. It was updated on Oct. 22, 1983, typed and indexed by Charles Joel Moore and Estalene Moore, RR #3 Middleton.

Old Grassy Creek Cemetery was copied by William J. and Mollie Price in Sept. 1983. It had been copied previously by Mrs. Joe Ware on Sept. 15, 1974. Mike Weaver did some copying of inscriptions in this cemetery in 1968. The copy here is a combination of all three copies.

Mrs. Homer (Sarah) Sterne secured all of the material for this publication from the copiers.

Buffalo Township Cemetery Index was indexed by Rosemary B. Brown (Mrs. Wm. L. Brown, Jr.)

Rosemary B. Brown, Ch. of the Pike County DAR Cemetery Committee, arranged and typed all of the material in this publication.

OLD GRASSY CREEK CEMETERY

The inscriptions listed here are a combination of the indexes of two different copiers taken at two different times, one was completed in 1974 and the other in 1983. Old Grassy Creek Cemetery is located four miles southeast of Frankfort in Buffalo Township, T.54N.-R.2W., in Section 18, Pike County, Mo. It is one mile south of the present Grassy Creek Church off state route AD. This cemetery is in such poor condition that most of the stones are down and many of the inscriptions are so weather-worn that they are almost impossible to read. That is the reason for the discrepancy between the indexes of the two copiers.

Two monuments were erected in this cemetery marking the graves of the Rev. Davis Biggs and his wife Anna by the Penco-Noix Creek and Ramsey Creek Baptist Churches to commemorate the memory of this very-early, highly-respected minister who served their church.

BUFFALO CEMETERY (JORDAN-BUFFALO)

On October 25, 1975 members of the John Sappington Chapter, DAR, Affton, copied the old section of Buffalo Cemetery. The members included Mrs. Isabel S. Giulvezan, Miss Fern A. Menard, Miss Shirley A. Pease, and Mrs. Margaret D. Cooper. In preparing this index of inscriptions, a copy of their inscriptions was used as well as an updated copy of inscriptions made in 1983 by two local copiers. Jordan-Buffalo is located about three miles southwest of Louisiana, Missouri in Buffalo Township, T.54N.-R.1W.. Section 31, Pike County, just off highway D. If you are traveling south on highway 79 out of Louisiana, you turn left on highway D and travel in a southerly direction. After you pass the Louisiana Memorial Gardens on your left on highway D, you turn to your right on the first gravel road that you come to. Buffalo cemetery is about a mile west on this road on the left-hand side.

The cemetery is well-preserved; however, numerous stones are weather-beaten and damaged making them difficult to read.

At the entrance of the cemetery there is a large stone commemorating the PIONEERS. The inscription on this stone reads:

Pioneers Captain Robert Jordan and his son McGee were ambushed and slain near this spot by Hostile Indians during the War of 1812.

To honor the memory of the brave Pioneers who settled Pike Co. in the early years of the nineteenth century.

The above marker was erected by a descendant, Isaac H. Orr.

BETHANY CEMETERY

This cemetery is located just west of Louisiana, Mo. in Buffalo Township T.54N.-R.2W., in Section 34. To reach this cemetery you take highway 54 west. Just a short distance from the outskirts of Louisiana you will come to highway UU. Turn right on this blacktop road and travel about a quarter of a mile. Bethany Cemetery is located on your left. The cemetery has a lane through the center running east and west which divides the cemetery into two sections, a north section and a south section. Many stones have been toppled in the cemetery and some have disappeared entirely. Others are buried and many are loose at the base. In fact, the base material in many cases is simply a little gravel. One government marker from World War II lays on gravel -- it has never been attached to any kind of a stone. A number of inscriptions were difficult to read.
