This is a detailed plat map of Richland County, South Carolina, showing land parcels, owners, and roads. The map is divided into numbered sections (1-36) and includes names of landowners such as J.G. Manes, J.F. Vaughan, and E.A. Steckel. It also shows geographical features like the Richland River and the Turkey Ridge. The map is a historical document, likely from the early 20th century, based on the style and the names of the owners.
