Logan, Wm. Banker. Keokuk, Iowa.

 New Eng. Loan and Trust Co. Paid capital, \$760,000. Kansas City, Mo.
 Turner, Chas. H. & Co. Financial Representatives of the Prudential Insurance Co. of America. Wainright Building, St. Louis, Mo.
 The Keokuk Route. K. & W. and D. M. & K. C. Railways. The D. M. & K. C. Ry. from Des Moines to Cainsville has been rebuilt, and that portion south of Van Wert will be standard gauge on or before November 1st, 1897.
 There is no road in Southern Iowa or Northern Missouri which has more good locations for business men than on the line of the Keokuk Route. More stock of all kinds has been shipped over this line than any road of equal mileage in Iowa or Missouri. (See Missouri Surplus Map at our stations.) The freight and passenger service is not equalled by any road in the State, except the Missouri River trunk lines, with each of which we have union stations and direct connections.
 Persons seeking farms can find property at tempting prices; men seeking business locations can find towns with ample territory and settlers to warrant good business. Additional passenger service will soon be given which will add to the growth of the towns.
 The towns between Des Moines and Cainsville are particularly well located for business. Look them up. Write to the undersigned for additional information. See folder for map and lands.
