*FROM THE
PRESIDENT*

From the President

Hello from your new president. I would like to thank everyone for this honor. I hope that with your help, I can do a good job. I will give it my best shot.

I hope everyone had a great holiday season. we sure did. Antyime my grandkids are around, I am having a great time.

The weather has done its part to get us n a holiday spirit, but it can stop snowing now. Although my four year gran-daughter took me outside to make snow angels(her not me). She sure had fun. This is what makes the season special. I always take time out to remind them of the reason we celebrate Christmas and tell them about baby Jesus' birthday. I hope they always remember the "reason for the season".

Have a happy New Year.
Bonnie

Thank you.
Marlene

but I am not convinced that some "new things" in the name of progress really are better. They certainly aren't more convenient.

SCRAPBOOK OBITUARIES INDEX

BOOK H-I

I had a meeting with our directors about our escalating expenses due to the raise in postage, fuel, electricity, water, paper supplies, etc. etc. We felt we needed to raise the price of some of our material we have for sale. Some of those prices were set a number of years ago when everything was much cheaper than they are now so we have raised postage in some cases and material for sale in some cases - sometimes both. Since we have had to raise the cost of our membership twice in the past 10 years or less we didn't want to raise those if at all possible.

I also discovered I am going to have to limit the size of our quarterly to 10 pages rather than 12 like I had told you the last time. That is the most that will apparently go through the automatic mailing machine.

I am kind of 'old fashion' I guess,

This scrapbook of obituaries were compiled by Eva Mallett in 1986 and continued by D.J. Tague. The Scotland County Memorial Library passed these books on to us since they were short on space.

There are a few memorial notices and family reunions but most are full obituaries taken from newspapers. Basically these newspapers are:

Memphis Democrat
Kirkville Daily Express
Quincy Herald-Whig
Ottumwa Courier
Lancaster Excelsior

We will make a copy of any article or obituary requested and mail it to you for \$1.00 each plus \$.50 for postage and handling. A self-addressed envelope would be nice but not

required. That just minimizes misspelling on our part.

The obituaries marked with * are just notices rather than a full obituary.

(MEMPHIS CONTINUED)

The town of Memphis was first incorporated on the 22^d day of June, 1853, under an act of the General Assembly of the State entitled "An act for the incorporation of towns, and to prevent the circulation of town and city scrip," approved March 2, 1843. A petition of two-thirds of the taxable inhabitants of the town was presented to the county court, whereupon the following order was made "That the said town of Memphis be and the same is hereby declared incorporated, the metes and bounds thereof as follows: Beginning one-fourth of one mile west of the center of the public square of said town; thence north one fourth of one mile; thence east one-half of one mile; thence south one-half of one mile; thence west one-half of one mile; thence north one-fourth of one mile to the place of beginning; thus making the corporate limits a half-mile square, and that henceforth the inhabitants within said boundary shall be a body politic and corporate, by the name and style of "The Inhabitants of the town of Memphis," and by that name they and their successors shall be known in

law-have perpetual succession, with power to sue and be sued" and that Jacob Gray, William G. Downing, Elbridge G. Richardson, Walter P. Ellis and Jacob Elliot be and they are hereby appointed trustees of said town, to continue in office until their successors are elected and qualified." This incorporation did not last until the town was again incorporated, but was discontinued some time before the late war.

Memphis was incorporated by the county court at its February term, 1864, at which time a petition signed by two-thirds of the citizens and tax-payers of the town was presented, praying the court to incorporate the said town with metes and bounds as follows: Extending one-half mile in each direction from the center of the public square of said town under the provision of an act of the General Assembly of the State, entitled "An act for the incorporation of towns, and to prevent the circulation of town and city scrip," approved November 23, 1855. In compliance with this petition the court ordered "That said town of Memphis be and is hereby incorporated under the provisions of said act, with metes and bounds as aforesaid, and it is further ordered that James S. Best, Charles Mety, James M. Scott, James F. Harle and Mitchell McCandless be and are hereby appointed trustees of said town, to serve as such until the first regular election on the first Monday in April next, and until their successors are elected and qualified." It was intended to incorporate the town a half mile square, but the language used in the description of the boundary could only be construed to mean a circular tract one-half mile in diameter. By common consent, however, the corporate limits were considered to take in a tract one-half mile square.

Again at the June term, 1870, of the county court, Maj. R.D. Cramer presented a petition, signed by two-thirds of the tax payers of the town, praying the court to incorporate it with metes and bounds as follows: "Commencing one-half mile due south of the center of the public square of

said town of Memphis, running thence west one-half mile; then north one mile; thence east one mile; thence south one mile; thence west one-half mile to the place of beginning, under the general statutes of the state entitled "An act for the incorporation of towns and the election of officers and powers of trustees revised and amended and passed March 20, 1866." In answer to the prayer of this petition the court ordered "That said town of Memphis be and is hereby incorporated under the provisions of said act with metes and bounds as aforesaid; and it is further ordered that Harrison H. Byrne, Geo. W. Stine, Philip Payne, Henry D. Wellington and Loami Mott be and they are hereby appointed trustees of said town, to serve as such until the first regular election on the first Tuesday in April, next, and until their successors are duly elected and qualified." Under this order the town remained incorporated until 1882, when the people concluded it was time to assume "city airs." The question of incorporating as a fourth class city, under the general statutes of the state, was submitted to the electors of Memphis at an election held in said month of April, and when the votes were canvassed the question was found to be decided in favor of such incorporation. At the same election S.C. Knott was elected mayor and C.R. Combs, W.D. Hudson, Philip Payne and J.M. Penny were elected aldermen of the city. The revised ordinances of the city, consisting of forty-two in all, were passed and adopted July 25, 1885. The officers at that time were N.A. Thompson, mayor; A.H. Pitkin, George H. Lawton, J.J. Townsend and C.W. Cole, aldermen and Thomas A. Rees, clerk. The corporate limits remain as they have been ever since the year 1870—one mile square.

The present officers of Memphis are C.F. Sanders, mayor; J.R. Bullard, clerk; W.T. Reddish, collector; A.P. Patterson, treasurer; W.L. Scott, assessor; L.E. Byrne, marshal; H.H. Saling, street commissioner; aldermen, first ward—Jacob Arnold and P.H. Bennett; second ward—J.C. Kinney and D. Secord.

*FROM THE
PRESIDENT*

From the President

It looks like maybe spring is on its
way. I sure hope so. We will sure
appreciate the warm weather when it

gets here. Then we will be so busy
with gardens, yard work and other
outside work. I am looking to my
grandkids being here over Easter and
also this summer. I hope to take a
girls only trip with some of my
grand-daughters.

I was really pleased with the nibble
and read sale. We did really well.
And nobody fell on the ice while
hauling books.

I am attempting to index one of the
scrap books. I got two pages done
already. I should be done in a couple
of years. It is going faster than I
thought it would.

I am still working on getting my
Buford family into my computer. I
plan to put it on the internet when I
finish. I am trying to make sure that
all the info is correct and
documented. I have found some
mistakes that I know are wrong
because this was my grandmother's
family, but I am trying to find
documentation to prove it. It is
going fairly well since they are
buried and lived in this area for
several generations. I got a phone
call from a Hayes in California who
was looking for Hayes' who lived in
Missouri and moved to Iowa. My
husband's family did that. We could
not find any common names, but she
sent me her names so I could look

maybe she will be in that. I am
going to look for the graves of
her ancestor and sent her some

EDITOR

It was brought to my attention that
since we have to cut down the length
of our quarterly that we only place
our "FOR SALE" items in only once at
the beginning of the year and maybe
again in the middle of the year. I
would like to hear from any and all
of you what you think of this idea.
Is it a good one or a bad one? I will
do as the majority rules on this
idea. In the meantime I will continue
as I have been until I hear from more
of you.

For some reason this fixture was taken from the memorial and has now been found and they are wanting to restore it and place it in its original home. Any help, large or small would be appreciated.

Donations should be marked "Fountain Project" and sent to Scotland County Community Betterment Group. 117 S. Market St. Memphis, MO. 63555.

SCRAPBOOK OBITUARIES INDEX

BOOK H-I

This scrapbook of obituaries were compiled by Eva Mallett in 1986 and continued by D.J. Tague. The Scotland County Memorial Library passed these books on to us since they were short on space.

There are a few memorial notices and family reunions but most are full obituaries taken from newspapers. Basically these newspapers are:

Memphis Democrat
Kirksville Daily Express
Quincy Herald-Whig
Ottumwa Courier
Lancaster Excelsior

We will make a copy of any article or obituary requested and mail it to you for \$1.00 each plus \$.50 for postage and handling. A self-addressed envelope would be nice but not required. That just minimizes misspelling on our part.

The obituaries marked with * are just notices rather than a full obituary.

FROM THE
PRESIDENT

I hope everyone is having a nice summer. Mine has been great, but a little wet. I have had grand kids here and took four grand daughters to Silver Dollar City. We had a lot of fun and everyone was on their better behavior.

I finished entering my Buford family into the computer. Am I ever glad. I also started looking up some ancestors. I have some I have been looking for a long time, and I go back every once in a while to see if I can find anything new. I found a death date on a gggg grandmother that was born in the 1700's. It gave her death date as "Living".

MINUTES
by Secretary, June Kice
APRIL 14, 2008

The April 14, 2008 meeting was conducted by President, Bonnie Hayes, with 11 members present. Minutes and treasurer's report were given and approved.

Correspondence included a \$100 donation from Robert and Joan Green of Eagle Mountain, UT and an e-mail containing an obituary for Mary Alice (Found) Frazee.

It was voted to hire Sarah McSparran and Brice to do the moving again.

Marlene Cowell asked to be excused from preparing the quarterly at the end this year.

Marlene reported finding an early map of Scotland County cemeteries on the internet but could copy only a portion of it. Several names were not known by those present and are presumed to be abandoned family cemeteries.

Marlene and June were appointed to take care of the slope north of the building where the huge bush had been removed.

Danny Priebe will build new steps at the north door when weather permits.

Nadine Johnson of Dixon, MO donated 2 books to the Society: "*The Grand Families of America, 1776-1976*" and "*The Baker Genealogies*."

Program for May will be another cemetery tour planned by Lee Ann Russell and Brenda DeMarce for Wed. April 23.

The program tonight was "*The Day George Washington Died*: and "*Finding George Washington's Faith*" presented by June Kice. Delicious refreshments were served by Verlee Dauma and Terry Arnold.

* * *

MAY 12, 2008

Thirteen members gathered for the May 12 meeting. Business meeting was conducted by President, Bonnie Hayes. Minutes and treasurer's report were given and approved.

Correspondence: Query for research for Valentine Ruth and Mary Marie Ruth; query for information regarding school teacher Nelda Jones; information on the Masonic cemetery.

Still no volunteers for editor for the quarterly.

Grace Brown donated some school directories for one-room schools in Scotland County.

The possibility of building a ramp at the north door was discussed. It was decided to use the south door as a handicapped entrance (as it already has been) as it is already wide enough for a wheel chair.

Another work day was scheduled for Wed. May 21. Verlee Dauma volunteered to wash the curtains. Bring window washing supplies.

The cemetery tour had to be cancelled due to wet, muddy roads.

Programs and refreshment committees for the next 3 months were set up: July, Verlee and Joanne will help all members to learn to do research with our

available materials. Refreshments by Bonnie and Treva; August, Show and Tell pictures of early female ancestors. Refreshments by Grace and LeGene; September, Re-schedule cemetery tour. Refreshments, Thelma and June; October, Open. Refreshments by Verlee and Harley Dauma.

Everyone is to be thinking of ideas as to how to work the quarterly. Refreshments served by Barbara and June.

* * *

JUNE 9, 2008

The June 9 meeting, conducted by President, Bonnie Hayes found 13 members attending. Routine business of minutes and treasurer's report were approved.

Correspondence included dues and a query seeking information Hosea Sprague.

President Hayes appointed herself, Terry Arnold and Verlee Dauma to be the quarterly committee. June Kice volunteered to contribute articles. All members will help as needed.

June reported that her son, James Kice, has donated a barbecue grill to the Society to be raffled during Antique Fair. Tickets will be \$1.00 each or 6 for \$5.00.

Program was given by Verlee about Indian tribes in Missouri. She said much information is available on the internet titled "The Trail of Tears". As usual Verlee's presentation was very interesting. She donated the publication "American Indian Tribes" to the Society. Thanks Verlee for this and all you do for S.C.G.S.

A discussion followed during social time regarding the annual "Read and Nibble" fund raiser. We have acquired so many books again that we thought it might be possible to have another book sale this fall, with or without the cookies, and hold it in our building since it would be on a smaller scale than our winter one. This would save a lot of hard work, packing and moving material to the Antique Fair building.

Delicious refreshments were served by Treva Wittstock and Marlene Cowell.

If I could only find her I could get a lot of info.

I am out of news since it has been kind of slow due to weather. We were unable to do the cemetery tour. I finally got the pictures of the tombstones of the Hays family from California that called me. I got a nice note back from her. I had to explain to her that the reason it took me so long was that it was wet and muddy. Someone from California probably doesn't see a lot of mud, especially like Missouri clay.

Good luck with your hunting. Bonnie

EDITOR

I told the Society at the April meeting I have had this job for at least 20 years more or less and I feel it is time to turn this quarterly over to another member. So, they haven't come up with someone to date but am sure they will when it comes down to the wire. Sometimes I think I have more faith in the group than they have faith in themselves!!!

I have enjoyed this job very much;

have met a lot of new friends through this job; many have contributed to the quarterlies, for which I am grateful for making my job easier; made a lot of mistakes but everyone graciously forgave me so I have no complaints at all. I just feel like I am burning out and new people bring new ideas which is a good thing for the Society. We have new officers every two years and each brings their strengths to the Society and now it is time to do the same for our quarterly. So at the end of 2008 I will cease to be your editor and try to become a contributing member to the new editor or whatever the Society needs me to do. Any editor can tell you that "deadlines" are killers and I find myself burning out on those especially. As I said I have enjoyed the job but it is time for "new blood" to take on the work.

OBITS

SCRAPBOOK OBITUARIIES

Book H-I

This scrapbook of obituaries were compiled by Eva Mallett in 1986 and continued by D.J. Tague. The Scotland County Memorial Library passed these books on to us since they were short on space.

There are a few memorial notices and family reunions but most are full obituaries taken from newspapers. Basically these newspapers are:

Memphis Democrat
Kirksville Daily Express
Quincy Herald-Whig
Ottumwa Courier

Lancaster Excelsior

The obituaries marked with * are just notices rather than a full obituary.

We will make a copy of any article or obituary requested and mail it to you for \$1.00 each, plus \$.50 for postage and handling. A self-addressed envelope would be nice but not required. That just mimamizes misspelling on our part.

AN OLD SAND HILLER INTERVIEWED

Our Correspondent Talks with a Scotland County Justice of the Peace of 34 Years Standing

PERSONAL REMINISCENCES

In an interview with Esq. Ferryman, of Sand Hill, we glean the following:

"I was born in Hampshire county, Virginia in 1810, and I am now 70 years old. Moved to Missouri and settled near Sand Hill on the 21st of November, 1841, and have lived in a mile and a half of the place ever since. When I came to this place there were three families living in Sand Hill and living near Sand Hill the following named persons: Reuben Cornelius, James Hicks, John Hendrix, William Myers, Major Smith, Geo. Forrester, James Davis, and old [not legible] and some few others. I do not remember the names of them now. There was a settlement north-west of where Memphis now stands, called the Hairy nation. The land where Memphis stands was covered with timber at this time.

"The first store of any note in Sand Hill was owned by James L. Benson. I have voted for the following named persons for president: William H. Harrison, James K. Polk, Zachary Taylor, Franklin Pierce, James Buchanan, John C. Breckinridge, Abraham Lincoln (in 1864), Horatio Seymour, Samuel J. Tilden and Winfield Scott Hancock. Saved seven votes and lost five.

"When I first came to Sand Hill, Scotland was not organized, and at a public gathering you would not see more than fifteen or twenty men and some of them would have to come ten miles. I was captain of a militia company and had twenty-three men on the muster roll. John Darby was our colonel. There was one term of court held at Millport and then court was moved to Sand Hill. Judge McBride held three terms of court at this place. When Scotland county was struck off, Selden Grout was our first circuit clerk, Major Smith, treasurer, and James L. Jones, sheriff. Grout died during the time the courts were held here and Major Gorin was appointed to fill the vacancy. Sheriff Jones was very popular with the people. The grand jury held their sessions out of doors and their seat was an old white oak log. When the sheriff would call around to see if anything was needed he would pass the bottle.

"Beginning with Foreman, I heard Judge McBride say that Major Gorin was the best clerk on his circuit. The members of the bar at Sand Hill was composed of several men who have held important offices since. James Green, United States senator from Missouri; Thos. L. Anderson, an ex-member of congress; Counselor Pratt, of Palmyra; James Abernathy, of Paris. These were all young men at this time. I was commissioned a Justice of the Peace in 1848, and have held the office ever since. At one time I was the only Justice in the county. I have married about fifty couples; I had the best business in that line during the war; I have had some important cases come up for trial before me. I committed a man for robbing Mort. Cole's store; he went to Jefferson. I have had two murder trials. The first was Brooks for killing Lincolnfetter; both minors. The law was different in those days from now, and the accused was acquitted of willful murder. The second case was Austin Spencer for the killing of John Beele. This trial lasted one week. Col. Gantt, of Edina, conducted the prosecution, and McKee and Randolph, of Memphis, appeared for the defendant. Defendant was acquitted. I have had numerous cases of misdemeanor come before me. I have attended circuit court at Memphis when we used to meet under a large oak tree that stood just south of where the jail now stands.

"Our first circuit rider was a boy by the name of Turner. He used to come along once in six or eight weeks and would preach at some house. Our congregations usually numbered from three to six persons. The promise "where two or three are gathered together in My name," was especially adapted to us at that time, for it was just about as big a crowd as we could get together.

"From 1854 to 1860 there was a great deal of horse-racing at Sand Hill. Charlie Mety and I unloaded the first load of goods ever brought to the town of Memphis. Teams crossed the Mississippi river on the ice on the 12th day of April, 36 years ago."

From the *Memphis Reveille*, 23 February 1888:

DIED – FERRYMAN—Henry Ferryman died of old age at the poor farm last Saturday [February 18]. Deceased is an old resident of the county, and was honored and respected for his honesty and purity of character. When we first knew him fortune had not withdrawn its beneficent smiles. He was serving the people of Sand Hill township as justice of the peace. This office he held for many years, and for aught we know, he served the people faithfully and well. In the afternoon of life, what little property he had took wings, and he became a county charge. He has now gone to a realm where worth counts for more than wealth, and every one of his fellows will follow sooner or later, just as poor as he so far as money is concerned.

Circuit Clerk Mety last year issued 123 marriage licenses. They were distributed through the year as follows: January 10; February 17; March, 13; April, 12; May, 5; June ,6; July, 5; August, 1; September, 19; October,8; November, 18; December, 14. These figures are hardly up to the records of two or three years previous and the one license in August marks it as the dullest month in the matrimonial market in many a year. Twelve of the young men and fifteen of the young ladies to whom licenses were issued had *not attained their majority and had to get the consent of their parents before the clerk would issue the license.* In all but half a dozen cases one of the contracting parties was a resident of Scotland but the record shows that out of the 123 licenses eleven of the prospective brides did not reside here and that twenty-seven young men who were not residents of Scotland

County came here to secure a legal permission to wed.

There will be no ice famine in Memphis next season. All the dealers have filled their ice houses and quite a number of parties have put up a supply for their individual use, so that altogether there is probably twice as much ice put up in Memphis this year as there was last. All of it is good clear ice nine or ten inches thick and of better quality that is usually secured here.

A specialist from Chicago was summoned and by the Xray discovered it to be in the hip joint. The bones had commenced to grow together and they were obliged to break the limb again and set it over.

ODDS & ENDS

DID YOU KNOW?

Do you know that at military funerals, the 21-gun salute stands for the sum of the numbers in the year 1776?

Have you ever noticed the honor guard pays meticulous attention to correctly folding the United States of America Flag 13 times? You probably thought it was to symbolize the original 13 colonies, but we learn something new every day!

The 1st fold of the flag is a symbol of life.

The 2nd fold is a symbol of the belief in eternal life.

The 3rd fold is made in honor and remembrance of the veterans departing the ranks who gave a portion of their lives for the defense of the country to attain peace throughout the world.

The 4th fold represents the weaker nature, for as American citizens trusting in God, it is to Him we turn in times of peace as well as in time of war for His divine guidance.

The 5th fold is a tribute to the country, for in the words of Stephen Decatur, "Our Country, in dealing with other countries, may she always be right; but it is still our country, right or wrong.

The 6th fold is for where people's hearts lie. It is with their heart that They pledge allegiance to the flag of the United! States Of America, and the Republic for which it stands, one Nation under God,

indivisible, with Liberty and Justice for all.

The 7th fold is a tribute to its Armed Forces , for it is through the Armed Forces that they protect their country and their flag against all her enemies, whether they be found within or without the boundaries of their republic.

The 8th fold is a tribute to the one who entered into the valley of the shadow of death, that we might see the light of day.

The 9th fold is a tribute to womanhood, and Mothers. For it has been through their faith, their love, loyalty and devotion that the character of the men and women who have made this country great has been molded.

The 10th fold is a tribute to the father, for he, too, has given his sons and daughters for the defense of their country since they were first born.

The 11th fold represents the lower portion of the seal of King David and King Solomon and glorifies in the Hebrews eyes, the God of Abraham, Isaac and Jacob.

The 12th fold represents an emblem of eternity and glorifies, in the Christians eyes, God the Father, the Son and Holy Spirit.

The 13th fold, or when the flag is completely folded, the stars are uppermost reminding them of their nations motto, "In God We Trust."

After the flag is completely folded and tucked in, it takes on the appearance of a cocked hat, ever reminding us of the soldiers who served under General George Washington, and the Sailors and

Marines who served under Captain John Paul Jones, who were followed by their comrades and shipmates in the Armed Forces of the United States, preserving for them the rights, privileges and freedoms they enjoy today.

AUTOGRAPH OF A NATION

The idea of making a highway was begun in Missouri about 1909 by a group of women who formed a committee to locate the Old Santa Fe Trail in Missouri. This committee was influential in securing an appropriation from the State of Missouri to mark the trail with suitable boulders or monuments.

This idea further developed into plans for a highway to be designated as the National Old Trails Road, by Act of Congress, and the work of marking was carried on in conjunction with the National Old Trails Road Association.

In 1911, the National Society Daughters of the American Revolution established a national committee, known as the National Old Trails Road Committee, whose work was, primarily, to definitely establish the Old Trails Road as a great National Memorial Highway.

In 1912, the National Old Trails Road Association came into being and stated in its bylaws that "the object of the association shall be to assist the Daughters of the American Revolution in marking Old Trails and to promote the construction of an Ocean-to-Ocean Highway of modern type worthy of its memorial character." The Association, under the presidency of Harry S. Truman, guaranteed the expense of the erection of the monuments.

In 1924, the plan was changed from a proposed small cast iron marker on the trails to that of erecting 12 large markers. In 1927, the Daughters of the American Revolution Continental Congress accepted the design--The Madonna of the Trail.

The Madonna of the Trail is a pioneer woman clasping her baby with her young son clinging to her skirts. The face of the mother, strong in character, beauty and gentleness, is the face of a mother who realizes her responsibilities and trusts in God. It has a feeling of solidarity--a monument which will stand through the ages.

The figure of the mother is of heroic proportions--10 feet high, with a

weight of 5 tons. The base upon which the figure stands is 6 feet high and weighs 12 tons. This in turn rests upon a foundation that is placed on the ground, standing two feet above the level which makes the monument 18 feet above the ground.

The figure and the base are made of algonite stone (a poured mass) of which the Missouri granite is used as the main aggregate, thus giving the monument a warm pink shade which is the color of the Missouri native granite. It was thought and expected that this stone has admirable aging qualities, and with time, would improve in color and solidarity.

On the two sides of the base are to be found words of historical data or local commemoration. These inscriptions are of the Revolutionary period or early history in respective localities. Among the inscriptions on the Indiana statue is an inscription indicating the nearby site of Indiana's first tollgate on the National Road (US 40).

These monuments were erected in each of the 12 states through which the National Old Trails Road passes. The design of the monument was that of the sculptor August Leimbach of St. Louis and was offered by Mrs. John Trigg Moss, Chairman of the National DAR Committee.

At Bethesda, Maryland during the week of April 19, 1929, the twelfth of the monuments erected by state societies of the Daughters of the American Revolution was dedicated to mark the Ocean-to-Ocean Highway in honor of the pioneer mothers of covered wagon days.

HOAXES AND SCAMS IN GENEALOGY

Source: Internet article by Kimberly Powell

If it sounds too good to be true, it probably is. Investigate before sending money for anything.

1. **The Phony Inheritance Scam:** you've been notified you are the sole heir to this recently discovered unclaimed inheritance. Sole heir? Have you no relatives anywhere? This Scam proceeds with asking you to pay the legal fees to receive information on how to get your rightful inheritance. Or the Scam will ask you to be part of a greater group who is financing the settling of the estate through estate lawyers. This Scam sounds so truthful it is easy to see why some people will fall for it. Again if sounds too good to be true, it probably is not true. Save your money.

2. **Family History Scam:** you receive a letter in the mail from a surname research company telling you they have researched your surname and have the book for sale. They have researched back as far as 1325 and have discovered your family Coat of Arms, too. The book and the coat of arms certificate are for sale for a limited period of time. You are even given the choice of purchasing both at a discount price or purchasing just one of the items. What you receive is a book with old telephone numbers from various places in the

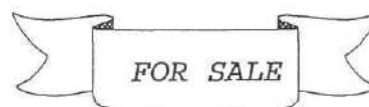

country. The Coat of Arms certificate is a generic symbol with a short definition of what the symbols represent. There was a company "Halberts" of Bath, OH that was shut down for this type of fraud.

3. **Coat of Arms misconception:** There are a very few individual exceptions in Eastern Europe, a Coat of Arms belongs to an individual not a family or a surname. The person holding a Coat of Arms is a direct descendent in the male line from the person who was originally granted the knighthood. Ask yourself how a company would know you have the right to display a specific Coat of Arms. To purchase a surname Coat of Arms is harmless as long as you the truth.

4. **Old Photo's From Afar:** This scam starts innocently enough: you receive a note from someone in a far distant place telling you they have found an old photo of someone with your last name. The photo was taken in your city or town and has writing on the back. Then the scammer asks if you want the photo, they will gladly send it if you will cover their costs, which includes mailing. You are then told the photo was purchased for \$10. They are never really that expensive. This scam is also used to bilk Genealogical Societies across the country. The person sends a note to the Genealogical Society telling them of the box of photo's they purchased at an antique shop all from a local photographer. They then ask for what they purchased the photo's for and shipping. The thing is you don't know the condition of the photo's and you don't know who the photo's are of. It's a good idea to steer clear of this scam.

FROM THE
PRESIDENT

FROM THE PRESIDENT

Well here it is almost fall again. It seemed like we would never have any summer, and then it seemed like it went so fast. Now you never know from day to day what the weather will do. All is quiet around my house again. All the grand kids are home and back to school.

It has been a busy time this quarter. The Antique Fair cookie sale and book sale in August. It was a great success. I had a call from a lady wanting to do some research in the genealogy building, so I set a time and met her up there. And then Verlee came to meet another lady. Both had some success. Our cemetery tour had to be called off again due to rain. We decided maybe July would be a good time.

I just changed to high speed internet and it is great. Dial up was getting so slow, I hated to look up anything, even Ancestry.com. Now I can fly through it.

Happy Hunting Everyone.

Bonnie

"Our youth now love luxury, they have bad manners, contempt for authority; they show disrespect for elders and love to chatter in place of exercise. Children are now tyrants, not the servants of their households. They no longer rise when elders enter the room. They contradict their parents, chatter before company, gobble up their food and tyrannize their teachers."

-Socrates (300 B.C.)

MINUTES
By Secretary: June Kice
July 14, 2008

The July 14 meeting of the S.C.G.S. was conducted by President, Bonnie Hayes, with 12 members attending.

Minutes and treasurer's report were approved as given.

Correspondence: Request from Carol Robertson researching Shawley, McClintock, See, Umphrey and Manes families. Announcement from St. Louis Genealogical Society of a program October 11, 2008, "Finding Our German Ancestors" at the Viking Holiday Inn; Invitation from the MO. Dept. of Natural Resources to the Aug. 23, 2008 program, "From Southwest to Midwest, the Story of German Migration to MO at the MO State Museum in Jefferson City.

New Business: How to decorate the new plastic coffee cans for our cookie stand at the Antique Fair. The consensus was to just cover the paper label on the cans.

June Kice reported Chris Harris invited the Society to tour the pre-civil war Leslie House. It was voted to do this for the October program.

Verlee Dauma reported indexing some old newspapers featuring the Methodist Church from 1844-1954. Will make a copy for the Resource Room. She and Harley also donated 3 books to the Society; (1) Index to the "Virginia Revolutionary War Land Claims, 1783-1853"; (2) "Another Visit to Valley Forge"; (3) Virginia Revolutionary Land Grant Claims Rejected, 1783-1850.

Also, a listing of Teachers of Scotland County, 1893-1936 was donated to the S.C.G.S.

Verlee and Joanne noted we need some taller shelves in the Resource Room. Harley is going to build them.

Barbara Howard presented some more Irish research books donated by Ann Jutte.

A very informative program was presented by Verlee Dauma and Joanne Aylward on how to use materials in the Resource Room.

Refreshments were served by Bonnie Hayes and Treva Wittstock.

August 11, 2008

Thirteen members were present for the August meeting of the S.C.G.S.

Meeting was conducted by President, Bonnie Hayes. Minutes were read and approved. Treasurer's report included a bill for the new steps and a donation from Don Norton to help with the cost.

Marlene Cowell and June Kice volunteered to plant daylilies on the slope west of the front steps. Marlene has unused mulch and June has used bricks to line the front of the bed. It was voted to pay Marlene her cost of the mulch.

It was voted to display our used books and other sale items in our building during the Antique Fair. Schedules for working the cookie stand and book display were set up. June will display the BAR-B-Q grill donated by her son, James, to sell tickets for at the Antique Fair.

Correspondence: The Mid-Continent Library has now moved and future correspondence is to be addressed to "Midwest Genealogy Center." It is still in Independence, MO but is south of the old building.

A research request from Mike Sweetman seeking Brewer information.

Marlene Cowell reported she has filled out the Corporation papers again and presented a bill for the \$10.00 fee.

Thelma Strong donated a 1962 Plat Book of Scotland County.

Joanne aylward reported a non-resident Mid-Continent Library card is available for \$20.00. It makes lots of data available on the computer.

Barbara Howard volunteered to give a decorated Christmas Tree to raffle during the Christmas Bazaar again this year.

Program was sharing pictures or antedotes of early female ancestors.

Refreshments were by Grace Brown and LeGene Padgett.

Next meeting will be another cemetery tour. Meet at the building at 1:00 p.m.

September 8, 2008

The September 8 meeting of the S.C.G.S. was called to order with 11 members present. Bob Hunolt joined the group at the close of another meeting.

Minutes were read and approved. Treasurer, Darlene Johnston, reported a sharp increase in the utility bill to the City of Memphis due to a large electrical surcharge. Total income from cookies, book sales, and the raffle during Antique Fair was \$883.35.

Correspondence: O'Donnells Pest Control reported no termite activity.

Bruce Rodgers of Rochester, MN donated a history of James H.C. Rodgers. Janet Pease of Arvada, CO donated a history of Lancaster family. Rosella Faulk of Kingsport, TN donated "Flower Mullins of Hawkins County, Tennessee and His Descendants 1759-2008." Our thanks for all these donations.

Our furnace and air conditioner are not working well. Joanne Aylward volunteered to contact a heating plumbing contractor to check on these items to see what our options are.

Program and refreshment schedules were set up for the rest of the year. The cemetery tour, much to our dismay had to be cancelled due to rain again.

Refreshments were served by Thelma Strong and June Kice.

EDITOR

This is my last quarterly. The new people are on board now and I am sure they will do a terrific job. I know it takes awhile to get up to speed on a new project so be patient with them. I am sure it will be better

than ever when they get used to what needs to be done. I remember when I sort of volunteered to take over this job when the young woman who was doing it at that time was going to college so could no longer do her job. I had no idea it would last this many years though!

I want to thank Lee Ann Russell for being a terrific proof reader. I think the only mistakes were when I

didn't have her proof it before printing the quarterly. Also, in a pinch Joanne Aylward did the same job for me even though she had her own job to take care of and I sincerely thank her for a great job. Thelma Strong also deserves a big thank you also for copying all of the school records in the courthouse and then proofing my typing them afterwards. I won't try to name them all as I am afraid I might miss someone but, a huge thank you to all of the members who turned in information for me to include in the quarterly over the 20 years. There were many.

I want to especially thank Dan Priebe for putting the new front steps and railings in and doing a few minor repairs inside. They were desperately needed.

Now I am looking forward to the new quarterly in the New Year and hope you are too!

THE GRAND INDIAN COUNCIL -
 FOURTEEN TRIBES SIGN THE TREATY OF
 PEACE

FORT SMITH, ARK., Sept. 18.

The rebel Creeks this morning came promptly forward and signed the treaty of peace. The best of feeling prevails among all parties in this tribe, as well as among the Seminoles, and they seem to have entered in earnest upon the work of reconstruction among themselves, and of restoring their former relations to the government. They exhibit a good spirit in their willingness to accede to the policy of the Government in relation to selling a portion of their lands, to be devoted to internal improvements in their Territory.

The southern Osages also signed the treaty. It is now signed by all the

delegates of all the tribes. Fourteen were represented, both loyal and disloyal.

As I wrote you last Friday, the proceedings of that day were not given to the public for reasons deemed prudent by the Commission. Circumstances since rendering it nowise improper that they should be known, I will state that the Commissioners on that day refused to recognize Mr. John Ross as the Chief of the Cherokees, for the reason as the Commissioners allege, that he has acted in bad faith with Government; has attempted while here to retard the work of the Commission; has endeavored to influence other tribes not to sign the treaty; has sown dissensions among his own tribe, and is not, as the Commission believed, the choice of the Cherokees for Chief.

These allegations are all denied by Mr. Ross. Mr. W.H. Ross has made a lengthy and elaborated defense, going to prove that the position of John Ross was one of strict neutrality until through force and compulsion he signed the rebel treaty; and that as soon as he could do so, and was afforded Federal protection, he repudiated those obligations and joined the Federal cause. Mr. Ross also presented a protest signed by the loyal delegation of Cherokees, against this action of the commissioners.

HOAXES AND SCAMS IN GENEALOGY

Source: Internet Article
by Kimberly Powell

If it sounds too good to be true, it probably is. Investigate before sending money for anything.

1. The Phony Inheritance Scam: you've been notified you are the sole heir to this recently discovered unclaimed inheritance. Sole heir? Have you no relatives anywhere? This Scam proceeds with asking you to pay the legal fees to receive information on how to get your rightful inheritance. Or the Scam will ask you to be part

of a greater group who is financing the settling of the estate through estate lawyers. This Scam sounds so truthful it is easy to see why some people will fall for it. Again if sounds too good to be true, it probably is not true. Save your money.

2. Family History Scam: you receive a letter in the mail from a surname research company telling you they have researched your surname and have the book for sale. They have researched back as far as 1325 and have discovered your family Coat of Arms, too. The book and the coat of arms certificate are for sale for a limited period of time. You are even given the choice of purchasing both at a discount price or purchasing just one of the items. What you receive is a book with old telephone numbers from various places in the country. The Coat of Arms certificate is a generic symbol with a short definition of what the symbols represent. There was a company "Halberts" of Bath, OH that was shut down for this type of fraud.

3. Coat of Arms misconception: There are a very few individual exceptions in Eastern Europe, a Coat of Arms belongs to an individual not a family or a surname. The person holding a Coat of Arms is a direct descendent in the male line from the person who was originally granted the knighthood. Ask yourself how a company would know you have the right to display a specific Coat of Arms. To purchase a surname Coat of Arms is harmless as long as you the truth.

4. Old Photo's From Afar: This cam starts innocently enough: you receive a note from someone in a far distant place telling you they have found an old photo of someone with your last name. The photo was taken in your city or town and has writing on the back. Then the scammer asks if you want the photo, they will gladly send it if you will cover their costs, which includes mailing. You are then told the photo was purchased for \$10. They are never really that expensive. This cam is also used to bilk Genealogical Societies across the country. The person sends a note to the Genealogical Society telling them

of the box of photo's they purchased at an antique shop all from a local photographer. They then ask for what they purchased the photo's for and shipping. The thing is you don't know the condition of the photo's and you don't know who the photo's are of. It's a good idea to steer clear of this scam.

MIDDLE FABIUS

Middle Fabius being one of the oldest churches in Scotland County is located in township 65, range 13 west, and is about 9 miles west of Memphis. It derives its name from the stream, Middle Fabius, which is very near.

Even before its organization it was noted as a site for camp meetings. It is also noted as having one of the most beautiful locations for a church in this county, it having a large natural park in front of the church with a drive from either side back to the church.

In the year of 1838 Rev. S.G. Briggs came to Scotland county and found the following members living near: George D. Slavin, Ann Slavin, Jno. W. Barnett, Margret Barnett, Catherine Givins, Elizabeth Isaacs and Marthy North. After meeting and worshipping at each others houses they built a small cabin house in which to worship and proceeded to organize a church with Rev. S.G. Briggs as pastor.

In the early fall of 1840 the members built a number of neat little cabins in which to lodge during the camp meetings and the writer has been told that they brought their cows along in order to have milk during their stay which was for a week or two at a time.

The writer was told by F.M. Hope, now deceased how the present cemetery was started.

He said that a peddler traveling through the country stopped at a home west of the church (now owned by M.L. Bondurant), where he spent the night and he took ill very suddenly and

died. And being a complete stranger the party living there sent his slaves to the present cemetery to dig the grave and they dug the grave north and south, instead of east and west as is the custom.

During the fall of 1841 members and neighbors built a hewn log church in the square of cabins which was used for 15 or 16 years when it was sold and the cabins abandoned and in 1857 a new church was built.

The present building was erected in 1877, the lumber being hauled from the river near Alexandria.

The first Sunday school was organized February 15, 1847 with Rev. S.G. Briggs as superintendent.

In the early day the old Pulltight store and post office (which was located 1½ miles east where the present road intersects the state highway No. 4), served the community.

Dr. J.D. Skidmore was the physician for the community and was known to be a friend to the poor. His home and office was located ¼ west of Pulltight.

Middle Fabius school (commonly called Pulltight), is located ½ mile west of what was known as Pulltight.
