LOOKING UP TO
BILLINGS WEST HIGH

As we go about our activities at West High, we have a chance to get to know our fellow students, our faculty, and our school. But what kind of impressions do future BWHS graduates have of all this confusion? The 1963 Westward staff has attempted to answer this question. Throughout the past months, Mr. and Miss West High of 1975 have become very familiar with West High, its students, and their activities. We have tried to capture their reactions to it all through pictures. Miss West High of 1975 is Nan Maloch, age 5, daughter of Mr. and Mrs. W. H. Maloch Jr. of 2442 Teton Avenue.

Mr. West High of 1975 is Corky Davis, age 5, son of Mr. and Mrs. Shirl Davis Jr. of 2046 Custer Avenue. The staff would like to extend its sincere appreciation to them for their unquestioning cooperation. We hope you enjoy their role in the 1963 Westward.

DEDICATION . . .

THE 1963 WESTWARD STAFF DEDICATES THIS ANNUAL TO—

The late William R. "Bill" Kenney, Billings resident and Montana Representative for Taylor Publishing and L. G. Balfour Companies, whose friendly dedication to the interests of Billings West High and to the success of West High yearbooks won the admiration and respect of all who had the pleasure of knowing him and working with him.

HIGHLIGHTS . . .

As we look back on this past year, each of us places something different at the top of our memory list. To everyone though, Christmas rated high. This was evident by taking a quick glance around the school. A gaily decorated tree graced the main hall, thanks to DECA Club. The chorus department presented *Amahl and the Night Visitors* and went Christmas caroling in the halls. Then as a grand climax came the Christmas formal! After weeks of preparation, Kadence Klub turned the cafeteria into a "Fantasyland" seemingly overnight. The music of the Swing-A-Longs and the senior boys quartet guided the dancers to a magic wonderland filled with miniature castles, Christmas trees, fantasy scenes, and angel hair. Remember? . . .

OF . . .

Everyone who attended the West High-Butte Central football game at Daylis Stadium will never forget October 13, 1962: the night BWHS became of age—our first class AA football victory! As the crowd counted down the final seconds, the scoreboard read 20-0. The final gun couldn't be heard as the fans went wild and the jubilant team carried Coach Theiss from the field.

Then there was the Friday night when over 3,000 people packed the West High gym to watch Toby Kangas's mighty Golden Bears trounce the over-rated Senior High Broncs by a score of 71-55. No one will ever forget the looks of horror and surprise that covered the faces of the Senior High fans as they watched what they had said "couldn't be done." All Bear fans were voiceless, some were crying with joy, and no one could hear over the noise as they left the crowded gym. All the West High fans had one feeling in common though—jubilation. They looked up at the scoreboard just to reassure themselves it wasn't a dream, saw the score, and smiled . . .

THE . . .

Behind every victory there must be a reason. What was the reason behind the BWHS victories this year, not only in sports but in many other phases of competition? There isn't just one simple reason but many, as many as there are West High students. Of course, there were many hours of hard work and practice behind these victories. The vitality of the cheerleaders and the precision of the band and majorettes were the envy of all and certainly helped encourage our teams. But more than the efforts of the majorettes and the cheerleaders, it was the spirit of the BWHS student body that made our teams victorious. Certainly one of the best known of these fans was West's first foreign exchange student, Jan Settergren. The good will displayed through Jan's marvelous personality went to prove once again that West is best . . .

YEAR!

The Billings West High School Band under the direction of Avery Glenn had numerous words of praise bestowed upon it as usual. To top it all off, our band was asked to perform at the Northwest Music Festival in Casper, Wyoming. This was an exceptional privilege as ours was the only Montana high school band invited. Bands from Montana, Wyoming, Oregon, and Washington were invited to participate in this festival. Other bands who also attended the festival were the Montana State University and the University of Wyoming bands. During the football and basketball halftimes and at band concerts our band exhibited the near perfection that won them this honor.

The highlights on the preceding pages are just a few of the memories of the past year. To these, of course, everyone must add his own personal memory highlights.

ADMINISTRATION

SCHOOL BOARD

ROW ONE: Mr. Paul O'Hare—Assistant Superintendent, Mr. A. L. LaBar—Chairman of Board of Trustees, Mr. M. C. Gallagher—Superintendent of Schools, Dr. James McBride—Board Member. ROW TWO: Mr. Carl Wark—Clerk, Mr. Edward Batt—Board Member, Mr. John West—Vice Chairman, Mr. Merle Price—Board Member, Mr. Norman Hansen—Board Member, Mr. Archie Cochrane—Board Member, Mr. Maurice Colberg—Board Member.

Mr. M. C. Gallagher

Dissension and school pandemonium rising from West High-Senior High basketball game arrangements announced in early December were forgotten by at least two West hot-rodders the following morning when they bounded into first period classes safely two seconds before the bell. The reason: their record-breaking performance was made possible only through the efforts of the School Board of District #2, who gave the West High parking lot a generous coat of asphalt last fall. This astute body of local gentlemen not only co-ordinates West High-Senior High inter-school activities and improves school facilities. They also may take credit for proposing bond issues which resulted in the construction of West and the new twenty-two room addition. Other duties include the purchase of numerous classroom supplies and athletic equipment, co-ordination of the new summer school program, and the hiring of faculty and staff members.

BILLINGS WEST HIGH SCHOOL
2201 ST. JOHNS AVENUE
BILLINGS MONTANA

Dear Students:

May 15, 1963

Because a continuous educational process is necessary in our society, the administration and faculty of Billings West High School are vitally interested in giving each student all the assistance possible for him to reach his highest level of achievement while in school and after he completes his formal education.

As the seniors leave Billings West High School it is our hope that each one will continue to develop skills, grow in knowledge, and acquire cultural interests that will make his life meaningful to himself and to our society.

OFFICE STAFF

This lively lady finds that, even with the help of the O.D.'s, she has more than enough work to keep her busy. If it weren't for Mrs. Creamer, it is doubtful that the office would accomplish anything!

Mr. Fitschen finds himself very busy as assistant principal and Student Council sponsor, so his work with the Junior Optimist Rifle Club is a pleasant relaxation.

Working with the Boy Scouts and writing for magazines keep Mr. Peters busy in his spare time. During the week he is a guidance counselor and a sponsor of Student Council.

GUIDANCE COUNSELORS

You know this energetic young lady as Senior Class guidance counselor and as sponsor of B.A.C. Every night after school Miss Carr hurries home to wash windows and to putter around her new house.

DEANS

Miss Madson finds most of her time occupied with her duties as Dean of Girls, but she also spends many hours working on the American Field Service Committee and is responsible for compiling BWHS's first handbook.

There is a new face in the Dean of Boys office this year. Mr. Gorton's interest in sports is evident in his activities as assistant track coach. Bowling and boating rate high on his list of hobbies.

CUSTODIANS

ROW ONE: Mrs. Hicks, Mrs. Kober, Mrs. Strong.
ROW TWO: Mr. Still, Mr. Benner, Mr. Gregg.
NOT PICTURED: Mr. Tehle, Mr. Ernest.

COOKS

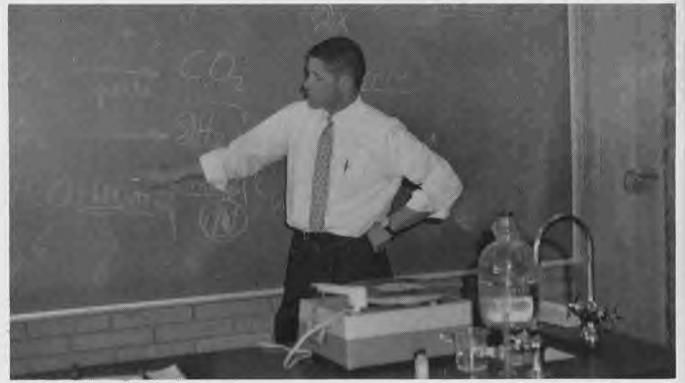

Mrs. Hadley, Mrs. Golay,
Mrs. Ostrum, Mrs. Moore,
Mrs. Huffman, Mrs. Cunningham,
Mrs. Kindsfater.

FACULTY

Mr. Bailey has a busy schedule teaching Art 10 and 11 and commercial art and supervising mural paintings. In his spare time he retreats to his favorite fishing hole or does some art work on his own.

Besides teaching biology and sponsoring Pioneer Key Club, Mr. Baker is a park naturalist in Yellowstone Park during the summer and a hiking enthusiast on weekends.

Eng. 12, Shorthand 11, and Kadence Klub constitute a busy schedule for lively Mrs. Bills, but golfing and skiing with her family and feeding her "monstrous" dog keep her relaxed.

Miss Brush, one of our most dedicated teachers, instructs advanced algebra and probability and statistics, college math, and plane and solid geometry, and sponsors National Honor Society.

Mrs. Buhl enjoys corresponding with foreign students, relaxing with her family at their mountain home near Richel Lodge, and teaching classes of Eng. 10.

Mrs. Conaway not only teaches Eng. 11 and sponsors Speech and Debate Club, but she also golfs and cleans up the messes her family makes with their hobbies. When things get dull, she dances with her Labrador (so she claims!).

Miss Cox, a plane and solid geometry instructor, has numerous hobbies ranging from hunting and fishing to cooking and sewing.

After straining his vocal chords with the A Cappella Choir, the Concert Choir, and the Girls' Chorus, Mr. Creaser likes nothing better than to putter around in his garden.

Although he teaches five classes of American History 11, sports-minded Mr. Desonia still finds time for golfing, fishing, and traveling.

After enlightening his chemistry, physical science, and Algebra 9 students, Mr. Dover enjoys going on camping, hunting, and fishing excursions.

As Eng. 10 instructor, Thespians sponsor, drama director, and choral enthusiast, Mrs. Dover keeps as busy out of school as in. Her hobby, sewing, comes in handy when play costumes need repair.

Mr. Duncan occupies his in-school hours with his classes of American history and civics.

Mrs. Enwall enjoys talking about international relations over a bridge table after teaching Spanish II and Eng. 10 and sponsoring Kadence Klub.

Upland game hunting consumes much of Mr. Fenex's spare time, but his five classes of biological science are his main interest.

Mr. Fox enjoys his activities as assistant Cub football coach, intramural basketball coach, and BWHS-BHS golf coach. Also, he teaches intermediate algebra and trigonometry and sponsors the Soph. Class.

Mr. Freeman satisfies his interests in sports by coaching the wrestling team and the Cub football line and instructing classes of Typing 11.

When he isn't directing the band in stirring concerts and rousing pep assemblies or chaperoning the band bus trips, Mr. Glenn is playing in dance bands and giving music lessons.

After four hours of push-ups with his physical education classes, Mr. Graves, as assistant football coach and head track coach, relieves his tensions on the sports field.

Instructor of Art 10 and Crafts 10 and 12, Mr. Greenleaf's interests include art, sports, and national defense. He is commander of the local United States Air Force Reserve Recovery Squadron.

Besides teaching Spanish 10 and 12 and sponsoring Spanish Club, Mrs. Hansen spends a great deal of time finding Spanish-speaking stations on her short wave radio to practice aural comprehension.

Mr. Holen is one of our new teachers this year. He divides his numerous talents among his civics and advanced bookkeeping classes.

One of our lively linguists is Mrs. Huff. This year she instructs classes of French 11 and German 10, although she also speaks Latin (and English, of course).

Mr. Jones takes great pride in the projects produced by the students in Woodshop 10 and advanced shop.

Besides teaching bookkeeping classes and sponsoring Lettermen, Mr. Kangas, one of our busiest teachers, is head coach of varsity basketball and Cub football and assistant track coach.

Mrs. Klampe, sponsor of Latin Club and instructor of Latin 9, 10, and 11, is interested in gardening and needlepoint, although these hobbies don't interfere with her Church Educational Commission work.

Mr. Laird, Sr. Class sponsor, is always on the go as coach of varsity football line, Cub basketball, shot and discus. He has many lively discussions in American government-economics and Montana history.

Miss Leonard enjoys sharing with her Eng. 12 classes her exciting experiences in foreign countries. Her hobbies include photography and horseback riding.

Physics and honor physics students have many challenging discussions with Mr. Linn. Besides stimulating the thinking of his students here, he also sponsors A.V.A. and Radio Club.

Mr. Lohof, a singing scoutmaster, likes to share with his modern world history and civics classes the slides he has taken while in foreign countries.

In her spare time Mrs. Lonner enjoys creative writing and the classical guitar. At school she is an active sponsor of Future Teachers of America and an instructor of Eng. 10 and 12.

After instructing Eng. 10 and typing and working diligently with our cheerleaders, Mrs. McCleave enjoys relaxing with her family.

Mrs. Majoros enjoys the students in her advanced typing and shorthand and notehand classes.

One of BWHS's more youthful teachers, Mr. Megerth is a tennis star; thus he is tennis coach. He takes pride in his informal classes of Eng. 12, honor Eng., and annual and is widely known for his "Joke Bored."

Mr. Morris, an Eng. 11 teacher, is interested in basketball officiating and journalism. In out-of-school hours, he golfs, bowls, and collects coins.

As instructor of Eng. 11 and sponsor of majorettes, Mrs. Nesbit leads an active life. She works with the girls in the summer and in the evenings during the winter.

Another new teacher at our school this year is Mr. Newell. He gives his dedicated attention each day to his classes of Algebra 9.

Mr. Nicholson spends his leisure time cultivating an appreciation of good music and other forms of art. His time at school is occupied by his classes of Eng. 11 and the KODIAK.

Mr. Patton, a rockhound and collector of old coins, teaches practical-minded students in his five classes of sales and work and business law. He also takes great pride in DECA Club, which he sponsors.

Business English and personal typing classes have a new instructor this year. After encouraging minds and fingers during school, Miss Paus enjoys singing in her church choir on Sundays.

Jazz and Ernest Hemingway interest this world history teacher and Thespians sponsor. Miss Perry's other interests include sports and politics.

Mr. Peterson, a courageous man with nerves of steel, takes his life in his hands daily. He teaches five classes of driver training and assists in football, basketball, and track.

When he isn't guiding his students through the wonders of chemistry, Mr. Raab is often working with the track team. His non-school activities include bowling and scientific reading.

Mr. Randall, sponsor of Jaybees and the Soph. Class, conducts classes in Mechanical Drawing 9 and 10 and Woodshop 9. When he finds a little spare time, he goes hunting and fishing.

A new mathematics teacher this year is Mr. Reichert. Showing his versatility, he teaches classes of Algebra 9, plane and solid geometry, and Mechanical Drawing 9.

A competent member of our mathematics department is Mr. Reynolds, instructor of geometry, intermediate algebra, trigonometry, and General Math 11. Hunting and photography consume a good deal of his spare time.

Miss Robocker uses her knowledge of homemaking both in her classes of Home Economics 10 and 11 and in her own home. Besides instructing her numerous classes, she also sponsors FHA and the Sr. Class.

Cooking, decorating, and reading occupy the private life of Mrs. Rollins. Sponsoring BAC and instructing classes of Eng. 10 and 12 add variety to her teaching day.

Miss Shaughnessy's interest in languages is evident in her teaching of French 10, 11, and 12. Her other interests include French Club, which she sponsors, and drama.

Woodworking and golf take Mr. Theiss's mind off his hectic but rewarding job as head football coach, assistant wrestling and track coach, Lettermen, Jr. Class sponsor, and plane and solid geometry instructor.

Our active girls' health and physical education instructor, Miss Weeks, is interested in all sports, classical music, and literature. She sponsors both Pep Club and GAA.

Mrs. Wells, librarian and Jr. Class sponsor, not only helps students find books but also instructs student librarians in the mechanics of our library. Art and travel are high on her list of hobbies.

Besides teaching courses in World History 10 and American Government 11 and acting as Activities' Treasurer, Mr. Widenhofer sponsors Jaybees. In addition he's studying to receive his Master's Degree at EMC.

Mr. B. Young works hard with the orchestra in preparation for concerts and musicals.

Reading, golf, and athletics dominate most of Mr. J. Young's out-of-school time. Besides teaching American History 11, he sponsors Plebicos, is in charge of cross-country, and is Athletic Dept. treasurer.

Seniors are very close to the adult world and still, not quite part of it. They are very sensitive to this world and tend to be critical of adults who have gone before them. (Don Matt)

I wish I could tell the sophomores and juniors to be sure and get the best they can out of each of their high school days. (Pat Price).

I doubt if the faces of my senior classmates will be blurred by time for the senior, unlike the sophomore and junior, is more of an individual. (Ray Harrington)

Seniors no longer have the unquestioning acceptance of everything they had when they were younger. (Don Matt)

Some seniors will graduate with a cry because they have hibernated during their preparatory years and are tremulous of the coldness spring sometimes brings. (Phyllis Disel)

We've finally made it, and just think; we're the first class to complete three full years in the new Billings High School. (Skip Weidler)

Seniors Officers: President—Dale Scilley, Vice-President—Bill Tronson, Secretary-Treasurer—Judy Ostermiller.

"SENIORITIS"

Every moment spent in a senior's life is important because not another like moment will be spent again. (Donna Lundstrom)

As my senior year ends, I feel that I have jumped one of the biggest hurdles in my life. (Dave Nybo)

Spring is a sunlit doorway to summer and, for seniors, more freedom than ever before. When you are stricken with the fears of being let out of your cage to live for yourself, you must remember that people have been graduating for years. Then again, if you flunk, there's no better place. (Tom Buck)

We all have learned, not from books only, but from growing up. No time to be timid and no time to relax. This is our year of decisions. (Bev Senter)

So I'm a senior . . . What do you mean, How does it feel? I need an aspirin. (John Bottman)

AS SENIORS . . .

Some of us worked in the library on our research papers, while others . . .

Most girls spent their latter days of class dreaming about the Prom.

Most boys, however, spent their latter days of class, thinking about the money they would have to raise to go to the Prom.

. . . And I was hoping they wouldn't catch up with me for years!

We realized that the doors of West High would close behind us for the last time and that we would have to find ourselves in the future as part of the adult world.

JUNIOR-ITIS

Being a junior is exactly as I hoped it would be; a happy medium. (Suzi Feldman)

A junior needs to find something. He searches for it through conformity and finds it through individuality. (Velvelee Mann)

Now that I am a junior, the thought of only one more year of high school seems to scare me. (Paula Jones)

The junior year is very important in college planning. You must decide on the college you wish to attend so you will take the necessary courses as a senior. (Ginny Roland)

A junior in high school is comparable to being the second child in a family of five. This is the year of decision and confusion. (Jay Ashcraft)

A junior is in the middle of the stream with no turning back and just a year left ahead of him. (Del Wade)

The junior year is the in-between year. During the junior year a person feels more a part of the school. Seniors and sophomores alike accept him. (Judy Fox)

After high school I hope to remember my junior year as the biggest and fullest year of my life. I will look back with tears in my eyes to the experiences that made me a better citizen. (Margi Magruder)

The junior year plays a big part in your occupation. So look ahead: it is still coming, and what you do now determines the future. (Bill Hensley)

As a junior I have finally reached the peak of another mountain. Now it is up to me to finish my goal with "flying colors." (Dianna Zeiler)

SOPHOMORE-IT IS

I saw the school not only as a building with new halls and new faces, but as a challenge—a real challenge for me to meet. (Barbara Congdon)

Wonder what the kids are going to be like? Wonder if I'll ever become lost and maybe late for classes? (Vicki Munson)

The whole place was constantly busy and it seemed to be a combined effort, like the football team, to attain a certain goal. Everybody was full of enthusiasm, and they never let up. (Greg Tollefson)

At first a feeling of inferiority struck. This feeling still surrounds me at times, although now I feel "right at home" here. (Mary Lou Cousins)

Looming up a few blocks away, it crouched as if to spring on me and snatch away my freedom. Unfinished lawns, stark brick walls, and empty windows seemed to radiate an air of tests and report cards. (Jim Knäpp)

The shiny waxed floors made me feel proud to go to such a school where people cared about such things. The huge gymnasium with the unscratched gym floor had a similar effect. (Alan Russell)

The classrooms were simple with just what was needed, teachers and desks. The teachers seemed nice, so did the desks. (Joann Ficek)

My greatest fear in entering West High was the upperclassmen. (Peggy Hinnaland)

I liked most of my teachers at once, but a few of them tried to scare us the first day. (Larry Harrell)

At last I was in "Peanut Butter Land." (Gary Williams)

The good food created a lasting impression. (Nancy Eisenbeisz)

The hallways seemed to go on forever. They turned and stopped only when it was absolutely necessary. (Chris Goulding)

Finishing the season undefeated this year, West High's Bounding Bears brought home the Class AA Championship in cross country.

The outstanding runner was Fred Friesz, a junior, who placed first in every meet. Rick Cole and Wayne Israel, pictured above, had a personal duel for second in many of the races.

Lettermen this year included Bob Chaffee, Wayne Israel, Conrad Swedenborg, Gary Leete, Fred Friesz, Dennis Eubank, Bob Hanley, and Rick Cole.

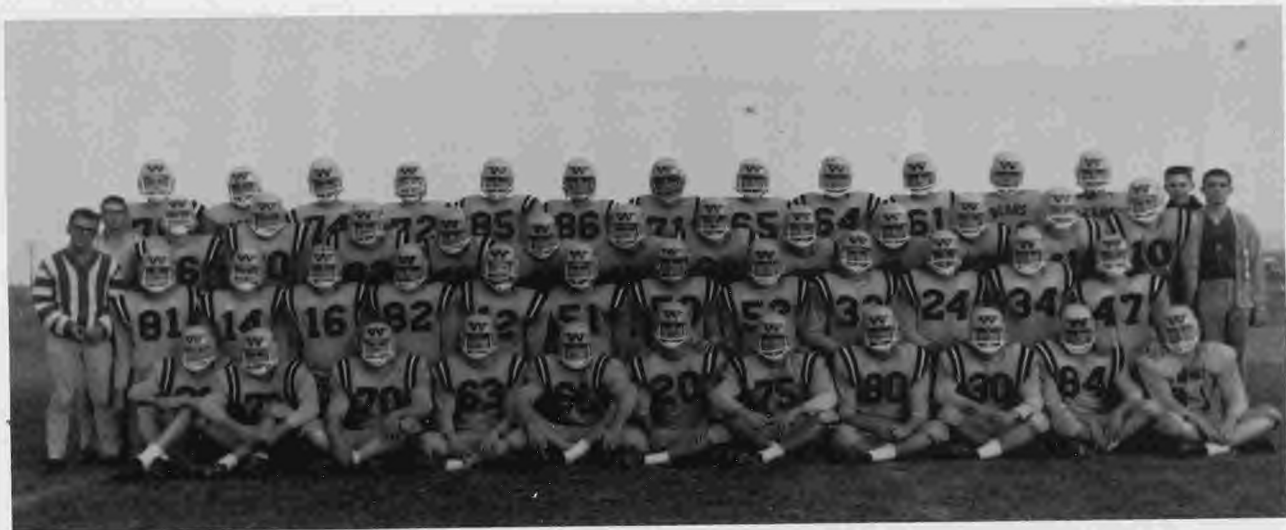

Nineteen sixty-three should be another banner year for the boys in gold. Fred Friesz, Rick Cole, and a host of up-and-coming underclassmen should be next year's state champions.

THE SEASON

Billings West High's 1962 Golden Bears started their football season with a 19-0 loss to the Miles City Cowboys. In their first conference game the following week, they lost to Butte Public 13-0, but after the game, the Butte coach said that it had been a long time since his boys had taken so much punishment. During the two weeks preceding the Senior High game, the Bears abandoned their ineffective Texas offense and returned to a modified version of last year's Wing-T. The sports writers picked the Bears to lose to the Broncs by three touchdowns, but when the final gun sounded, the score stood 13-12, the Bears coming out on the short end in one of the hardest fought games ever played in Daylis Stadium. The next week the Bears succumbed to the State Champion Great Falls Bison 20-0.

In the following weeks the Bears began to sparkle. They beat Butte Central 20-0 for their first conference win. After this win the Bears traveled to Kalispell where they trailed 13-12 at halftime, but they bounced back in the second half to maul the Braves 45-13. The Bears lost to Missoula 19-14, but led most of the game. A blocked punt in the West end zone during the final minutes of play gave the game to the Spartans. In a game in which every player saw action, the Bears triumphed over the Helena Bengals 42-14. In the season's hard-fought finale the Golden Bears beat the Anaconda Copperheads 18-6.

West High improved this year, finishing with a 4-4 conference record. Now that this year's team has shown that West High can compete with the other AA powers, it will be up to future teams to carry on a winning tradition.

West High's future Bears, the 1962 Cubs, started their season with a loss to the Great Falls J.V.'s 25-18. The following games were all easy victories for the sophomores. The Cubs' smallest margin was 21 points, excluding their 2-point victory over the Senior High Colts. The Cubs finished their season before the Bears. Nine of them joined the varsity and saw action against Helena. If the past record is an indication of their ability, these boys will be a real help to Coach Theiss next year.

Coach Freeman's young team started slow but picked up momentum as the season progressed. Much of the credit for the team's success must go to the sophomores and juniors who profited by their experience and became real "tigers" by the end of the season.

The highlight of the year was the second meeting with Senior High. Over a thousand people watched the event in the West High gym. Trailing 23-24 going into the last match, the Bears salvaged the meet, winning 28-24.

Eight of the Bears placed in the divisional meet in Bozeman where West finished third. Following their success in Bozeman, these eight boys were preparing to participate in the State Wrestling Tournament at Miles City as final yearbook copy was sent in.

VARSITY BASKETBALL

Hangas catches the Broncs napping.

This year's Golden Bear basketball team fared very well throughout the regular season. After drubbing four Wyoming teams and averaging over 75 points a game, they dropped by one point their first conference game in an exciting fracas with Senior High on the rival's court. They won the next three, upsetting Great Falls, the 1962 State Champion, by a comfortable margin. Great Falls got its revenge later in the season on their home court. In the following two weeks the Bears lost to Butte Public 51-57, and Missoula 68-82, while beating Anaconda 63-46 and Kalispell 78-49. In the return crosstown clash, the overrated Senior High Broncs were completely baffled by the underdog Bears' 16-point upset victory.

After the Senior High game, West downed Helena 65-53 but lost the next night to Great Falls 85-63. In the next two weeks, the Bears outran a much improved Butte Central team 62-51, pulled an upset on Butte Public 61-53, and battled off a last period rally to beat Anaconda 58-51.

The Bears as a whole were well balanced this year with four seniors, six juniors, and five sophomores. As this writeup is going to press, the Bears have yet to play Missoula and Kalispell, are in second place conference-wise, and could bring home the first place trophy in the "AA" tournament in Butte.

TRACK and FIELD

Coach Graves

Distance runner Wayne Israel, sprinter Bob Tenney, and weight man Ken Brunsvold symbolize the balance that characterizes the '63 squad.

Early in February a select group of boys began track workouts designed to prepare them for tough AA competition. As the '63 WESTWARD goes to press, the season has not yet started; however, if pre-season performance is a true indication, this year's track squad should be a real contender throughout the season and at Interscholastics in Missoula.

Coach Graves has said that this is the finest group of boys he's ever had at West High. The team has good balance and power. In most events the Bears have an abundance of depth, something West High has lacked in the past.

Bob McKay, Bill Starr, Fred Friesz, and Rick Cole give the Bears a big punch in the 880 and mile.

George Kirklin practices before the start of the 1963 season.

Gary Bell is one of the finest hurdlers in the state.

Juniors Don Hardin and Mike Ullman are a strong pair of javelin throwers.

Bill Pederson and the other pole vaulters work out on ropes to strengthen their arms and shoulders.

As soon as the snow begins to melt, the trackmen head outside for daily jaunts into the country.

When the weather is bad, the Bears do their sweating indoors.

To add to the interior of the building, the cafeteria was enlarged by the removal of a study hall wall, new science equipment was installed in rooms 202 and 204, and photographic equipment was purchased for the new journalism suite, rooms 123, 125, and 127.

EXTRA! EXTRA! READ ALL ABOUT IT!

Even the cheerleaders pictured at the left, representing the downtown school, couldn't cheer enough to change the score of the game which made February 1, 1963, a red-letter day for West High. For the first time in the history of West High, West came out on top in varsity conference play against Senior High. The Bronc cheering section came decked out in their sunglasses "to overcome the brightness of the West High gym." Bear rooters merely brought their school spirit. The majorettes presented a half-time performance which gave everybody even more reason to be proud of West High. Following the final second of the game there was an uproar in the gym. Boys lifted each other up in the air, girls cried, the team lifted Coach Kangas to their shoulders, and people hugged their friends. It was a game to remember, truly a red-letter day!

When the energetic girls in Kadence Klub decide to do something, they really do it. Their main project this year was raising money for A.F.S. First a car wash on a sunny Saturday afternoon helped them toward their goal, then their assembly featuring Sue Hutton and Jan Settergren. These are just a few of the many projects of Kadence. They prove that they are a necessary part of B.W.H.S.

THE HOLIDAY SEASON

A welcome sight at West High.

Christmas music, compliments of the choral department.

Who's too old for Santa Claus?

Little does one think of the work that goes into preparing for a formal. After a boy asks a girl, his job is hardly completed. If he doesn't have a dinner jacket or suit, he must rent one. By following some hidden formula, he finds out what color the girl's dress will be and orders a corsage. The girl, on the other hand, must plan what she will wear—dress, shoes, gloves, and other accessories. Her hair also must be set. If she chooses to do so, the girl may order a boutonniere for the boy.

On another level, many committees are needed to plan the decorations, refreshments, entertainment, and programs for the formal. As can be seen, much time and money are spent before the final fling—the formal!

Decorating: As much fun as the formal!

Won't \$1.49 be enough?

CHRISTMAS FORMAL

Fantasyland was the theme of this year's Christmas formal, sponsored by Kadence Klub. The reflection from the mirrored ball, revolving from the center of the ceiling, shown on the Swing-A-Longs, who provided music. A quartet consisting of Gil Acheson, Ken Brunsvold, Vaughn Smith, and Mike Hink sang.

A mural of characters from Fantasyland, a wishing well, and an old castle were part of the decorations. The punch bowl was made of ice in which pink and white carnations were frozen. Floating everywhere were pink angel hair clouds.

The crowning of Ruth Rollins as the Snow Queen was the main attraction of the evening. Her attendants were Vicki Erickson, Eileen Bangert, Janet Russell, Roberta McKay, and Kathy Jones.

SNOW QUEEN, Ruth Rollins

AM AHL AND THE NIGHT VISITORS

In addition to the annual Christmas concert this year, the choral department presented *Amahl and the Night Visitors*. Susan Fish excellently portrayed Amahl's mother. Vincent Frank, a student from Lewis and Clark Junior High, helped out by taking the part of Amahl. As three wise men, Bob Orth, Mike Hink, and Ken Brunsvold added humor and spirit to the play. To make the story complete, others from the choral group took parts of town-folk. The production, directed by Mr. Russell Creaser, stimulated Christmas spirit in all those who saw it.

Every day fifth period, the hard-working members of the KODIAK staff meet to prepare the next edition of the school paper. The efforts of this crew have made our publication as outstanding as it is.

The paper is distributed to the students of West High every three weeks. Checking and re-checking are involved in publishing the finest paper possible.

The paper staff next year will be under the direction of Mr. Lew Morris. It has been suggested that in coming years students who wish to join the Kodiak staff must have at least a semester of preparatory journalism and the approval of their English teacher to qualify.

The KODIAK staff and its adviser, Mr. Homer Nicholson, deserve the appreciation and support of all the students.

WEST HIGH'S FIRST EXCHANGE STUDENT

A wonderful thing happened to Billings, and particularly to West High, August 15, 1962—Jan Settergren arrived. Jan was able to come to America as a participant in the American Field Service program. His host family is the H. W. Elliots.

Since his arrival this versatile boy from Hjo, Sweden, hasn't had one dull moment. Taking up a large part of his time is a variety of subjects—Spanish 11, English, Math 13, physics, civics, and personal typing. Jan's favorite hobby at school is "giving Mr. Lohof a bad time." When asked what class he favored, he readily answered, "Miss Brush's because of the good grades she gives me in math."

Besides schoolwork, Jan has found other things to occupy his time. Student Council made him an honorary member. At the meetings he is never afraid to express his opinion. Jan is also an honorary member of Pioneer Key Club. Skiing is, of course, his favorite sport.

Traveling throughout Europe, Jan has been able to learn German, Danish, Norwegian, French, and English. His future plans are to study at the University of Goteborg and to live in Switzerland. When asked what he thought of America, Montana, Billings, and West High, Jan said, "Just say I love it."

Even when the amiable boy leaves West High to return to Sweden, everybody will remember the enjoyment he brought while he was here. Receiving Jan Settergren as an AFS student was a truly great first for Billings West High.

A thermometer like the one pictured above helped everyone at West High keep track of the amount of money in the AFS fund this year. To send an eligible student to a foreign country and to bring another one to West, \$1300 was needed. Clubs had dances, assemblies, bake sales, and various other projects to earn money for the fund. Jim Howe, Keith Fulton, Jan Waldroop, and Suzie Redmon were students chosen as possible candidates for the summer program.

CHARLEY'S AUNT

Charley's aunt was quite the gal,
Of both the aunts we speak;
Peggy played the cultured one,
Bob Orth played the freak.

Mrs. Dover chose the cast,
And that she did so well;
After all those curtain calls,
Anyone could tell.

November 7th and the 10th,
The days they gave the show;
The stage crew did a lot of work,
Everyone should know.

Charley played by Allen Stump,
And Jack by Bradley A—
Why they fit the parts so well
It's very hard to say!

Leslie Kohn was Charley's girl,
And Kathy, "Kitty dear";
The way they played those darling girls,
They both deserve a cheer.

After all the work they did,
The cast deserved a rest;
Even though the play was fun,
The party was the best!

Student Council, composed of representatives from each of the first period classes, accomplished many of the tasks which helped activities at West High run smoothly. Mr. Donald Peters and Mr. Russ Fitschen co-sponsored the group, and officers were Jim Lionberger—president, Bob Scheel—vice-president, and Kathy Jones—secretary. Traffic problems in the halls, honor rolls, and school songs were some of the varied subjects discussed at the meetings. To earn money, Student Council sold class rings and sweatshirts. Several representatives from West met with others from Billings Senior High to plan the talent exchange assembly. Because of a decision in Student Council, some type of patriotic ceremony was introduced to all national school assemblies. Besides these things, Student Council generously donated \$200 to the Rick Hutton Benefit Fund. Obviously, without Student Council there would be many jobs left undone.

1963 "WESTWARD" SUPPLEMENT

Kathy Jones, Pat Price, and Eileen Clark are shown in some of the outfits they modeled at the Majorette Style Show, May 1. Modeling the clothes of prominent downtown merchants were the senior majorettes plus Mrs. Cox, Mrs. Wallis, and Mrs. Jones. Refreshments were served by the junior and the sophomore majorettes.

Talent assemblies are a big weight on a guy's mind, aren't they, Bob? Bob Orth and Ken Bennington were two of the thirty-five West High students who participated in the talent assembly given at Senior High on April 30, and at West High on May 7. Those participating were: Brass Ensemble, Trio—Ken Bennington, Lon Hoklin, Brad Anderson; Carol Cunningham, Pat Shaw, Ron Bradshaw, Stage Band, Bob Orth, Bruce Thomas, Vaughn Smith, Willy Ottinger, and Fred McKean.

Under the direction of Mr. Avery Glenn, West High's "Busy Band" lived up to its name. Band members included in their schedule the honor of a trip to Casper, Wyoming, for the Northwest Music Festival. Preparing for the combined band and choral concert given in May was another load added to their already packed schedule. One of the band members' favorite hobbies seemed to be selling records, as day after day throughout May one saw band members collecting dollars for "Let's Get Together" records. Of course, attending the band banquet, also in May, was no strain on anything but a few belts, as many band members will admit.

Jan Waldroop struggles under the grasping hands of Rachel Guay in the one act play "High Window," presented to the student body on May 10.

BILLINGS (WEST) BRINGS HOME THE BACON FROM BUTTE

This headline, modified slightly, appeared in the Billings Gazette, on March 18 of this year. It started a whole new era for West. No longer could the state of Montana think of BWHS as a new, inexperienced school. After only two years of AA Conference play, the school found itself at the top.

The Bears started the tourney off with a routine win over Butte Central. The next game was a runaway with the Bears drubbing Helena by thirty points and showing they were definite contenders for the AA title.

In the championship game, West was rated an underdog to Great Falls, the '62 AA champs. Throughout the first three quarters, Great Falls dominated, holding a ten-point deficit at the end of the third period. As the fourth quarter opened, West came alive. Tom Storm, the big man for Great Falls, went out via the foul route, and the Bison machine fell apart. Bob Hanley tied the score 64-64. Mike Welton then got fouled and put West ahead 65-64. Dale Scilley stole the ball from the Bison and it went to Lito, who put the game on ice 67-64.

The whole team should be greatly commended for their superlative effort to prove that, "WEST IS BEST."

VICTORIOUS BEARS WELCOMED HOME.

Bear Majorettes and Band perform at Championship game.

Three thousand students, parents, and fans welcomed home the State AA Champion Golden Bears from Butte March 17. This was the first basketball championship for the Bears, who have been in the conference for only two years. The rally at West High's parking lot began an hour before the bus arrived with cheers and songs led by the Bear Pep Band. Decorated cars, signs, pom poms, toy bears, and gold Pep sweaters added to the color and excitement.

When the team and coaches arrived, they were rushed mob-scene style to the gym door where they spoke to the crowd and showed the winning ball, basketball nets, and the trophy. These mementos were presented to Mr. Wallace at an hour and a quarter pep assembly the following Monday.

BRIGADOON

At the Senior High auditorium, March 1, 2, 4, and 5, 1963, *Brigadoon* was presented by the West High Chorus Department, under the direction of Mr. Russell Creaser. The leads were excellently played by Lee Ann Fry, as Fiona, and Mike Hink, as Tommy Albright. Jeff Douglas, played by Allen Stump, and Meg Brockie, played by Susan Fish, are credited with stealing the show. These cast members and many others portrayed the life in 18th century Brigadoon, a small town in Scotland, which came to life one day in every 100 years. The costumes, reproductions of those in the original Broadway production, added color and reality to this highly successful play. Many commented that it was among the best musicals ever produced in the Billings high schools. The scenery, directed by Mr. Bailey, and dramatics, directed by Miss Perry and Mrs. Dover, reflected distinctive professional touches.

TRACK SQUAD BLOOMS INTO AA CONTENDER

Bob Graves' West High track squad, finishing a strong fourth at Interscholastics in Missoula May 24, 25 (just 1½ points behind the rival Flying Broncs), displayed tremendous improvement over their four-point performance of the previous year. West provided stiff competition to all AA comers in a number of events, such as the mile and 880 with distance men Wayne Israel and Fred Friez (left). Friez grabbed second in the Interscholastic mile.

At right, Bob Tenney was an outstanding sprinter, copping second in the 100 and third in the 220 at Missoula. Record performances are anticipated from Tenney in the next two years.

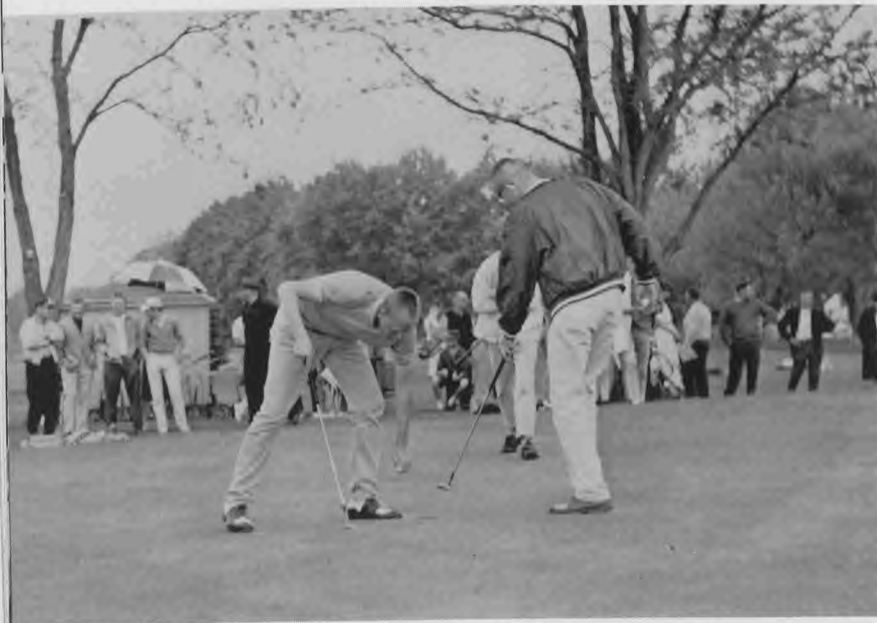

Perhaps West's best trackman, senior Gary Bell (left), was hampered by injuries much of the season but still sailed to seconds in both low and high hurdles at Interscholastics. His loss will be felt next season.

All but two of the West High squad that took the trip placed at Missoula.

The golf effort at West High this year was greatly hampered by the loss of three veterans of last year's state champions. On the whole, West had a good but inexperienced team. Two exceptions were Dick Nelson and Steve Elliot who returned from last year's squad. Elliot shot among the higher scores of the tourney at Interscholastics. Other members were Bob McCleave, Bob Hanley and Jerry Owen. Nelson was unable to participate in Interscholastics.

FUTURE PROSPECTS GOOD FOR BWHS TENNIS

West High racketeers continued to show improvement throughout the season with several sophomore beginners dominating the scene by the time of Interscholastics. Daily workouts with a strong Senior High team promoted fast improvement, especially for sophomores Randy Greer, (upper right hand corner) and Dave Klarich. Other beginners seeing action at Interscholastics were Kathy Lindeberg (lower left hand corner) and Mary Fay, sophomores; George Hangas, senior, and Roy Peterson, junior (center left)

Second-year players Kay Breshears and Jane Roberts, juniors, gained the quarterfinals of girls' doubles at Missoula, while Randy Greer took two three-set contests to reach the quarterfinals of boys' singles. Cheryl Grosshuesch, out with a leg injury all season, was manager. Mr. Megerth coached both West and Senior High.

"TEAHOUSE OF THE AUGUST MOON" PROM THEME

As couples walked into the Prom May 29 under a ceiling of turquoise crepe paper, they noticed the mural denoting the theme "Teahouse of the August Moon" at the north end of the gym. At the opposite end a squatty golden Buddha stared at the couples as they either danced or sat at the card tables with ming tree branch centerpieces. Noel Collins' Band played from a grass-matted stage converted into a Chinese garden. Entertainment was provided by the Frank Winter School of Dance.

CLASS OF 1963

Head-table celebrities Wallis and Scilley.

THE SENIOR BANQUET was Tuesday, May 28, 1963. This event, marking the final week of school for the seniors, was in the West High cafeteria. The tables were effectively decorated with graduation scrolls and mortar boards. A bouquet of gold and white flowers crowned the head table. The entertainment program consisted of musical selections by a boys' quartet; a speech by foreign exchange student Jan Settergren recounting his experiences at Billings West High School; and a reading of the Senior Class Will by Peggy Wallis. Dale Scilley presented a gift to Jan Settergren on behalf of the Senior Class, and Mr. Wallace gave a speech stressing the many activities and accomplishments of the graduating class. The Master of Ceremonies was Dale Scilley. John Stuart gave grace before the banquet.

CAP AND GOWN

BACCALAUREATE Services were Sunday, June 2, in the Lincoln Junior High School Auditorium. The sermon was given by the Reverend Dallas French. Music was provided by the B.W.H.S. Orchestra and A Cappella Choir. Bob Chaffee was Baccalaureate Committee Chairman.

THE CAP AND GOWN, sponsored by the Billings Service Clubs and the Billings Recreation Department, was at the Shrine Auditorium following graduation exercises. The decorations were of multicolor crepe paper with Kadence's crystal ball in the center of the ceiling.

One of 318 handshakes.

The climax of Senior Week was graduation exercises, June 4, in the B.W.H.S. gymnasium. Judge William Jameson spoke on the topic "Courage To Be Yourself." The Invocation was given by Ray Harrington, Valedictorian, and the Benediction was given by Linda Lees, Salutatorian. A trumpet solo by John Erickson and a vocal duet by Susan Fish and Ken Brunsvold were featured. Three hundred and eighteen Seniors received their diplomas to end their high school careers.
