## PREFATORY

Cumberland County was set off from Salem County and erected into a county by Act of the Assembly on January 19, 1747/8. The data from wills proved from that year to 1781 is taken from the Abstracts of Wills of New Jersey; from 1781 to 1804, from the original wills filed with the Secretary of State; and from 1804 to 1861, from the records of the Surrogate of Cumberland County.

For data on families residing in this locality prior to 1748, see "Salem County Genealogical Data," Vol. I.

In making searches the change in the meaning of words should be considered. In many of the early wills the words son-in-law and daughter-in-law mean stepson and stepdaughter; father-in-law means step-father; and cousin means nephew, or neice.
