We will be receiving the subscription at our own library instead of the City Library so our members and guests will have access to them. We will have all copies from Uan/Feb 1980 thru present.

Pastor Walter Pinnt has accomplished the impossible!!!!! With the help of one of the Computer Science students, the computer code for our cemetery listing of Madison County was "broken". We can now make changes and update our cemetery records. Other modifications are being studied by a committee consisting of Pastor Pinnt, Don Monson, Jean Allison and Harold Lyon.

See you soon!

DID YOU KNOW ??

IN JULY 1993 the National Park Service announced that hundreds of volunteers will type the names of 3.5 million Civil War soldiers onto computer diskettes. By early 1996, Americans will be able to find out their ancestors' links to the war by searching for their names and regiments on computers at the park service's 28 Civil War sites.

FOR JEFFERSON CO. (NE) 1860 census, see also Jones Co. Jones Co. was merged with Jefferson Co. between 1860 and 1870. For 1870 census of Nance Co., see the Pawnee Indian Reservation. The 1860 census of Madison Co. is included with Platte Co. The enumerator couldn't determine the county boundary and enumerated them as "Platte and Madison Counties."

CIVIL WAR TRIVIA

An interesting bit of Civil War trivia has to do with the names given some of the battles. The Federal Army named them after water facilities in the area, and the Confederates named them after land junctions, etc. Bays, creeks, lakes, and such were nothing new to the Southern boys, but urban landmarks were novel to them. It points up differences between the urban North and the rural South. For example, Shiloh Meeting House and Pittsburg Landing are one and the same battle. So are Sharpsburg (a town) and Antietam (a creek); Manassas (a town) and Bull Run (a river).

The above article was found in the Nebraska Heraid, Nebraska Territory, Plattsmouth November 15, 1865. If you have time, read the old newspapers. They have some very interesting articles in them. A quote under the NEBRASKA HERALD is "It any man attempts to haul down the American Flag, shoot him on the spot." From: Roots and Leaves, Eastern NE Gen. Soc. - Feb. 1991

White people who married Indians were not listed on the US census records if the marriage took place in Oklahoma, Arkansas or Missouri before 1889. They were considered part of the Indian Nation into which they married. In 1905, all Indians had to fill out a claim including children; grandparents, birth, death, etc. The National Archives has these applications to the Court of Claims.

LOST & FOUND

Looking for a missing heir or long-lost friend? The Social Security Administration's letterforwarding service will send a letter from you to the missing person providing the purpose of your search is either humanitarian (locating an estranged family or lost friend) or monetary (tracing a missing heir). "The letter has to contain information that we determine the missing person wants to know," says spokesman Phil Gambino. You have to provide the person's date of birth, parent's names or other identifying information. The agency won't reveal the person's whereabouts or verify that the letter was received: It simply acts as the intermediary. There's no charge for humanitarian requests; other searches cost \$3. Write to: Social Security Administration, Office of Central Records Operations, 300 N. Greene St., Room 1312, Tower Metro West, Baltimore, MD 21201. / :..

In November 1993 Vera Wilson and Ruthie Galitz started the NORTHEAST CHAPTER OF THE AMERICAN HISTORICAL SOCIETY OF GERMANS FROM RUSSIA. This is an international organization with our headquarters in Lincoln; Nebraska:

Our objective is to preserve our heritage. Our Grandfather were given land in Russia in the early 1700's, they were told by Katherine the Great and The Czar that they could live there as German citizens and never have to be ruled by Russian law. In the late 1800's Nicholas II changed that and the young men were being called to serve in the Russian army and the people being taxed be the goverment. They stated to leave Russia in the 1880's and came to the United States, Canada and South America.

We have set up a library which includes Books, Videos, Maps and Periodcals about our Families. The library is located at 314 So 13th Place call 371-0693 anytime.

Our meetings are held every 2nd Tuesday of the month at 7:00 P.M. We are still very small so they are held at members homes. Check our notice in the paper each month.
