Norfolk State Hospital (new cemetery)-- This cemetery is located along Benjamin Avenue near the junction with Highway 35. It is mowed regularly. The trees surrounding this cemetery were removed in recent years and a small fence was built. There is a row of shrubbery on the Benjamin Avenue side. There are not very many markers in the cemetery but a complete list of burials and plot numbers is available. Total burials are about 455. Contact the Madison County Genealogical Society for more information.
