

EVERGREEN CEMETERY

RIVERSIDE, RIVERSIDE COUNTY, CALIFORNIA

Compiled 1941 by Junior Genealogical Class of
Riverside, California.

US/CAN
Q AREA
979.497/R1
V2e

"Cemetery records gathered by Junior Genealogy Class of Riverside, California. Sister Beatrice Westover, teacher.

"The Class planned a number of parties last summer. The morning was spent gathering this record, after which they went on their bikes to Fairmont Park for a swimming party or a picknic.

"During class period if their deportment was poor they were taxed a nickle or a dime at their own suggestion. This would help buy refreshments."

--Mrs. Charlotte C. Petersen.
