F O R E W O R D

This yearbook is published for you students of Stockton High School with the hope that it will afford you, the students, many pleasant memories of those days of fun and work which made up your years throughout your high school career. Not only will this book remind you of the school, students, and faculty, but we also hope that it will remind you of the men in our armed forces. Although it is impossible to catch every phase of student activity and organization, the staff has tried to present the high spots of school life. We, the staff, hope that many youthful memories will be recalled as you look through these pages.

—The Editor.

DEDICATION

This picture represents one of the many men in our armed forces. We dedicate this book to Robert Clarke, our past annual adviser, who left his work to enlist in the armed forces as a first class private. As Mr. Clarke left early in the year, we missed his guidance during the spring semester. Good luck to you Mr. Clarke wherever you may be.

IN MEMORIAM

EDITH BAILEY
MRS. ADELAIDE V. METCALF

As the high school students have an administration to guide them on their way, so do the soldiers of the Stockton Air Field have an administration to guide them. At the right you will see the administration tower where a close guidance is kept on all soldiers in flying planes.

STUDENT COUNCIL

The Student Council is the "Congress" of the school consisting of eleven active members who are chosen by the student body during the semi-annual elections. Mr. Cave, school vice-principal and dean of boys, sponsors the group, while Mr. Carmichael is financial adviser. This last year has been a busy and eventful one for the Student Council. Student dances have been given frequently, and the Student Police Patrol which we now have on duty at all rallies originated in the Student Council. Approving bills, and passing athletic awards were other activities of the "Congress." Although there is no reward for their labor except honor and a few merits, the students work willingly to make our school a better one.

The purpose of the Student Controls is not to punish the students but to warn them and help them obey school rules. There is a Control for both girls and boys headed by the First Vice-President of the Student Body and the Commissioner of Welfare. Each group consists of twenty members composed of Commercial, Academic, and Vocational students. The girls' meetings are held every Wednesday afternoon while the boys' are held whenever they are called together by the Commissioner of Welfare. At every meeting each student turned in for violating a school rule is given a fair trial by members who aim to treat all offenders firmly but fairly.

SENIOR OFFICERS

FEBRUARY

The class of Freshmen who entered Stockton High in 1938 was the beginning of a grand class. This February this same class graduated from high school sharing with each other the many laurels which they had earned during their high school career. Among the outstanding students of this class were Stark Pister in oratory, Betty Hogan in journalism, Winnie Honnold in music, John Miller and George O'Connor, both in sports and school leadership, Caryl Rothenbush in social affairs. This list could be continued, but in this limited space the few names already mentioned should provide a sample of a grand class.

GOLD SEAL BEARERS

Row 1: Angelina Bantillo, Shirley Lowe, Doris Fong. Row 2: Toshiko Iwata, Norman Mulholland, Dorothy Marrello. At Right: Stark Pister. Although not pictured here are class officers Caryl Rothenbush, President; Jean Miller, Vice-President; Kathryn Booksin, Secretary.

JUNE CLASS

The smallest June class in many years graduated from Stockton High School this year. Of the outstanding students of this class were Aloha Ohm in scholarship, David Connelly in oratory, Louis Costanza in dramatics, Melvin Witt and Steve Sutherland in boys' sports, Naoma Perry in girls' sports, Mary Jean Athearn and Verne Vassar in school leadership.

HONORARIES

Students who excell in studies, journalism, or sports are potential candidates for membership in our honor societies. During the year the Honor Scholarship sent a delegate group to a conclave held at Santa Rosa High. The society also gave a tea for graduating students. The Quill and Scroll, an international honor society for high school journalists, conducted a defense stamp drive which netted almost \$1,000 over the desired \$2,350 goal in two weeks time. For this deed the high school received a letter of congratulation from the Secretary of the Treasury, Henry Morgenthau Jr. Further work by the Quill and Scroll was the book drive of some 2600 books for the Stockton Field. Although the Quill and Scroll kept very busy aiding in defense work, the members also found time for two skating parties.

The Old English 'S' is an honor group of junior and senior girls who have attained an A average in gym for two semesters. This society gave a breakfast to the graduating seniors during commencement week, handled the freshmen reception, and waited upon the teachers at their faculty meetings.

Probably the most appreciable deed accomplished by the Block 'S' this year was its well-conducted automobile safety campaign. Block 'S' boys arrested reckless drivers around high school and made them pay the penalty" by giving them demerits and putting them on probation. Sportsmanship was also fostered by the Block 'S'.

ORCHESTRA

"Biggest, best and busiest" might be a good motto for this year's orchestra. Composed of over fifty members, it has played for a Christmas program, at the Senior plays, the Washington-Lincoln program, the January commencement, for the Easter program, and at the annual spring concert. The String Quartet, composed of orchestra members and ably-directed by the orchestra conductor, Miss Virginia Short, has been very successful this year, having played for many groups and organizations. Two of the String Quartet members, Betty Eberhardt and Doris Elsner, who are concertmistress and first violinist of the orchestra respectively, were the soloists for the spring concert, which always is the climax of our orchestra year.

Below and at the left you will see the orchestra practicing during the 12:00 period.

The *Guard and Tackle* this year, besides its regular program of publishing the paper, has undertaken to sponsor the Victory Stamp Drive and the Stockton Field Book Drive in coordination with the Quill & Scroll, and has also aided other groups in the field of publicity for their various programs. The "Gat" staff attended the University of California College of Publications, and the Fresno Press Convention, besides entering several National Press Association Contests. For those interested in "Life inside the Gat Office," the work for each week's edition begins with the assignment of pictures and the planning of pages on Wednesday. On Thursday and Friday actual copy for the paper is written and corrected, and the pictures are taken. On Monday work really begins with the final correcting of all copy, and making up the pages for publication is done in the afternoon. On Tuesday and Wednesday the paper is printed; then the process starts all over again.

BLUE and WHITE

"A little something for everyone," has been the slogan during the year around the Blue and White office. This year the annual has again made many changes. Students have asked for fewer pages of boresome copy—so this year our annual is comprised of more impersonal pictures and less writing than ever before in the book's history. Mrs. Schuler, who replaced our past adviser Mr. Clarke, has done a splendid job in directing the staff in publishing this year's yearbook. Her pleasant personality and her great interest in this undertaking have won her deserved recognition. The annual staff has constantly worked fast and hard to produce this book. Although the work sometimes became tough, the staff would willingly do it all over again; it has been fun.

The above picture is the end of the second act. The escaped murderer, Danny Siletto, has the situation well in hand. The picture in the lower left-hand corner shows John Alden and Priscilla hunting Indians, and they have cornered Miss DePression. Mr. Hyde appears in the background. The picture at the right takes place in the second act. Following a scream off stage, Mrs. Finch faints while Don Cutter masquerades about as a ghost trying to scare Mrs. Finch and her daughter, Gertrude, out of the house.

GIRLS' LEAGUE

The Girls' League is the one organization at Stockton High School to which all girl students belong. It is only at the organization's meetings that all the girls are together for entertainment. The main objective of the Girls' League is to acquaint the girls with one another and to bring out the talent of its members.

BOYS' SCIENCE CLUB

The Boys' Science Club, one of the oldest and most active clubs, has completed another successful year under the able leadership of Mr. Sweet. In order to bring to its members interesting information on science, the club each month has brought to the students, speakers from C. O. P., Stockton J. C., and from our faculty. Besides educational talks, the members benefitted from the pictures and experiments shown by the speakers.

Wendell Phillips, Seymour Sweet, Tom Sheperd.

RED CROSS

The Junior Red Cross performs duties similar to those of its parent organization, the Senior Red Cross. Every student contributes financially on Penny Day, which is held once each month. This money buys the materials the various departments use to make menu covers, first aid cabinets, and clothing. The finished products are distributed to people in disaster areas and to the men in the United States armed forces. Thus every student furthers this nation's war effort through the Junior Red Cross.

TENNIS CLUB

The Stockton High School Tennis Club Aims to promote the interest of tennis among the students as well as to offer an opportunity to create friends. Its officers assist in sponsoring the numerous activities, thus a well balanced program is created through tournament activities as well as the regular meetings.

JUNIOR MUSIC CLUB

The Junior Music Club has been very active this past year, with the membership reaching a new high of over thirty-five members. The club has had two sponsors this year, Mr. McLaughlin, who was drafted, and Miss Short, who has replaced him. Some of the high spots of the season have been the burlesque of the opera, the Barber of Seville, a program on South American rhythms and dancing, and the annual party in June.

ITALIAN CLUB

Organized in 1928, the Italian Club has had a prosperous life and has filled a much felt need in the school activities. Sponsored by Mr. Vannuccini it has for its aim, social activities which may lead the members to more cultural information about Italy. The club sponsors a scholarship, and raises the money by an annual dance and Italian Night. "Lo Students Italiano," a newspaper, in Italian, edited by the students, has now been abandoned to conform with the government for paper conservation.

ROUND TABLE CLUB

Sponsored by the Stockton Loyal Knights of the Round Table, the Round Table Club has as its objective the development of civic participation and leadership. This year the club has followed out the policy of bringing before the members speakers well acquainted with various phases of National Defense and other topics of current interest. Also, the members have undertaken to find war-aid activities in which to figure and have included a Red Cross Penny Toss in each of their semi-monthly meetings.

SPANISH CLUB

The Los Gauchos, a club composed of students in Miss Anderson's Spanish classes, is one of the most active in school. Parties, picnics, and interesting meetings have all helped to round out a program of yearly activities. One of the projects of the club is a scrapbook for which pictures are taken of all members at the first meeting of the semester. It also includes all publicity, records of activities, and various stamps from South America.

LATIN CLUB

Conventus Latinus presents interesting programs to show the members the values of Latin and to acquaint them with Roman heroes. At Christmas time plays were given to show the customs we have inherited from the Roman Saturnalia, a holiday corresponding to Christmas. The programs are presented by different classes in order that everyone may express his talents.

SPANISH CLUB

Los Charros is a Spanish Club devoted to the promotion of an interest in the Spanish language and to an understanding of the Spanish speaking peoples in our hemisphere. As a means of stimulating these interests the club offers, during its sessions, plays in the Spanish language. One of its outstanding contributions to the school this year has been the flags of all of the Latin American Republics. The club also sponsored a Pan-American Day program for the entire school.

Front row: Dorisedna Forslund, Hubert Molina, Mary Karim.

Left to right: Steve Sutherland, Em Van Dyke, Aloha Ohm, Don Raab.

GERMAN CLUB

The German Club is composed of all the students enrolled in German classes. The members study the customs, language, and people of the country. Each year the club takes part in school activities and plays, and performs in the Junior Jinx held in the Spring. The main event of the year for German Club members is the annual picnic held in the late Spring at Dad's Point. Miss Ellen De Ruchie is club sponsor.

TRI AVANTE

Tri Avante (formerly Tri-Y) is a social and charity club. Charities this year include donations to the "Boys' Brotherhood Republic," and at the holidays, baskets were given to needy families. More on the fun side was a dance (the profit will be used for charity) and a bicycle ride and party for the members. Not to be forgotten are the Tri Avante's terrific initiations and the biannual luncheons honoring the graduating seniors.

Left to right: Jane Kessler, Barbara Deets, Rosemary French.

Back row: G. Tsumdarra, H. Oshita, A. Umino, C. Furuyama, H. Hayoshino. Front row: S. Chikaraishi, J. Abe, F. Shingu.

JAPANESE CLUB

The Japanese Club this year, continued its previous policy of inviting interesting people to speak at its meetings. One speaker who long will be remembered was Assemblyman Charles Weber, grandson of the founder of Stockton—Captain Weber. Mr. Weber told unusual facts in the life and experiences of his grandfather. Movies, music, games and dancing afforded entertainment at social gatherings throughout the year.

CHRISTIAN STUDENTS' LUNCHEON CLUB

The Christian Students' Luncheon Club which was organized in February, 1938, meets at the First Covenant Church where luncheon meetings are regularly held from twelve to one each Thursday. This Club is maintained so that all who are interested may meet in Christian fellowship, sing songs, give testimonies, and listen to a helpful address.

Standing: E. Jeung, R. Toy, Miss Geoghan, E. Loy. Sitting: E. Chan, D. Chan, H. Wong.

CHINESE CLUB

With an interesting project planned for each month of the school year, the Chinese Club had a season full of activities. "Dame Fortune" in a cookie helped swell the treasury at the Chinese cookie sale in December. A graduation banquet for outgoing seniors and a reception for incoming Freshmen highlighted January, while fun and a good time permeated the atmosphere of the April Skating Party. The social activities of the year were rounded out by a May picnic and a reception for graduates in June.

STOCKTON HIGH SKI CLUB

Promising to be one of the most active clubs, the Stockton High Ski Club was organized last fall with about thirty members. The club made several very successful ski trips and have made plans for trips next year. In addition to ski activities the club gave a dance.

Left to right: Bill Latham, Kay Moreing, Dolly Hall, Bob Wilson

Miss Cass, Dale Baldrige, Lois Squires, Vivian Hansen, La Verne Vassar, Lila Mathews, Cynthia Galiotto, Grace Okamura.

GEOGRAPHY CLUB

The new Geography Club has as its aim the increasing of knowledge about and understanding of the countries and peoples of the world. Meetings have consisted of talks and motion pictures. Each member has a project or hobby of his own choice on which he works, such as maps, scrapbooks, minerals, stamps or ag collections, and files of geographic material. Social activities consisted of a South American tea and a luncheon meeting. Is geography interesting? We think so.

SOCIAL SERVICE CLUB

Charity work is the main function of Stockton High's Social Service Club. Each year the girls work as assistants in the P. T. A. Salvage Shop, and at Christmas and Thanksgiving give food and clothing to needy families. A silver tea is given once or twice each year for the faculty members to raise funds for charity work. The membership is limited to twenty girls who must have a B average in their school work.

Seated: Kay Booksin, Caryl Rothenbush, Betty Lewis. Standing: Edith Rowe, Mary Louise Dagg, Patricia Hoskins, Virginia MacPherson, Barbara MacNeider, Em Van Dyke, Margaret Ann Ernst, Doris Forslund, Jeanne Hall.

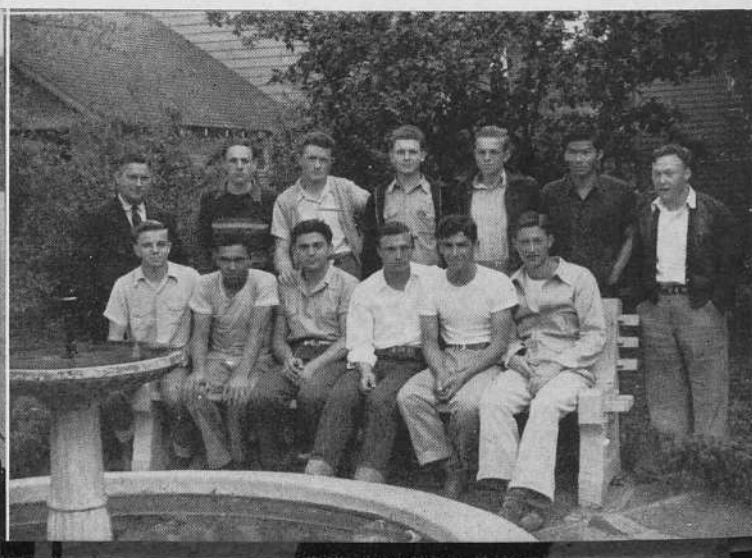

FILIPINO CLUB

This year during the fall semester the Filipino Club frequently turned its monthly meeting periods into social occasions, enjoying luncheons and playing games in the Bungalow for the half hour. During the Spring semester the girls of the club knit squares for a Red Cross afghan. The reduced membership caused all meetings to be informal.

F. F. A. CLUB

Future Farmers of America (F. F. A.) is a national organization of boys enrolled in the various high school departments of vocational agriculture. A chapter has been organized this year, made up of students of the new Vocational Agriculture department. It has a fine bunch of members and officers. The motto is: "Learning to do; Doing to learn; Earning to live; Living to serve."

QUAD C HI-Y

The Quad C chapter of the Hi-Y organization has completed its projects to the best of its ability. Each meeting a very talented speaker talks with the members about Christian insights and convictions and what they have to do with the war on hand. The Quad C put up the fire stickers in the various rooms throughout the school. The members of the organization also offered their services to the city defense council so as to do all that they could in the war effort.

PAN PACIFIC CLUB

The chief activity of the club this year has centered around the building of the Pan Pacific Library. The club has also endeavored to bring noted speakers before school assemblies—notably Julian Arnold, retired U. S. consul to China, and Galen Fisher, director of the Pacific Relations Council. Other prominent affairs were the Pan American contest and the International Dinner. Additional activities included skating parties, evening round-table meetings with prominent guest-speakers, and an Oriental dinner.

Bill Shadley, Barbara Kragen, Pat Green, Carolyn Bennisten, Peter McCurdy, Maxine Kreis.

TROJAN HI-Y

Service, education, and religion are the three principal factors of the progress of Trojan Hi-Y Club. Composed of thirty junior and senior boys, this club has as its slogan: "Clean speech, clean sports, clean scholarship, and clean life." The club donated mirrors to the boys' gym as a service project, and to raise money for other projects, it held a co-ed ice skating party. There are four faculty members of the high school as advisors besides Ian Hutcheon of C.O.P.

PLAYCRAFTERS

The Playcrafters in the past have given plays for the student body in the auditorium and in A-6 for the public. This year the Playcrafters gave "Mayor For a Day" in the auditorium for the student body. With the proceeds, properties for A-6 were bought and the annual picnic was given for the members. The Playcrafters hold two meetings a month, a social meeting and a business meeting.

CANDIDS

Left to Right, Top to Bottom: Jeanette leading the high-steppers. Our football stars love to pose for the photographers! Remember those soldiers from the Port? Varsity hi-steppers led by the one and only "Little Snuffy Smith." Muzzey swinging it at one of our rallies.

Right Column, Top to Bottom: Plenty of room, boys, don't rush!! Remember the Hawaiian chant? — (How could you forget??). They really kept us rolling! Game really must be interesting! Hi-stepping at an out-door rally!

As the high school students are active in sports such as football and basketball, and the like, so are the soldiers at Stockton Field. They are active in sports like ours and also in the sport of flying. At the right you will see the soldiers participating in their favorite sport—flying.

JUNIOR VARSITY

The Junior Varsity eleven, which scrimmages whenever needed with the publicized Tarzan Varsity deserves a great deal of credit for their "forgotten" season of hard work. These gridsters learn the weekly varsity opponents' defense and offense and use them against the Varsity. Not only do they help the Varsity, but they also play their own games against varsity elevens of the small schools of this region. Because the main purpose of this squad is to train and develop these boys for Varsity next semester, many of the players will be advanced.

Some action shots at the Lodi game. Left to Right: Lodi man tackling Stockton. A mad scramble! Headed for the goal.

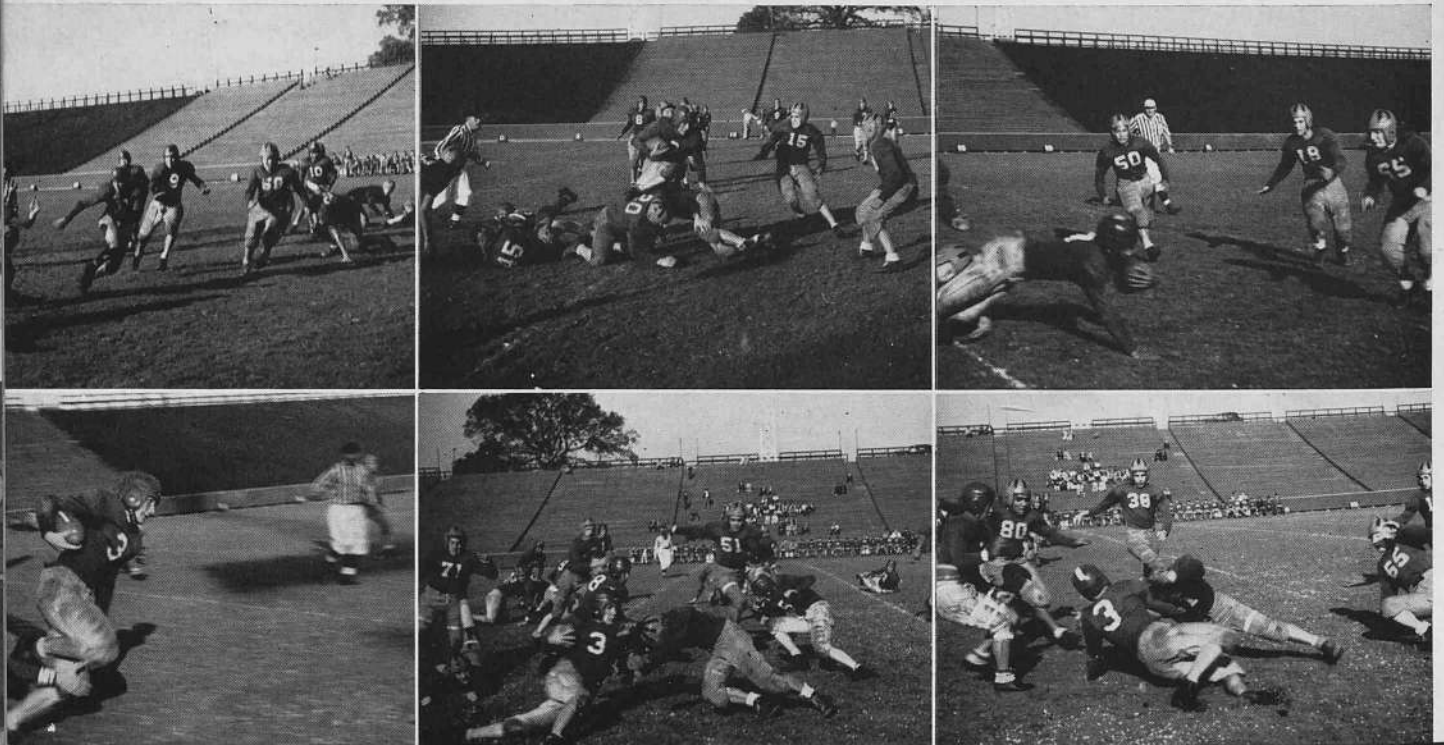

Front row (left to right): Dyer, Destract, Gilsen, Doan, Malloy, Maisi, Iwashii, Kirstene. Row 3: Brown, Bird, Sallah, Harris, Ah Tye, Erickson, Hardin, Beckham, Flores, Perino, Ma-teer. Row 4: Stites, Robertson, Karim, Le Rond, Covell, Tokunaga.

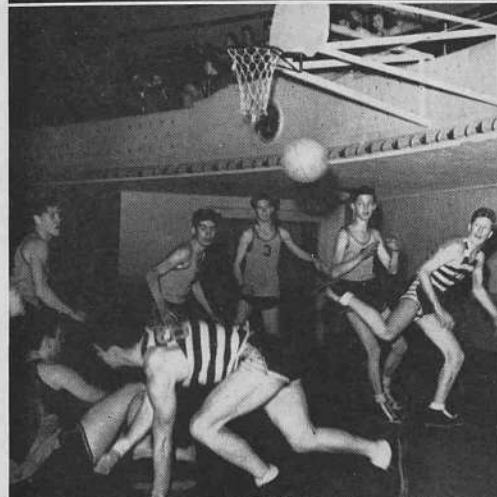

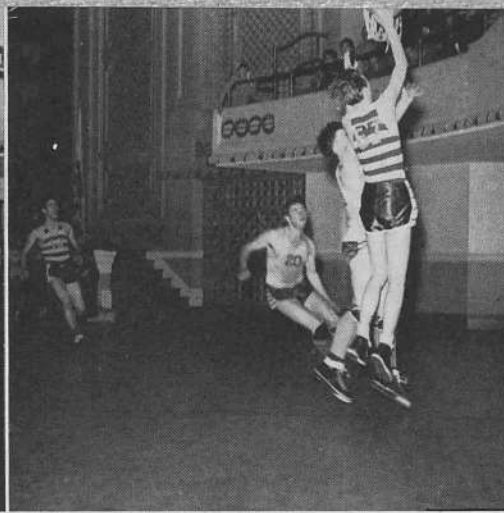

"B" FOOTBALL TEAM

This year's B team was mostly composed of sophomores, many of whom will be promoted to make a strong varsity team for next year. Because of its remarkable passing attack, the B team scored many points. The closest fought game was with Sacramento. The Modesto game was rather odd because Modesto scored twenty-five points against our first string; but on the other hand, our second string scored nineteen points in the last five minutes of play. One grand achievement by the B team this year was their good spirit which made a more pleasant and interesting season.

Below are some B team action shots which were taken at the Lodi game. Although the score was 26 to 6 in Lodi's favor it was a grand game.

Leary and Lewis tangle while helpful Bill Clark looks on at Turlock game. Beaton taps one in as Guyon follows up the play. Sutherland sinks a set-up. Row 2: A mad scramble for the ball with Sutherland and Uharriet at Turlock game. Leary shoots one from the corner. Sutherland shoots left-handed shot. Row 3: Jump-ball with Schroebel and Sutherland. Klingler shooting from the corner. Guyon jumps for ball with a host of McClatchy players.

Varsity Basketball

Once again the Champion Stockton High School Basketball team won the Big 4, Southern division of the San Joaquin Conference, and then went on to defeat Grant Union Pacers, winners in the Northern division. The deciding game took place at the local Civic Memorial Auditorium with the score of 50-27. Showing excellent team play and wonderful individual performances the Tarzans garnered 12 wins and only 1 loss out of 13 contests. The Mid-term graduation took its largest toll in history. Leaving us were the following players: Rod Beaton, Theron Carmichael, Jimmy Guyon, Howard Lenz, John Miller, Dan Schroebel, Bob Thomas, and John Uharriet. The loss of these men was severe to the team, especially with Guyon and Thomas gone, both of whom were outstanding during the last couple of years. However, with Steve "the blond bomber" Sutherland as a nucleus, the following players: Bill Clark, Buster Clements, Jack Dyhre, Dan Gower, Bob Klinger, John Leary, John Lewis, and Leland Oliver, were able to build a team which was to come through with flying colors. '40-'42 marks the 23rd straight season that a "Pete" Lenz coached team has won or tied for a championship.

Steve Sutherland having a good time fighting off the players of Balboa High.

"B" Basketball

The unconquerable Stockton High 'B' basketball team successfully defended its Sac-San Joaquin title by defeating Sacramento High School by a score of 49-35. Showing brilliant teamwork and outstanding individual performances the boys once more rose to the top of the ladder. Fermin Garciacelay scored highest in his foul shots for the season with an average percentage of .466. For this honor Fermin received a cup, given each year for the high point man in foul-shooting. Runners-up were Gordon Ingram, Elton Buckley, and Frank Adams with a .400 percentage.

They also attended basketball and baseball playdays of different schools and invited girls to their own. The GAA promotes a more general interest in girls' athletics and fosters the highest ideals of good fellowship and a spirit of loyalty and cooperation. Awards are given to every girl who participates in afterschool sports. The Shield "S" Award, the highest award a girl can obtain in GAA, was awarded to Naoma Perry who earned a total of over 50 points—the shield requires 45 points. Naoma was the first girl ever to receive this award.
