(Eureka, Greenwood County, Kansas)
July 12, 1945 – October 2, 1947

Introduction

The Greenwood County Historical Society Museum, 120 W 4th Street, Eureka, Kansas 67405 has one reel of microfilm containing the images of this newspaper for this time period.

The **DEMOCRATIC MESSENGER** was published by Harriet M. Focht on Thursday's until her death in March of 1946, by her estate until sold to John Burtis (Burt) Doze September 5, 1946, who changed the name to the **EUREKA MESSENGER** on January 2, 1947.

The paper was published 7-column per page format, but page numbers are variable.

Each issue was **SCANNED** specifically for notices of births, marriages, deaths, and references to WWII personnel, but other items deemed by this compiler to have some substance for local historians and genealogists were often included. MANY items with multiple names (school, social, entertainments, visitors, etc.) were NOT indexed.

Each item was hand copied, then typed into a computer database for alphabetizing and printing. Proof reading was NOT done, so apparent typo errors may be paper's or compiler's (sorry). Each item consists of four parts:

Name/Event Reason for being page*/column number issue date

*when counting pages, watch for double exposures

If an item is not found as indicated, THINK, check column/page before or after.
