THE MEDICATED MATTRESS and PILLOW WORKS

907 & 909 Miami Street.

Economy, Health, Comfort. Cleanliness is what you gain by buying and using the Medicated Cellulose Mattress. The Best Mattress in the World. Ten reasons why this is true:

- FIRST—It is a great Health Restorer.
- SECOND—It is a non-vermin breeder, for no bugs or insects will remain near it.
- THIRD—It accumulates no dust and dirt so common to moss or hair mattresses.
- FOURTH—It is superior to the best Hair and sells for less than half the price.
- FIFTH—It is highly recommended by Physicians.
- SIXTH—It will not break down or wear out, but will outlast any other Mattress known.
- SEVENTH—It is the cleanest Mattress in the world.
- EIGHTH—It is as soft as any down or feather.
- NINTH—It is cool and luxuriant, as the material from which it is manufactured is non-productive of and will not retain heat accumulating from constant use.
- TENTH—The price of this Mattress places it within the reach of all, being only \$10.00. Pillows and Chair Cushions of same material.
