Dedication

The Seniors of '71 dedicate this annual to Mr. Eugene R. Dawson in appreciation of the thirteen years he devoted to Archie High School. He will constantly be remembered for his fine characteristics of striving for quality in all he did and for always lending a helping hand to everyone in need. He set numerous goals throughout his life working hard to achieve so many, and it is now our goal to in some way repay him for the time, effort, and care he showed for each of us.
