# Pictorial Will

We, the Senior Class of 1947 of Stewartville High School, being of sound mind, do hereby make and declare this to be our last will and testament in form and manner as follows:

To the entire student body we bestow our richest treasures which we think they truly need and deserve. We have been so popular, had so much fun, been in so many activities, and have reaped such good grades, that we feel the student body will duly appreciate these treasures that we are so freely giving. We gladly give our unsurpassed pep, our beauty, our great dignity, our charming manners, and our favor with teachers and students alike.

In addition to the above mentioned valuables, out of the largeness of our hearts, we wish to bestow the following personal effects:

1. John leaves his ability to argue with Mr. Allison to Margaret Cochran. If she uses it like John does we are sure the class room will remain very quiet and peaceful.
  2. Betty Lou wills her ability to spike in volleyball to Gail VanFossan and Katherine Henderson.
  3. Daryl takes his conceit with him for confidentially no one else would want it.
  4. Bobby Baker wills his excess height to Kathryn Collins.
  5. Donna Lou wills her way with men to Eileen Groom.
  6. Charlotte wills her big blue eyes to Gene Martin.
  7. Maxine Binstead wills her grown up ways and speech to Helen Killgore.
  8. Dale leaves his car heater to the Pep Squad Girls of the coming years. It is a good heater as the Pep Squad of this year can verify.
  9. Richard wills his curly hair to Norman Welch on the condition he keeps it in place as well as Hink does.
  10. Helen wills her bashfulness to Jimmy Richardson.
  11. Billy wills his way with the girls to Virgil. Here's hoping Virgil uses it to the best of advantages.
  12. Beatrice wills her quiet disposition to Bob Karr and she hopes he doesn't change it.
  13. Lila Pearl wills her many romances to Beatrice Bush.
  14. Sue wills her taxi cab to Charlene, that is of course, with Tuffy's permission.
  15. Donna Faye wills her interest in Clarksdale to Leanna Kerns. We hope that she has as much luck as Donna Faye did.
  16. Bob DeVall wills his light graceful walk to Dorothy.
  17. Joan wills her dignified locks to Frances Fitzgerald.
  18. Marjorie wills her curly hair to Norma Jean Hamann.
  19. Jack wills his right to bring girls candy bars to Warren.
  20. Ila May leaves her letter writing technique to Wayne Cornelius, who will need it to write to those girl friends we hear so much about but never see.
  21. Charles leaves Carol Jean in the loving hands of Shorty Schlup.
- In witness whereof, we have hereto subscribed our seal, in the year of our Lord one thousand, nine hundred and forty seven A. D.

*Mr. Dignified Senior*  
*Miss. I've Great Hopes*
