FORWARD

We present to you our yearbook hoping you may consider it a worthy achievement. We have tried to compile a suggestive record of our school days. It would be impossible to enumerate all the work and play, fun and heartache, triumph, and the friendship formed which holds the most important place in our memories.

Even to the class that has published this book all the work and planning will in time become a pleasant memory and we hope you may also visualize our school days as they appear to us.

CLARKSDALE HIGH SCHOOL

DEDICATION

We the seniors of 1951 wish to dedicate this annual, The Eaglet, to the future students of the Clarksdale High School that they might improve in their quest of a more complete education and develop a desire to better the conditions of the school and community in which they live.

From the school is molded the citizens of the community who are destined to be the citizens of tomorrow. A better community means a better world.

CLASS HISTORY

One morning early in the fall of 1947, nineteen brilliant Freshman, consisting of seven boys and twelve girls, were found seated in the first three rows of the east study hall, in the Clarksdale High School. They were: Jerry White, Bert Whitsell, Ronald Brown, Harry Dale, Donald Brown, Bill Hartman, Eddie Freeman, Joan Cartwright, Reva Moutray, Dorothy Freeman, Marjorie Wilhelm, Norma Thompson, Mary Shepherd, Norma Davis, Marian Spencer, Lynette Kaufman, Minnie Bunse, Jo Ann Karl, and Janet Wiedmaier. The subjects conquered during this year were, General Science, Math. World History, and English I. Probably the most exciting event of the year was Freshman initiation which brought to school the second week, twelve pig tailed girls, wearing shabby dresses, mens shoes and seven sissy boys with trousers rolled to their knees, women's purse's and best of all, their favorite dolls.

Near the end of our Freshman year we were joined by Gloria Walters from Gower, Mo.

When we entered our class room in September 1948, we found we had lost one member, Janet Wiedmaier, and gained five—Joyce Veraguth, Darline Schottel, and Lois Byous, from Savannah, Mo.; Wayne Middaugh, El Monte, California; and Doris Smothers from King City, Mo. Through the year Joan Cartwright, Harry Dale, Ronald and Donald Brown moved away. Again this year we studied new subjects which both thrilled and bewildered us. But with the ability and eagerness to learn, and co-operation of our teachers we soon gained the skill and knowledge that we had chosen to reach that year.

Then September 1949 arrived and twenty classmates returned to enroll as jolly Juniors. This year Janet Wiedmaier, Lillis, Kansas City, Mo. and Bette Webb, Central, St. Joseph, Mo. came to join us. We made a great effort in our studies this year. Besides our "Junior Play" and "Banquet" we became active in such activities as volleyball, basketball, softball, and track. We ended the year with nineteen members as one—Reva Moutray—left us.

The fall of 1950 brought back for the last time eighteen classmates, for one member—Wayne Middaugh—failed to come back. Many accomplishments have been made together this year, but now our greatest pleasure is presenting to you the 1951 "Eaglet." And now that our final goal has come in sight we realize that our days of study in Clarksdale High School are over and we are almost ready to bid dear old C. H. S. farewell. We hope to go forth into the world, and in our own meager way carry with us the training, strength, and faith which have become a part of us in these four years.

Seniors---1951.

CLASS PROPHECY
1951-1961

Oh, how the time has passes---10 years!---it doesn't seem possible!

Perhaps we had better introduce ourselves. We are Bette Webb, Editor-in-Chief of the Chicago Tribune; Darline Schottel, owner of the Tribune; and Joyce Veraguth, Business Manager.

As I glance through the proofs of tomorrow's edition, I find more news of other members of the class of '51.

Jerry White has just discovered a way to return from the moon--his problem now, to get there in the first place.

Jo Ann Karl has just opened her Dental Hygiene office for the fifth time. It seems the other times she was always getting bitten by her patients.

We see that Doris Smothers, accompanied by Norma Jean Thompson made their debut at Carnegie Hall with much success.

Bert Whitsell, manager of Never-Fail Suspender Co. is reaping great profit because of the companies slogan: Use our suspenders---they'll never let you down.

We see where Bill Hartman and Eddie Freeman have purchased the Barnum and Bailey Circus. Their show will make an appearance here in the near future. Lois Byous appears as the tight rope walker and Gloria Walters as the "Fat Lady". The extra special feature of entertainment is Minnie Bunse's "Flea Circus".

Marjorie Wilhelm has achieved her ambition and is head nurse at the John Hopkins Hospital.

A bargain sale is advertised at the Ketcham and Cheatum Department Store. Norma Davis is clerk in the clothing department and Janet Wiedmaier is clerk in the notions counter.

Dorothy Freeman has recently published a book on Etiquette and is gradually taking the place of Emily Post.

We noticed that Mrs. Marian Spencer Vanderbilt's chauffeur has been picked up for speeding.

Yes, time has passed, and the years have brought many changes, most of them good. Fellow classmates, may we say again, as your prophet did back in 1951: Whatever course you may set, may you have smooth sailing and God-speed.

Signed--Seniors of 1951.

CLASS WILL

We, The Senior Class of 1951, of the Clarksdale High School, in the city of Clarksdale, situated in DeKalb County, which is in northwest Missouri, having been declared by an impartial board of investigators as of unsound mind, unpredictable attitudes, impossible ideas, a memory rating of zero, do hereby will and bequeath all our property real and unreal, imaginary and otherwise, for better or for worse, for richer or for poorer, that you may like or dislike us.

To Clarksdale High School, we leave the few gadgets we have bought, some finger prints on the wall, grades on the permanent record sheet, and our motto: "Flunk early and avoid the rush." In the years to come, may our memories be as bright as our experiences are now.

To the Junior Class, we leave the trials and tribulations of the Senior year. Our Study Hall Teachers, battered as they are, we also leave to the tender mercies of the class of 1952.

To the faculty we leave our attendance record, especially the ability to cut classes and still keep our records at their usual high level.

To Mrs. Misemer we leave the roll book which we always kept in a mess, and to Mrs. Bray our report cards which she has not been able to find since the first day of school.

Minnie Bunsq Janet Wiedmaier, and Norma Jean Thompson leave their ability to think up hard jobs such as writing this class will, and their knowledge of humanity demonstrated herein, to whomever in the Junior Class has the nerve to tackle it next year, and the speed and quick thinking necessary to protect themselves from the consequences of their own act.

Eddie Freeman leaves his Chrysler to the convenience of Ann Misemer so she can get to school on time.

Bert Whitsell leaves his bashfulness to Twila Schottel.

Bill Hartman leaves his curly hair to Clifton DeShon.

Jo Ann Karl leaves her ability to stay home on Saturday night to Jean Miller.

Marjorie Lue Wilhelm leaves her spiking ability in VB to Anita McManus.

Joyce Veraguth leaves her mathematical ability to Freda Krull.

Norma Davis leaves her ability to get along with bus drivers to Bernadine Fisher.

Gloria Walters leaves her weight to Lloyd Byous.

Dorothy Freeman bequeaths her ability to study to Floy Lemasters.

Darline Schottel bequeaths her ability to get along with the teachers to Albert Philips.

Jerry White leaves his ability to get a date to Ralph Anderson.

Doris Smothers and Marian Spencer leave their retiring manner to Darlene Vette.

Bette Webb leaves her height and Lois Byous her weight to Janice Buhman.

Finally, to our successors on "The Eaglet" staff for the next year, any old second hand pictures, and the dummy, which should be kept in the files so as not to be confused with the members of next year's staff.

Music

The word "Music" is written in a black, Gothic-style font. The initial letter 'M' is highly decorative, featuring intricate floral and scrollwork flourishes that extend downwards and to the left. The rest of the word "usic" is in a simpler, bold Gothic script. The entire title is positioned in the upper left quadrant of the page.
