THE LATE T. D. JONES,
("FARMER DICK JONES")
The most progressive agricultur-
ist of Livingston County. His
fame as such was known over
the state. He kept the road in
front of his farm dragged after
every rain. His address to the
members of the St. Louis Mer-
chants League, on "City vs.
Rural Conditions," was heralded
throughout the country. His
demise, Dec. 22, 1914, was a
shock and a great loss to this
community.
