OFFICIANTS AND THEIR TITLES

Pages 1 - 3

This listing provides a specific reference number to each officiant. Following his name is a listing of every title used by the officiant in the marriage record. The reference number is listed in the marriage record under the heading "BY".

MARRIAGES, MORGAN COUNTY, MISSOURI Pages 1 - 15

Under "PAGE" is listed the page number in the record book where the marriage is recorded. Under "NAMES" is listed the marriages, alphabetized by groom's surname, followed by bride's name. Under "DATE" is listed the date of marriage. Under "BY" is listed the officiant's reference number.

BRIDE INDEX

Pages 1 - 6

This is an alphabetized listing of all brides by their maiden surname, followed by their given name and then their married surname in CAPITAL LETTERS.

This book was prepared as a memorial to Henry W. Hickey, Jr., M.D., born 27 December 1890 and died 24 April 1973. Because of his interest in genealogy, the printing of this book was made possible. To him, this book is dedicated.

Morgan County, Missouri, was erected 5 January 1833 by an Act of the Missouri General Assembly and consisted of the the southern part of Cooper County.

This publication is the third printed book in order of dates with each book of marriages overlapping in dates but with apparently no duplication of marriages.

This publication contains 586 marriages beginning with the 3 July 1881 and ending with 23 February 1888.

A serious effort was made to copy each name and related information as it appeared in the original record. An honest effort was made to publish the record as it now exists without alteration. Some phonetic spellings were used in the recording process and searchers are warned of this occurrence. Where a question mark (?) appears, it indicates an inability to read the penmanship of the Recorder.

This book is rich in where marriages occurred--at various individuals homes and various towns, now long gone. Much of this material was not included in this publication, but searchers are notified of its existence on the marriage records.

The printing of this book of marriages of Morgan County, Missouri is the result of the combined efforts of Ilene Sims Yarnell, 509 N. Tweedie, Versailles, Missouri 65084, who copied the records at the Courthouse; of Carl Kelsay of Rocky Mount, Missouri 65072, who alphabetized and edited the work; and of August F. Barnhouse, Box 387, Eldon, Missouri 65026, who typed and printed the work.

This book was printed as a memorial in honor of Kirtley J. Morris, born 27 November 1890 and died 24 April 1973. Because of his interest in genealogy, the printing of this book was made possible. To him, this book is dedicated.
