BOOK ONE

Mr. ALICE [unclear] Minister of Gospel, Baptist Branch of Gospel
Mr. ALICE [unclear] Deafened Preacher
Mr. ALICE [unclear] Mr. Alice B. Justice of the Peace
Mr. ALICE [unclear] Justice of the Peace

Morgan County, Missouri, was erected 5 January 1833 by an Act of the Missouri General Assembly and consisted of the southern part of Cooper County.

This publication is the fourth printed book in order of dates with each book of marriages overlapping in dates but with apparently no duplication of marriages.

This publication contains 910 marriages beginning with 16 February 1888 and ending with 5 September 1896.

A serious effort was made to copy each name and related information as it appeared in the original record. An honest effort was made to publish the record as it now exists and without alteration. Some phonetic spellings were used in the recording process and searchers are warned of this occurrence. Where a question mark (?) appears, it indicates an inability to read the penmanship of the Recorder.

This book is rich in where marriages occurred--at various individual's homes and various towns, now long gone. Much of this material was not included in this publication, but searchers are notified of its existence on the marriage record.

The printing of this book of marriages of Morgan County, Missouri, is the result of the combined efforts of Ilene Sims Yarnell, 509 N. Tweedie, Versailles, Missouri 65084, who copied the records at the Courthouse; of Carl G. Kelsay of Rocky Mount, Missouri 65072, who alphabetized and edited the work; and of August F. Barnhouse, Box 387, Eldon, Missouri 65026, who typed and printed the work.

This book was printed as a memorial in honor of KIRTELEY J. MORRIS, born 27 November 1890 and who died 24 April 1973. Because of his interest in genealogy, the printing of this book was made possible. To him, this book is dedicated.
