## DEDICATION

The Adams County Historical Society dedicates this book of inscriptions on tombstones in Adams County to the memory of the late

WALTER W. ATHEY

former A.C.H.S. president,  
with great appreciation for the tremendous amount of work he did locating county graveyards, and also isolated graves. Then compiling maps, plats and text that have been invaluable aid in gathering these inscriptions.

## FOREWORD

Adams County , Washington is located in the eastern part of the state. The County seat is Ritzville. This county was formed in 1883 from Whitman county. Whitman county was formed 1871 from Stevens county. Stevens County was formed 1863 from Walla Walla County and Walla Walla county was formed in 1854 from original Territory. It is bordered on the north by Lincoln county. On east by Whitman county, on the south by Franklin county and Grant county is on the west.

This project of copying tombstone inscriptions was done under the able leadership of EWGS good members from Lind--Georgia and Joseph Hays. Work was started in 1975 and completed Nov. 1976. No small task, this..many miles to travel, much research involved and the tedious task of checking out possible errors. Georgia even put all the names in alphabetical order and typed them before sending them to Carrie Lartigue who cut them on stencil.

Eastern Washington Genealogical Society is grateful to all the fine people who helped with this project!!

Mr. & Mrs. Floyd Cameron, Lynette Heath, Gladys Para, Lester Snyder, The Tredicim Club, assisted by Zelma Williams, Mrs. Raymond Danekas, Mrs. Clarence Bauer, Mrs. Wayne Bishop, Mrs. Gary Galbreath, Mrs. Gus Klettke, Mrs. Josie Labos, Mrs. Phil Langford, Mrs. Reuben Maier, Mrs. Walter Miller, Mrs. Bertha Schoeslor, Mrs. Aaron Thiel, Mr. Aaron Thiel, Mrs. John Wellsandt, Mrs. Helen Wellsandt and Mrs. Don Wellsandt. And especially to Georgia and Joe Hays for their hours of labor.

RITZVILLE MEMORIAL CEMETERY

(From 1886 to 1933, was called simply, The Ritzville Cemetery)

Located one-half (1/2) mile west of Ritzville on the Rosenoff Road, this cemetery was established in 1886 by a group of men who arrived via railroad that year. They were aware that one of their members was in critical condition, namely, Deidrich Ahlers. These same men established the Evangelical Church which supervised the operation of the cemetery. This Church later became the Zion Congregational Church which is still active in Ritzville. The Zion Congregational Church operated the cemetery until 1933 when it became too large a project and was officially turned over to the City of Ritzville.

The Ritzville Memorial Cemetery contains seven (7) acres of ground. Earliest birth date on stone is that of Cynthia K. Bennett, born Aug. 16, 1796 and died Dec. 2, 1888. The first burial was that of Deidrich Ahlers who was buried on Feb. 13, 1887. There are several other burials recorded that same year at a later date.

Inscriptions were copied by the following on May 13, 1976:

\* in this text, will indicate data taken from other than stone.

Every effort has been made to make this report as accurate as possible. Many hours were spent during the numerous trips to the cemetery by Mrs. Danekas to check dates, spelling of names and the locating of graves that could have been missed.

An early resident of this community, Mrs. Minola Hauschild Phillippay, wrote from her home in San Carlos, California, that she remembers attending burial services in a cemetery located on First Avenue, across from the present Safeway store. She listed the names of several people she remembers as having been buried there. They must have been moved when the area became a residential site, but Mrs. Danokas has not been able to locate any stones with these names in the present cemetery. The Custodian at the Ritzville Cemetery reports there are many graves here with no markers whatsoever.

Eastern Washington Genealogical Society is deeply grateful to all the above mentioned persons who helped with this project. It is dedicated, conscientious people like these who make the world a better place in which to live. Persons searching for their lost, loved ones in this area, will indeed appreciate the time and effort spent. Thank you very much!!

## DEDICATION

To the Memory of

WESTON LAWRENCE LARTIGUE

He was born March 13, 1901 at Golden, Colorado and died July 17, 1975 at Spokane, Washington. He began copying records from Washington tombstones in 1965 and continued until his final illness. He worked on more than 150 cemeteries in Spokane, Whitman, Lincoln and Pend Oreille Counties, driving several thousand miles in this effort. The Eastern Washington Genealogical Society of which he was not a member, is deeply grateful for his substantial contribution. To him, this book is lovingly dedicated.

## FOREWORD

Pend Oreille County is located in the extreme northeast corner of Washington State. It was formed in 1911 from Stevens County. The County seat is Newport. It is bordered on the west by Stevens County, and on the south by Spokane County. The north border is Canada and the east boundary is the state of Idaho. Much of the land here is beautiful timber and mountains. The valleys are lush and green. Pend Oreille River traverses the county from Canada to Newport. There is much mining in this county.

The copying of Tombstone Inscriptions here was started in the fall of 1974 by the Lartigues. Mr. & Mrs. Joel Lewis worked during 1975, copying all the cemeteries in the northern part of the county. Other residents offered suggestions as to locations of graves on farms.

EWGS wishes to thank all of those who assisted in this effort. Mr. & Mrs. Joel (Virginia) Lewis; Mrs. E.D. (Viola) Pease; Durand Verbrugge; Velma Cartier of Sandpoint; Stella Graham Erickson; Luella Pulford; Joe Zigler; Mrs. L.F. (Ella) Smith; Bob Terzieff; Mrs. C.E. (May) Sherman; Mrs. O.C. ## NEWPORT CEMETERY

Located straddle of the section line.. Sec.23 & 24 Twp 31N Range 46EWM  
Just off Hwy 2 about 1 mile SW of town of Newport. County Auditor-  
Winifred Johnson informs us, this is Cemetery District # 1 in Pend  
Orielle County. Inscriptions were copied Sept. 19 & 23 by Weston  
and Carrie Lartigue. Sexton Harold Richards was most helpful in  
giving us locations of other cemeteries. Peculiar to this cemetery-  
were cement blocks for markers. Names and dates had been stamped  
into the cement, but many are now so weather-worn, they cannot be  
read. Also, many metal markers have lost the name-tags, so we could  
not identify them. Believe records are kept at Sherman Funeral Home.

Newsitem from  
 NEWPORT MINER, July 10, 1975:

Grave is found on private property.  
 A grave found on private property on the Coyote Trail road was dis-  
 covered by a Colburn Realty employee when the new buyers of the prop-  
 erty were looking it over. A little digging disclosed a casket and a  
 Deputy coroner Glen Groom was notified. Groom verified that the grave  
 was that of Alice Ella McROHN who died Aug. 6, 1949, in Spokane county  
 and was legally buried Aug. 13 1949 on property here. The grave will  
 be left undisturbed unless a court order to move it is obtained.

RIVERSIDE CEMETERY, IONE, WASHINGTON.

This cemetery is located in Sec. 7 Twp 37N Range 43EWM, about 1 1/2 miles south of intersection of Main street and State Hwy # 31. Some 50 miles north of Spokane, Wa. The cemetery is fenced and in good shape. As in most burial grounds, there are many unmarked graves. Most of the metal markers are from Sherman Funeral Home in Newport. Inscriptions here were copied first by Mr. Lee D. Patchen in 1968. In June 1975, our good EWGS member from California, Mrs. Joel Lewis, and her husband, spent the summer at Ione. They searched out and copied all stones of burials since 1968. Our thanks to them!!!

MEREDITH BABY

This single grave is of an infant daughter of Samuel Meredith. She was born and died March 24, 1919. and is buried in a grave unmarked except for a ring of stones and some iris plants. Before Tiger Hill (on the road to Colville) became part of the Colville National Forest, many homesteads were established here. Samuel Meredith buried his daughter on his homestead. (Cartier).

GANGWER mother & child.

Also on this hill (just above) are buried a Mrs. Gangwer and her baby. Believed to have died in the early 1900's. Believed to be a marker here. Charlie Trimble may know the exact locations.

Note: Meredith and Gangwer information was sent by a lady in Sandpoint, Idaho, Mrs. Velma Cartier. She, also, is a daughter of Samuel Meredith. We are grateful to her for writing .

#####

A letter to Pend Oreille County Historical Society was answered by Mr. Joe Zigler. He could add no more cemeteries to the list we had made, but remembered these two isolated burial spots:

BAUER grave:

On the old Bauer place, Sec. 25 Twp 32N Range 43 EWM just north of Calispel Lake road. This was a Bauer daughter, believed to be Nellie Bauer. The grave was enclosed in a picket fence for a long time, may still have markings, but no stone.

TWO PIONEERS:

Graves of two of the earliest pioneers to Pend Oreille County are said to be located in SW $\frac{1}{4}$  of Sec. 26 Twp 32N Range 43EWM. On old Rocky Gorge road about  $\frac{1}{2}$  mile from Calispel Lake road. There is no marker or stone, so not sure of exact location or identity of these two white men.

A note from Mrs. Joel (Virginia) Lewis of Iona, WA told of:

BURKE single grave-

Located Sec. 17 Twp 30N Range 43EWM. This is on a ranch owned by Mr. Newt Koontz. A previous owner had erected a fence enclosure and a lilac bush had been planted on the grave. No identity as to first name or dates, simply Mrs. Burke.

Also Mrs. Lewis was told of two separate graves in the Lost Creek area. WHITING girl buried on the east bank of the Pond Oreille river across from Lost Creek area and SCHULTZ twin girls who died about 1916 and buried in this general area. Graves not located.

It was not far from the Ed Pease ranch, on a little wooded hill that jutted out into Calispel Valley as one drove north from Peases. Frank Rusho was here in April 1889 and only a short time later, stepped on a rusty nail.

(Thanks to Mrs. Smith for this added data).

## INDEX

This portion is the surname index to PEND OREILLE COUNTY.  
 The first part of the book, Adams County, has its own index  
 just preceding this second part, Pend Oreille county.  
 Because of the small size of these counties, there are two  
 counties and two indexes in one volume.
