My name is Jean Winters. I was born on 20 July 1938 in Granger, Yakima County, Washington. Married to Earl Junior Winters, I am the mother of four children. Presently, I live at 3313 W. Sylvester, Pasco, Washington 99301.

I became involved in the effort of preserving these records when I realized that the State of Washington has a severe shortage of sources for research. As many of the cemeteries, both private and public, are becoming run-down or destroyed through weathering and vandalism, I felt that the cemeteries constitute the greatest need for immediate research.

The inscriptions published in this volume were acquired by going to the cemeteries and copying the information from the markers. With the exception of only one of which I am aware, this volume includes all cemeteries in Walla Walla County. This is the first of several volumes planned for publishing.

I wish to thank all the friends and members of my family who have so willingly helped to gather and assimilate these inscriptions, and also my husband, for his patience and consideration.
