Records of the Congregational Church in Turkey Hills now the Town of East Granby, Connecticut, 1776-1858, by Albert Carlos Bates, 1907, Hartford.

"At a time past Mr. Phelps requested the privilege of preaching at my workhouse on the plain, calling it a church and said he wanted to dedicate it. That one night he preached and prayed all night at Kettlebrook and so loud as to start the bark from the trees."

Even as today?
