Also called Old Pioneer Cemetery.

Located according to Plat Book C. p 111 at the Courthouse at
 Colfax=SW $\frac{1}{4}$ of NE $\frac{1}{4}$ Sec.6 Twp 14N Range 45 EWM. On Sunnyside
 Hill, off of Skyline Road. According to a brochure on this,
 written by Merilee Jordan 1973, there are conflicting stories
 as to the origin of Farr cemetery. Known is that Bolin Farr
 came to this area in 1875 & he was first to sub-divide his
 land when pioneers arrived. Some say he donated the land.
 Others state Dr. H.J. Webb donated it. The earliest date of
 birth on stone is 1829 and earliest date of death 1884.

Our appreciation to Merilee Jordan and to John Ballweg,
 Director of Recreation & Parks, for permission to use this
 data (granted by letter May 1,1973). * will indicate data
 from other than tombstones, usually from pioneers or family.

LLOYD CEMETERY

Located Sec.10 Twp.16N Range 43 EWM. Contact with Miss Ada G. Lloyd of Colfax, brought forth this information:

To reach this, turn south on the Walla Walla Hwy., go past the motel and gas station located between two bridges.

Turn onto the gravel road to right, this will run parallel to the highway. Come to the fork and take the left road,

which will lead up an incline to the cemetery. There are five graves still here, the rest having been moved to the

Colfax cemetery by Carl J. Lloyd. The five following all died in the late 1800's. Thanks to Miss Lloyd for the data.

Sam Arnold

Two infant Lloyds, cousins to Miss Ada.

"Etts" Rexford, her great uncle and

John & Charity Rexford, great-grandparents.
