Nancy:

I scanned the photos to the enclosed CD. They aren't exactly high resolution but I can do that if someone can identify them wants one or more. Most of them are probably brothers and sisters of Henry Edward Miller, Sr., or possibly cousins, etc. The widow of Henry Miller's son, David Miller, had all the pictures in her possession and gave them to me to try to identify.

Floyd Brown is from Lyons, NE. I'm sure he wouldn't mind my sending his email address — fbrown@huntel.net. He has the originals of the Gabriel/Rautenberg photos.

I got the family tree information from Del Hamm, who researches the Miller/Eckert families. He lives in California. He probably is in contact with some of the people there, but I only know my cousins who live around Verdigre and Winnetoon. My grandfather, Henry Miller, lived around that area before he moved up to Witten, SD to a homestead.

Hope somebody can identify some of the pictures.

Below is a link to Del Hamm's family tree which includes all of the Miller family so most of the people in the photos should be somewhere in his tree. Can you get family group sheets from that site?
